Data source 1 Medical Services Plan

Extract date 2018-05-15

Notes

- 1 MSP claims for the two dermatology consult fee items (00210, 00214) were collected for each calendar year from 2013 to 2017. Included were claims with a paid date to March 31st of the following calendar year.
- 2 Dermatologist location was based on practitioner roster data. Local health area was based on the practitioner's listed address at the time the consult was provided.
- 3 Patient location was based on the Ministry's client roster. Patient local health area was determined from the patient's address at the time of the consultation.
- 4 Retro payments and services that result from a nurse practitioner or midwife referral are included.
- 5 The number of practitioners was based on practitioner roster data. If a practitioner changed local health areas during the calendar year, the practitioner will be counted in both LHAs. Consequently, the sum of practitioner counts may not be accurate at the province level.
