Hello Jasmyn,

It was a pleasure to meet you (and take your plants) last week.

Minister Dix mentioned he would be available to come to Duncan to meet with the Cowichan hospital stakeholders. Sonia met with physicians from the Cowichan Division of Family Practice and the Cowichan District Medical Society. They, and many other stakeholders who are involved in creating the vision for Cowichan's new hospital, are eager to meet with Minister Dix at this crucial point in the process.

We are wondering if we can organize such a meeting in September. Please let me know if there is an evening in September that works for you and I will coordinate with our crew here to facilitate the meeting.

Thank you!

Sonia Fursténau, MLA for Cowichan Valley

We will be able to figure this out once we have a tentative house schedule cetera
It will be likely an 830 pm type meeting. We discussed with Sonia when we met with her on Tuesday

Hi Jaz,

That would be great – thanks! I would imagine MLA Furstenau would like to join so I will add it to her calendar. I wasn't looped into the start of this meeting plan, is it about anything in particular or just an initial opportunity to touch base?
