Hi team,

Just confirming a few things for this weekend:

1. Are we completely certain the car rental will drive easily up hills in the snow
2. Can I get a flight back on Sunday morning from Vancouver to Victoria? I've a 5pm Saturday meeting I need to stay in town for (SOCASMA).
3. There is a meeting in my calendar still for a Jewish seniors group. Erika I think I sent you confirmation of a time change – can you check and adjust rooms and make sure all attendees know where to be?

s.15

It's not a high priority to do it, being as his IDIR password was just changed, so we have a lot of time. So I guess what I'm saying is ^{s.22} instead of updating it today. ☺ Do you think we could arrange another time in the future?

Subject: Spinal Muscular Atrophy Community is seeking to be heard

Dear Minister Dix,

I am Susi Vander Wyk, the executive director of Cure SMA Canada which is the national patient organization for Spinal Muscular Atrophy patients. Besides holding my position, s.22

s.22 we raised a great deal of money for Canadian research projects to assist in the process. Later, I took on the position I now hold, to support all Canadians affected by this very serious disease.

I have supported families right from diagnoses and through crises, consoled them after their children have regressed or passed away and even attended funerals. s.22 All the while, advocating for funding research projects to find a treatment for SMA. Millions of dollars were raised and paid to Canadian researchers in this endeavor.

It is very difficult to write a letter to reach the hearts and minds of Canadian government to request for the understanding of the importance of the first treatment ever that has come available for SMA. Its difficult because it is what this community has clung to, day after day. To hope. Hope for a change, hope for a longer life, hope for an improved quality of life. We need for this treatment to be available for all Canadians who can benefit from it.

I understand the need for negotiation with Biogen and hold hat in hand to beg that opportunity. The opportunity for our community lays in the hope that this negotiation will come and an agreeable solution is rendered. We simply have no other option, our hope lays in your hands. Please allow me to receive a moment of your time, I would like to come to you to discuss our input as the patient community, s.22

Thank you for reading my/our request, and thank you for offering me your precious time.

Checked Baggage Allowance

A checked bag is one (1) item, weighing up to a maximum of 50lbs (23kg) with maximum linear dimension of 62" (158 cm). Linear dimension is calculated by adding together the bags outside height, width and length. All wheels and handles should be included when measuring. Checked baggage fees may apply depending on the fare selecting at the time of booking.

We make every effort to ensure your luggage travels with you. However, there are times where we cannot accommodate all checked baggage due to payload restrictions. We trust our passengers will keep this in mind when packing, keeping important items with them in their carry-on (i.e medication, keys, etc.).

Pacific Coastal Airlines does not accept single checked bags exceeding 70lbs (except for large checked pets). An overweight item is a single piece of checked baggage between the weight of 51lbs and 70lbs. In addition, an oversized item will be any single piece exceeding 62" linear dimensions.

Carry-on Allowance

Please ensure your carry-on bags are within the maximum size allowance as indicated below. They are required to fit in the sizing devices located at check-in and boarding gates. Items exceeding the free carry-on allowance will be checked at the gate and customers will be charged applicable baggage fees. Bags will be tagged for delivery to baggage claim area at the passenger's destination.

Pacific Coastal Airline's carry-on/valet baggage allowance is limited to two (2) pieces:

- one (1) Standard Article (such as a carry-on bag/roller):
 - Maximum dimensions 9" X 15.5" X 21.5"
 - Maximum Weight 22lbs
- one (1) personal item (such as larger purse, laptop bag, diaper bag):
 - Maximum dimensions 6" X 13" X 17"
 - Maximum weight 22lbs

Check-In

Guests should check-in 60 minutes prior to the scheduled departure time with appropriate government issued identification. Flights may not be put "on hold" to wait for late-arriving passengers, as departure and arrival times are carefully managed by airports, and checked-in passengers would like to leave on time. Failure to check-in 20 minutes prior to the scheduled departure time, may result in cancellation of your entire reservation. Check-in will not be permitted once flight boarding has commenced.

Checked-in passengers not present at the boarding gate a minimum of 15 minutes prior to flight departure will be denied boarding.

Vancouver International Airport's South Terminal

Pacific Coastal Airlines operates from the South Terminal of the Vancouver International Airport (YVR). Parking is also conveniently located across from the South Terminal Building. 1. forfeiture of payment for the "no-show" segment (no credit given)
2. subsequent segments will be cancelled, regular cancellation features will apply, balance remains as a credit file valid for one year from original date of booking

Chère Madame Campeau,

Je vous remercie de votre lettre m'annonçant la première édition du Festival Francophone des 50 ans et plus en Colombie-Britannique. Veuillez m'excuser du délai à vous répondre. En tant que ministre de la santé et ministre responsable du Programme des affaires francophones, je constate la valeur de votre programmation tant au niveau de la santé qu'au niveau des services à la communauté francophone.

À cet effet, je vous invite à contacter le Programme des affaires francophones pour discuter de l'éligibilité de votre organisme à recevoir une subvention pour votre projet. L'approbation de financement du Programme des affaires francophones découle du soutien d'un ministère provincial ou d'une municipalité. Votre lettre indique que vous avez obtenu un appui logistique du canton d'Esquimalt pour votre projet. Par ce fait, votre organisme satisfait un important facteur d'éligibilité. Veuillez contacter madame Chantal Brodeur au 250-387-2028 pour bien comprendre les détails du processus d'application.

Je vous encourage également à explorer les programmes de financement gouvernementaux BC Gaming et BC Arts Council.

Je vous souhaite bon succès.

Hi Erika,

Thank you for your help scheduling this meeting.

As I said, my clients at CBI will be in Victoria on Tuesday Feb 6 and could meet either first thing in the morning or after 3pm. If Minister Dix is not available on that date we'd be open to meeting with Jasmyn or another MA as well. CBI will also be in Vancouver on Friday February 9 and they can meet anytime that day if there is an opening in Minister's schedule.

Otherwise we can pick a date in March (except for the final week) and I'll ensure that we can make it work.

Thanks again!

Hi Elijah,

The Core Policy & Procedures Manual has been updated regarding the "Monthly Limits" on BMO purchase cards. Monthly Limits above \$10,000.00 require an additional approval. You currently have a monthly limit of \$50,000.00 on your card.

Please discuss with your Expense Authority (EA) and reply to me by **Friday, Feb 2nd** to advise if you require this higher limit you currently have or if it should be reduced. Also, cc: your EA when replying.

You can log into BMO Details online, click on the Statement tab to view all of your previous statements. This will give you an idea of how much you normally spend each month.

Also, please keep in mind that you use this card to purchase all of the airfare for your office including international travel.

If you do require a monthly limit above \$10,000, I will follow-up with Procurement Svs Branch for this additional approval, nothing further is required from your area.

I've included the link to the section in the Manual if you or your EA would like to review.

- Under Procedures – E. Special Types of Disbursements
- Click on E.6 Purchasing Card
- Click on Core Policy 4.3.19 – Purchasing Card #2 Transaction and Monthly Limit

Transaction and monthly limits above \$10,000 require the additional approval of Procurement Services Branch, Shared Services BC

Thank You.

Hi Jas,

As you are my expensive authority, would you like to keep my monthly spending limit of \$50,000,000 or have it reduced. Anything over 10,000,000 require an additional approval. On average I'm paying for \$2000-\$4000 for flights, phone bills, office supplies etc.

Hi Erika,

Hope you are well and that you had a nice weekend.

I had a really brief chat with Jasmyn last week. I understand how busy you guys are and how busy the Minister's calendar is. Jasmyn had mentioned that a meeting with the Neighbourhood Pharmacies Association was something Minister Dix would be able to accommodate.

I am just following up with you, as the scheduler, to see if you had any idea when that might happen. Our clients are happy to meet in either Vancouver or Victoria whenever it is convenient for Minister Dix.

Thanks and look forward to hearing from you.

Best,
Kellie

Hello,

I am emailing you today to request a meeting with you on behalf of Wayne Hartrick, President of the Canadian Men's Health Foundation (CMHF). Founded by Dr. Larry Goldenberg CMHF is delivering programs to raise awareness, provide tools to change behavior, and improve the health of men. Knowing that 70 % of chronic diseases are preventable through lifestyle changes, CMHF has a number of functions including: encouraging a societal conversation about men's health issues; filling critical gaps in medical knowledge; providing tools; and inspiring men and their families to live healthier lives. Minister Fleming has been a supporter of our work in the past and we would appreciate an opportunity to update his office on the work we are doing.

Wayne will be in Victoria on Wednesday December 6th for a meeting in the afternoon, but has additional time available.

I will follow up by phone in the next day or so.

I called Don the photographer to let him know that you and/or Lucinda would reach out to him in the next couple days to arrange a better time. Here's what was in the calendar:

Ask for GCPE Photographer Don Craig, session will take about 15 minutes.
e: Don.Craig@gov.bc.ca
c: 250-217-4223

From Don's email:

As it turns out, one of my graphic design colleagues was working with a photo of the Minister that was provided to her. Although, the photo was OK, the background had been cut out (not very well) of the image, to make it white.

One of our goals in government communications is to present the best possible face on all government communications, including those coming from the Ministry of Health. We would appreciate it if we had a better-quality photo of the Minister to use in any Health communication materials.

So, if it is at all possible, I would love to have the opportunity to take the Minister's portrait. We would also be able to update this page with a headshot that matches the rest of cabinet.

To follow up with my initial email, Beltreet has called back twice already hoping for a call as soon as possible. She has asked if the Ministry could email her, as she will be away from her phone.

Her second concern is because it may be too late today, Beltreet has asked if it is possible to speed up the process in s.22. Typically, he would have to wait till next week to receive the results.

Beltreet's email is s.17

HLTH MO Follow-up to Meeting Request 1096366 – dd

To Adrian Dix, Minister of Health,

I writing as a follow up to our meeting of Oct. 13th, 2017. A group from North Shore NOPE met with you and our MLA Jane Thornthwaite regarding the health impact of an oil spill of diluted bitumen on the people in the surrounding area.

The vaporized hydrocarbons from the spill would affect first responders, residents, and clean up workers. At the meeting in October, you mentioned that you would bring the information forward to the Attorney General and the Minister of the Environment as well as follow up with Vancouver Coastal Health and Fraser Health.

As you know, the Provincial government announced today that there would be a restriction on new transportation of diluted bitumen until the behaviour of spilled bitumen can be better understood and there is certainty regarding the ability to adequately mitigate spills.

There has never been a comprehensive health impact assessment of the consequences of an oil spill in the harbour.

The modeling of an oil spill in the harbour has not been done by Trans Mountain and the data needed to adequately assess the human health impact is not available.

It seems that these new studies that the provincial government will do on bitumen should include a human health impact assessment as well. The government needs to restrict the transport of bitumen until there is a full and complete understanding of the consequences of an oil spill or a tank farm fire to the people.

Thank you,
Janice Edmonds
North Shore NOPE

Thanks. I'll just have dinner in the airport.

Good to make note that helijet, harbour air, Pacific coast air, all are at a separate terminal - the south terminal. About a 10 minute cab ride from the main terminal where air Canada and west jet are. Just for booking connections.

Hi Elijah,

The Core Policy & Procedures Manual has been updated regarding the "Monthly Limits" on BMO purchase cards. Monthly Limits above \$10,000.00 require an additional approval. You currently have a monthly limit of \$50,000.00 on your card.

Please discuss with your Expense Authority (EA) and reply to me by **Friday, Feb 2nd** to advise if you require this higher limit you currently have or if it should be reduced. Also, cc: your EA when replying.

You can log into BMO Details online, click on the Statement tab to view all of your previous statements. This will give you an idea of how much you normally spend each month.

Also, please keep in mind that you use this card to purchase all of the airfare for your office including international travel.

If you do require a monthly limit above \$10,000, I will follow-up with Procurement Svs Branch for this additional approval, nothing further is required from your area.

I've included the link to the section in the Manual if you or your EA would like to review.
<https://www2.gov.bc.ca/gov/content/governments/policies-for-government/core-policy>

- Under Procedures – E. Special Types of Disbursements
- Click on E.6 Purchasing Card
- Click on Core Policy 4.3.19 – Purchasing Card #2 Transaction and Monthly Limit

Transaction and monthly limits above \$10,000 require the additional approval of Procurement Services Branch, Shared Services BC

Thank You.

Colossians 3:12

"Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience."

Romans 13:1-5

"Let everyone be subject to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. ² Consequently, whoever rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves. ³ For rulers hold no terror for those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right and you will be commended. ⁴ For the one in authority is God's servant for your good. But if you do wrong, be afraid, for rulers do not bear the sword for no reason. They are God's servants, agents of wrath to bring punishment on the wrongdoer. ⁵ Therefore, it is necessary to submit to the authorities, not only because of possible punishment but also as a matter of conscience."

Ephesians 2:2

"In which you used to live when you followed the ways of this world and of the ruler of the kingdom of the air, the spirit who is now at work in those who are disobedient."

2 Chronicles 7:14

"If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."

Proverbs 11:2

"When pride comes, then comes disgrace, but with humility comes wisdom."

John 14:15

"If you love me, keep my commands."

Proverbs 19:22

"What a person desires is unfailing love; better to be poor than a liar."

Hi Jo,

Is there a way to search letters directly from a MLA? We're trying to pull the ones just directly from their MLA email address or letter head, not their office. This would be a huge help to know which ones to print out of the 105 incomings.

Thanks!

Good afternoon!

Could I get pulled for me all of the outstanding letters from MLAs that have come in since we took government?

There should not be too many – just those whose Cliff's haven't been closed.

If this is an easy Cliff search I can do myself, I'm also open to instructions on how – I want to have them in his hands before tomorrow's 8:30am issues meeting.

Thanks,

Would info bullets be ok, or did Amanda specifically request a BN for the Minister?

Thanks,

Amanda has asked for a briefing note if possible by Friday.

A few of her questions are as follows:

Do they provide MaID?

Are they expecting new beds?

Why donations vs MSP? Is it because services are not covered?

Thanks

She is concerned about tax paying dollars that are going into these services, yet she is not receiving any service.

s.22 also wanted to ask the questions:

Is there funded assisted living in Kelowna?
Are there any subsidized assisted living centres in Kelowna?

Her phone number is s.22

Adrian,
Just to reach out to you about the BC Leaders Prayer Breakfast which will be held March 23 - John Hogan came every year as leader of the Opposition - and now he has said he can not come and is sending you - and i am glad you can come.
Adrian, he is the new Premier - and to skip an event of 1000 leaders with the LG present - is optically not very politically savvy and I think this community would love to see him. The speaker is a Dianne Doyle- whom you know well - and the topic concerns medicine and faith and government is a central issue in our province.
Peter Bull is this years honorary chair and is happy to give you a complimentary ticket at the breakfast - but we all want John to come if at all possible
Can you encourage him to do so? What else can i do? I know him a bit - i guess in addition I could call him
I will try to reach you on the phone on this as well
thanks

Colleagues,

The Union of British Columbia Municipalities (UBCM) is holding its annual UBCM Executive outreach meetings with government (previously known as UBCM Advocacy Days) in Victoria, February 21 – 23. Your Minister's office has likely already been contacted by Minister Robinson's office.

While gathered in Victoria, members of the UBCM Executive team will seek to meet with Ministers, Parliamentary Secretaries, Caucus Chairs, MLAs from all parties, and others to raise awareness of, and begin or continue dialogue on current key priorities identified by UBCM's membership.

This year's three key priority areas are:

- Housing
- Infrastructure
- Mental Health

Your Minister may receive an invitation to attend a meeting with members of the UBCM Executive to discuss these priorities. Thru our Minister's office, MAH will provide a coordinated document on those topics with key messaging in early February to your MO's.

In addition to these three general priorities, UBCM sends invitations to those Ministers whose portfolios are directly related to their UBCM Executive Policy Committees:

- Community Economic Development
- Community Safety
- Environment
- Indigenous Relations
- Healthy Communities

MAH Ministry staff (along with staff you deem to be in attendance with your Ministers) may attend the meetings as a resource to coordinate UBCM requests and update Minister Robinson.

UBCM will also host an all-party reception on Wednesday evening, February 21 at the Hotel Grand Pacific, 7:00 – 9:30 pm. This will be the fifth time UBCM has hosted this annual gathering for all members of the Legislative Assembly and the event is traditionally very well attended.

Invitations are expected to be sent this week from UBCM.

Jacquie Dawes
Deputy Minister

I use this opportunity to invite the Minister Dix or someone from his office to attend our Press conference to be held on February 8 at 3:30 at Victor-Brodeur school in Esquimalt. We will officially launch the registration period for the Festival. Mr Dix will have the opportunity to address the people present to the event for a few minutes.

Chère Madame Campeau,

Je vous remercie de votre lettre m'annonçant la première édition du Festival Francophone des 50 ans et plus en Colombie-Britannique. Veuillez m'excuser du délai à vous répondre. En tant que ministre de la santé et ministre responsable du Programme des affaires francophones, je constate la valeur de votre programmation tant au niveau de la santé qu'au niveau des services à la communauté francophone.

À cet effet, je vous invite à contacter le Programme des affaires francophones pour discuter de l'éligibilité de votre organisme à recevoir une subvention pour votre projet. L'approbation de financement du Programme des affaires francophones découle du soutien d'un ministère provincial ou d'une municipalité. Votre lettre indique que vous avez obtenu un appui logistique du canton d'Esquimalt pour votre projet. Par ce fait, votre organisme satisfait un important facteur d'éligibilité. Veuillez contacter madame Chantal Brodeur au 250-387-2028 pour bien comprendre les détails du processus d'application.

Je vous encourage également à explorer les programmes de financement gouvernementaux BC Gaming et BC Arts Council.

Je vous souhaite bon succès.

Le ministre de la Santé,

Adrian Dix

Hi Jas,

As you are my expensive authority, would you like to keep my monthly spending limit of \$50,000,000 or have it reduced. Anything over 10,000,000 require an additional approval. On average I'm paying for \$2000-\$4000 for flights, phone bills, office supplies etc.

Thanks

Hi Elijah,

The Core Policy & Procedures Manual has been updated regarding the "Monthly Limits" on BMO purchase cards. Monthly Limits above \$10,000.00 require an additional approval. You currently have a monthly limit of \$50,000.00 on your card.

Please discuss with your Expense Authority (EA) and reply to me by **Friday, Feb 2nd** to advise if you require this higher limit you currently have or if it should be reduced. Also, cc: your EA when replying.

You can log into BMO Details online, click on the Statement tab to view all of your previous statements. This will give you an idea of how much you normally spend each month.

Also, please keep in mind that you use this card to purchase all of the airfare for your office including international travel.

If you do require a monthly limit above \$10,000, I will follow-up with Procurement Svs Branch for this additional approval, nothing further is required from your area.

I've included the link to the section in the Manual if you or your EA would like to review.
<https://www2.gov.bc.ca/gov/content/governments/policies-for-government/core-policy>

- Under Procedures – E. Special Types of Disbursements
- Click on E.6 Purchasing Card
- Click on Core Policy 4.3.19 – Purchasing Card #2 Transaction and Monthly Limit

Transaction and monthly limits above \$10,000 require the additional approval of Procurement Services Branch, Shared Services BC

Thank You.

Dear Katrine Conroy,

This past November, I sent an invitation to you and a guest to join us at the opening ceremonies of the Moving Trans History Forward conference, the evening of March 22nd, 2018 at the University of Victoria Continuing Studies Atrium. According to our records, you have not yet had a chance to send us your RSVP. **Please RSVP as soon as you are able, preferably by Feb. 15th, to let me know that you will help us to move trans history forward by joining us for the opening ceremonies.** For your convenience, I've inserted your invitation below.

As you know, every two years the Chair in Transgender Studies and the Transgender Archives host Moving Trans History Forward conferences. These conferences are among the largest transgender-focused conferences in Canada. Our last conference spanned four days, Thursday evening to Sunday noon and attracted people, teens to octogenarians, from all across Canada and the US, as well as folks from Mexico, Germany, Sweden, the UK, and Japan. We had a very healthy mix of trans community people, allies, students and academics. Our signature Founders Panel and all of our arts events were open to the public.

Almost everyone who responded to our request for feedback said that they made many or some new connections at the conference (95%) and said that they would recommend MTHF to their friends or colleagues (86%). Almost three-quarters said that it was either one of the best conferences that they had ever been to (20%), or that it was a great conference (53%).

The next Moving Trans History Forward conference, coming up soon, is March 22nd-25th, 2018. The conference will feature keynote addresses by celebrated Canadian Two-Spirit artist Kent Monkman and Andrea Jenkins, the first black trans women elected to political office in the US. We will have special panels with presentations by youth activists and founders of transgender activism. We expect about 250-300 attendees to come from UVic, the local region, across Canada and the US, and from several countries abroad.

Trans, non-binary, and Two-Spirit people comprise only 0.5% of the general population. A conference like this is important because although the internet has been a tremendous boon in allowing trans, non-binary, and Two-Spirit people to have a sense of virtual community, most trans, non-binary, and Two-Spirit people remain isolated and suffer considerable social stigma. Opportunities to engage in-person face-to-face conversations with peers are infrequent. Rarer still, are occasions that allow large numbers of people with similar interests, a majority of them trans, non-binary, and Two-Spirit, to gather in one place for four days.

I'd like to invite you to join us at the opening ceremonies of the Moving Trans History Forward conference, the evening of March 22nd, 2018 at UVic's Continuing Studies Atrium. You won't want to miss opening night speaker Isabel Rose, a singer, performer, and activist, who will speak as the passionate mother of her trans child. Your attendance will send a powerful message about your support for inclusion, and would be incredibly meaningful for people coming from places where trans, non-binary, and Two-Spirit people are pointedly not welcome. **Please RSVP as soon as you are able,**

preferably by Feb. 15th, to let me know that you will help us to move trans history forward by joining us for the opening ceremonies.

Thank you!

COMMUNITY AFFAIRS

TELUS Health and VGH & UBC Hospital Foundation are pleased to invite you to the official launch of the:

Mobile Clinics powered by TELUS Health

Dear Premier Horgan,

In April 2018, TELUS Health is proud to announce the launch of the very first mobile medical clinics in Vancouver and Victoria, which will help address the challenges our health care system faces in reaching vulnerable Canadians in need. Increasing homelessness, chronic mental illness and substance abuse, and an underserved Aboriginal population are just a few of the systemic health and social inequalities this innovative model of care will seek to address.

In partnership with VGH & UBC Hospital Foundation and Vancouver Coastal Health in Vancouver, and Doctors of the World in Victoria, these state-of-the-art vehicles will allow doctors and nurses to provide primary health care services to marginalized populations in downtown districts in both cities.

This expansion follows the success of TELUS Health's partnership with Doctors of the World in launching one of Canada's first mobile health care clinics in Montreal. The mobile medical clinic deployed in Montreal is equipped with TELUS LTE Wi-Fi network connectivity and TELUS Health electronic medical record (EMR) solutions. This technology allows onboard doctors and nurses to collect and store data, examine results over time and treat patients with undocumented medical histories for better continuity of care. Since inception, the program has successfully reintegrated thousands of Montreal's disadvantaged community back into the public health system.

Hi Jasmyn,

Hope you are well and not too run off your feet. I wanted to let you know our president and CEO, Bev Holmes will be in Victoria Feb 19 and March 7, just in case the Minister might have any availability for a short meeting to brief him on our programs, activities, and funding request. We can adjust our schedules to make any time work, if there is one.

Also, 2018 is the 25th anniversary of Dr. Michael Smith winning the Nobel award. MSFHR is working with Genome BC, the Michael Smith Genome Centre at BC Cancer Agency, and the Michael Smith Labs at UBC to coordinate some celebratory activities (most of which will be in the fall as the prize is traditionally announced during the month of October). We are still at the early planning stages, and will work with the appropriate channels to include/invite government participation, but we wanted to give you a head's up as the anniversary is starting to get mentioned.

Finally, as FYI, attached is a letter to the Minister's office, inviting him to provide remarks at the public health conference MSFHR is co-hosting this spring (along with MoH, FUSE UK, and the Public Health Association of BC).

Please let me know if you have any questions; thank you!

Hi Amber,

Sure - Here's what I discussed briefly with the Premier for a high-level meeting agenda:

1) Introduction to the New Hippo software platform and summary of work done so far with hospitals in BC (starting with St Paul's in Vancouver, but also with surgeons at VGH, Victoria, and a number of other locations in BC and Ontario)

2) Minister Dix's top priorities with respect to the patient journey through specialist care

3) Discussion of New Hippo's expansion plans in BC for 2018 and 2019, with an emphasis on aligning with government priorities and identifying methods to accelerate progress

Suggestions welcome for any changes. Thanks for your help, and talk to you soon,

Hi Amber,

Sounds good for a meeting with Minister Dix in the New Year. In order to keep things efficient, is there any chance that we could choose a date for January or February right away? I'm happy to come to Victoria for the meeting, and I'm in the process of booking a fair bit of travel that will limit my availability. There isn't a rush for the meeting itself, but I know how complicated it can be to lock down a date.

Hi Elijah,

The Core Policy & Procedures Manual has been updated regarding the "Monthly Limits" on BMO purchase cards. Monthly Limits above \$10,000.00 require an additional approval. You currently have a monthly limit of \$50,000.00 on your card.

Please discuss with your Expense Authority (EA) and reply to me by **Friday, Feb 2nd** to advise if you require this higher limit you currently have or if it should be reduced. Also, cc: your EA when replying.

You can log into BMO Details online, click on the Statement tab to view all of your previous statements. This will give you an idea of how much you normally spend each month.

Also, please keep in mind that you use this card to purchase all of the airfare for your office including international travel.

If you do require a monthly limit above \$10,000, I will follow-up with Procurement Svs Branch for this additional approval, nothing further is required from your area.

I've included the link to the section in the Manual if you or your EA would like to review.

- Under Procedures – E. Special Types of Disbursements
- Click on E.6 Purchasing Card
- Click on Core Policy 4.3.19 – Purchasing Card #2 Transaction and Monthly Limit

Transaction and monthly limits above \$10,000 require the additional approval of Procurement Services Branch, Shared Services BC

s.17 Because Angela had the receipts sent to her email address which we can no longer access, Erika and I have tried emailing and calling Air Canada for over a month now to try and have them send us our receipts. Is there any way we can leave them out of our P-Card statements?

Also, I have a charge on my card for the December statement titled, s.17
which I have no idea what that could be for, nor do I have a receipt. My best guess is it could be from a flight company for carrying something over, but that charge seems excessive. Does that title seem familiar at all or is there anything we can do?

Subject: Receipt Ticket Numbers

Hi Debra here are the Air Canada ticket numbers that we don't have from Angela:

- s.17
- \$929.51 – transaction date September 29th
 - \$156.45 – transaction date October 19th
 - \$105.00 – transaction date October 19th
 - \$248.98 – transaction date November 9th
 - \$47.25 – transaction date November 9th

There are also a few on my card from February that the Minister made at the airport on my card. He did not get the receipts for these:

- s.17
- \$10.50 – transaction date January 11th
 - \$171.28 – transaction date January 11th
 - \$10.50 – transaction date January 11th

I'm sure the two \$10.50 charges most likely were extra luggage claims, and the \$171.28 must have been a seat upgrade or other related charge. I haven't called about the last three charges yet, so those might be available.

If you need anything else let me know. Thank you

Yes the flights are the exact same to leave the Vancouver terminal at 9:45am. The only problem would be that on his return, there are only flights to South Vancouver, 4:00 and 5:30pm.

Good morning,

The Parliamentary Education Office is hosting a group of 24 Interns from the Washington State Legislative Internship Program on Monday, March 5th. This is a follow up to the recent visit of the BC Legislative Interns to their state capital in Olympia.

I was wondering if Minister Dix would be available to speak to the interns from 10:00 – 10:30 am? The presentation would take place in the Press Theatre, located in the basement of the Parliament Buildings.

The interns from Washington are interested to hear about our health care system in British Columbia. They specifically asked about how our system is funded and what services are included. Minister Dix addressed a group of American students we hosted last fall and provided a great overview of our system in comparison to the American system, so a similar presentation would be great.

If the proposed time is not suitable for the Minister, we do have other times that morning that are available.

Thank you very much for considering this request.

Regards,

David

Good morning Dr. Lam,

Our office has reserved you and Ms. Pria Sandhu seats for this afternoons QP session at 1:30pm. As I have heard this is your first time attending QP, I would recommend arriving to the Legislature Buildings at **12:45pm** as you will need to go through security check to get in the building, and once more to get in QP. Tickets will be picked up at the Golden Gate between 1:00 – 1:30pm, and you will want to be seated at 1:30pm. Subject: Speaking Invitation: Monday, March 5

Good morning,

The Parliamentary Education Office is hosting a group of 24 Interns from the Washington State Legislative Internship Program on Monday, March 5th. This is a follow up to the recent visit of the BC Legislative Interns to their state capital in Olympia.

I was wondering if Minister Dix would be available to speak to the interns from 10:00 – 10:30 am? The presentation would take place in the Press Theatre, located in the basement of the Parliament Buildings.

The interns from Washington are interested to hear about our health care system in British Columbia. They specifically asked about how our system is funded and what services are included. Minister Dix addressed a group of American students we hosted last fall and provided a great overview of our system in comparison to the American system, so a similar presentation would be great.

If the proposed time is not suitable for the Minister, we do have other times that morning that are available.

Thank you very much for considering this request.

Regards,

David

Also I am attaching information about 2 social events on June 8th and 9th and will welcome Minister joining us for both or any of the events. Will be happy to provide further information as required. s.22 called to explain that the government can save money by covering AeroChambers for people with asthma. He is currently on enhanced benefits and his puffer is covered, but the AeroChamber he has to pay for is not. s.22 suggests the government fund less of the medicine to assist with asthma, and more for the AeroChambers that are not covered, which will save money for the government and citizens. He did not request a call back, but if someone would like to call back his number is s.22

s.22 called, she did not want to share her last name, with a question asking why does the hospital in Port Moody have voice message control when you call the hospitals administration main line. She also wants to know if all hospitals are planning to have voice message control ("Press 1 to reach emergency..."). Her phone number is s.22

Thanks,
