Privacy Statement: The information contained in this/these spreadsheet(s) is of a summary nature and may be released in its entirety (Cover Sheet and relevant Tabs) for the purpose for which it was provided. However, as it was prepared to address a specific question, other use or manipulation of the data is not permitted.

## Psychiatric In-patient Hospital Beds

### British Columbia, Fiscal Years 2011/12 to 2015/16

Project: **2016\_0071**

Filename: **FOI HTH-2016-60052 Psychiatric In-patient Hospital Beds.xlsx**

Source: **MHSU Bed Numbers Comparison 2009, 2010, 2011, 2012, 2013, 2014, Sep 2015.xlsx;**  
**P.E.O.P.L.E. 40, 2015**

Data extracted on January 13, 2016

Notes: **All relevant notes and criteria**

- 1 Counts of community, acute, tertiary, and emergency department beds are collected semi-annually from the health authorities as part of a survey of Mental Health and Substance Use (MHSU) bed
- 2 Beds counts for a reporting period are the beds available in each health authority as of the reporting period date.
- 3 Counts for fiscal years 2011/12 to 2014/15 are as of March 31, at the end of the fiscal year.
- 4 Since March 31, 2016 bed numbers have not yet been submitted by the health authorities, counts as of September 30, 2015 are used as a proxy for fiscal year 2015/16.
- 5 Bed counts used in this report are totals of the following Facility Types:
  - Acute Care Inpatient Treatment Beds – Adults
  - Acute Care Inpatient Treatment Beds – Youth/Adolescents
  - Acute Care Inpatient Treatment Beds – Geriatrics
  - Designated Observation Units (Beds)
  - Acute Behavioral Stabilization Unit (ABSU)
  - Acute Care Psychiatric Intensive Care Unit (PICU)
  - Acute Care Short-term Assessment Unit
  - Early Psychosis Intervention (EPI)
- 6 Counts of beds per capita are expressed as rates per 100,000 population.
- 7 Population projections used to calculate Rates per 100,000 population are from the Population Extrapolation for Organizational Planning with Less Error (P.E.O.P.L.E.) projection model for 2015, produced by BC STATS, Ministry of Innovation, Technology and Citizens' Services. Estimates are as of July 1st of each calendar year. Values used in the calculations are on the "Populations" tab.
- 8 Population and Rate not assigned to PHSA as the health authority provides specialized services for all of BC.
