Subject: j-1 Visa messaging

Good afternoon

Regarding the incoming queries regarding 'denials of statement of need' or the J-1 Visa program, our Manager, Paul Clarke has developed some wording that may be helpful for the many calls/emails we are likely to receive on this matter. He has included a bit of background for everyone's reference, as well as the proposed wording.

I have sent this messaging to two people, one who phoned us directly, and one that I will be emailing out now (Cliff 1111246). I will keep the record of these open in their respective eApps and Cliff files until the matter is resolved.

We have since been contacted by the MO as the Ministry would like to see the response to this, as all provinces should be treating this matter consistently.
Our team is on the phone with Health Canada now to straighten that out, and they have set up a meeting with our Exec. Director (Kevin Brown) for Tuesday early afternoon, to discuss this issue (he is out of office today).

****messaging below****

Thank you!

HI Jen;

There was some confusion at HealthMatch BC regarding process (due to staff turnover at HealthMatch). I understand that HealthMatch has been taking names and numbers of these applicants and telling them that HealthMatch needs to connect with the Ministry before they can provide any advice – as a result, I believe the Ministry is receiving these

requests instead. We (the Ministry) connected this morning with both Health Canada and HealthMatch BC. **Note that these phone calls should be directed to HealthMatch BC** (i.e., HealthMatch is contracted to do this work).

With that said, please note the Ministry is doing its best to help coach the new people at HealthMatch. HealthMatch will have the correct messaging and will be able to advise these J1-Visa applicants going forward.

For new inquiries that come to the Ministry, we can respond by stating:

- Thank you for calling the Ministry of Health.
- We understand that this is urgent and that you need to speak with someone immediately.
- In terms of next steps, we advise that you to connect with:
  - Catherine Omueti | Senior Consultant, Physician Services at HealthMatch BC
  - Catherine can be reached at: T 604.714.2393 or CatherineO@healthmatchbc.org
- If earlier in the week you had already contacted Ms. Omueti at HealthMatch, we understand that she will calling you back in the near future with more detail.
- I trust that Ms. Catherine Omueti will be able to provide you with the information you seek.

Jen, please let me know if there is anything more you think that will had value?

Best regards,
Paul

Good afternoon,

As you're aware, there was an issue with the J-1 Visa Applications/submissions that has cause applicants nation-wide receive denials for their 'Statements of Need'.
Since learning of this issue, our team (namely, Paul Clarke and Martyna Purchla, as well as Director, Lorrie Cramb and Exec. Director, Kevin Brown) have been working to get information from HealthMatchBC and Health Canada.

As of early this week, Catherine Omueti, Senior Consultant, Physician Services at HealthMatch BC, spoke to our team and received the proper messaging for this issue. Since then she has been contacting BC applicants to make them aware of the situation.

We have been told to now hold these response by the MO, as I believe they would like to coordinate a consistent federal response.
I have attached the one response we had already sent out (as there was a note in Cliff saying the MO required a report back). As you can see from the attached, our response was only that the constituent needs to contact Catherine O for the information he/she is looking for.

We will hold our remaining response as per MO.

Thank you!

Dear Conference Invitee,

We hope you received an invitation to attend the upcoming Health Sciences Association conference – **Achieving High-Performing Primary and Community Care: The Critical Role of Health Science Professions** – taking place on Friday, April 13th (8:00 am – 4:30 pm) at the Hyatt Regency Vancouver (655 Burrard St).

We are very pleased to announce the **Honourable Judy Darcy,** Minister of Mental Health and Addictions will be providing opening remarks. She will be discussing her ministry's focus on building a seamless and coordinated system of mental health and addictions care and the role of health science professionals in providing timely access to team-based care.

The conference will focus on how public practice health science professionals can help BC provide better access to comprehensive, quality care for high-needs populations, including seniors and individuals with mental health and addictions challenges, who are most likely to end up in hospital because their needs are not met in the community – or go entirely without the care they require.

This cross-sector, invitation-only conference – the first of its kind in BC – will provide participants the opportunity to learn, collaborate and strategize on how BC's public health care system can better meet the needs of patients in rural and urban communities by optimizing the roles of health science professionals on primary and community care teams. Conference participants will work collaboratively to develop specific policy recommendations that will inform and support the Ministry of Health's system transformation efforts.

We have an exciting and timely program planned that will include perspectives from frontline health science professionals, health policy researchers, and advocates of team-based primary and community care. Representatives from the Ministries of Health and Mental Health and Addictions, health authorities, professional associations, and patient and community advocates will be attending.

I have attached the Conference Program, which provides a description of the sessions and biographies of the speakers.

Action Required
It's not too late to register! Please RSVP as soon as possible, and no later than **April 10**, to Andrew Longhurst (ALonghurst@hsabc.org) with the following information:

Hey Amanda,

So Nita Levy of Paul's Club has written in with both a meeting request (logged) and a funding request (not logged as it was in the same email as the meeting request). Nita followed up on the funding request and I told her that I would look into it and try to get back to her. My understanding from the below is that nothing has been started in regards to the funding request...

As per Kathy's email below – needing your confirmation before getting a formal response sent out from the ADM.

Thanks!

That is correct; this has not yet been assigned for action. The only current cliff log for Nita Levy is the one that Elijah logged (1101972) and COU has not yet received any instruction from your office on this correspondence.

We would appreciate if you could confirm if you would like staff to call to Ms. Levy, or if you would like a formal response to the association, signed by the ADM.

Do you need to run this by Amanda prior to confirmation?

Thanks,
Kathy

If the later, yes I would like someone to reach out to Ms. Levy and let her know where her funding request stands as she is calling our office daily and we have no funding information in our office.
If the former, please let me know what steps need to be taken to get this request going.

Hi Amanda, I hope you had a great weekend.

Further to our meeting request with the Minister on April 24th, here are the items we would like to discuss with him.

- Announcements strategy for the $10 million Seniors Safety Quality Improvement Program (SSQIP); discussing how we announce grants to seniors care homes for safety equipment for funded residents. These start later this spring.
- BC Cares Renewal update: our cross-Ministry efforts at coordinating a health human resources hiring/retention strategy for the staff shortage crisis facing home and residential care.
- Concerns over new employers health tax costs.
- Our letter regarding an independent seniors advocate.

We currently have a meeting scheduled at 1:30 outside the Legislature with AEST.

All the best.

Mike

Elijah, this may be helpful – are we going to need additional information before we reach out to Mr. Zaffino?

Hi Amanda,

As per our telephone conversation, please find attached the meeting notice. The meeting is taking place on May 2nd from 5:30-7:30pm at 6222 Willingdon Avenue, Burnaby, BC.

This session is intended to discuss and develop strategies for dealing with workload for members of CUPE locals that represent health care workers. There will be between 20-50 members attending.

The group is hoping that the Minister could hear their concerns regarding workload and staffing shortages. If possible, the Minister could speak to improvements that the government is bringing to the health care system.

CUPE's membership in the healthcare sector is primarily workers in the community health care system, providing out-patient services in Victoria and the Lower Mainland. We represent both the community health care workers who do support work in health clinics, but also the health science professionals who work in those clinics and go out into the community to provide services, such as occupational therapists, physiotherapists, speech pathologists and so forth.

If you need any further information, please feel free to contact me.

Sincerely,

Justin

The first time was just her calling, but the second was a hand delivered letter which I've attached. It is addressed to Minister Dix and Minister Farnworth, and does not include any MLA names from which I can see.

Hi Elijah. I just wanted to follow up with this correspondence from MP Carla Qualtrough for Draft Min Sig, HLTH 1110711. Both Minister Dix and Minister Judy Darcy received this letter and to avoid two responses going out, we have arranged with MMHA to draft the response on behalf of both Ministers Dix and Darcy (confirmation email attached for ease of reference). Their Draft Min Sig is logged in Cliff under MMHA 1111030; therefore, I will close our Draft Min Sig log for 1110711 to indicate that it is being responded to under MMHA 1111030.

Perhaps you can update this info for the MO Meeting Request log under Cliff 1111642, for s.22 (the constituents of MP Qualtrough of whom she was writing about and generated the logs for HLTH 1110711 and MMHA 1111030)?

OK great. Also, we are doing an MLA lunch at the Hotel GP from 12:00 – 1:00pm. Should we be ending that at 12:55 (or earlier?) to give everyone enough time? What time do the MLAs need to be back by and when will they need to be leaving the lunch by in order to have enough time?

That is correct; this has not yet been assigned for action. The only current cliff log for Nita Levy is the one that Elijah logged (1101972) and COU has not yet received any instruction from your office on this correspondence.

We would appreciate if you could confirm if you would like staff to call to Ms. Levy, or if you would like a formal response to the association, signed by the ADM.

Do you need to run this by Amanda prior to confirmation?

Thanks,
Kathy

Hi Kathy,

Sorry just to confirm, the funding request has not been assigned for action? Or a call back has not been assigned? If the later, yes I would like someone to reach out to Ms. Levy and let her know where her funding request stands as she is calling our office daily and we have no funding information in our office.
If the former, please let me know what steps need to be taken to get this request going.

Thanks!

Hi Elijah, I was able to look them up. Looks like they are all on the Medium Use Voice plan. If we switch them to the Unlimited Nationwide, it would be an additional $15.50/ month per line so you want to make sure that they are paying more than that in overages to make it worth while! Good afternoon,

On December 8th, Corporate Operations emailed Amanda advising a redirect from the Ministry of Mental Health to the Ministry of Health. In response to this redirect, attached are information bullets and a draft response for Minister's signature. These have been prepared by Clinical Integration, Regulation and Education Division, and approved by David Byres, ADM and Lynn Stevenson, Associate DM.

We would appreciate receiving a copy of the signed letter once Minister has approved.

Please advise if you would prefer to receive the letter via eApprovals.

Thank you!

Subject: SAP Vancouver Introduction and Invitation

Dear Minister Dix,

We are writing to introduce ourselves, and officially invite you and your staff to visit SAP Canada's British Columbia offices in Vancouver for a tour and special briefing.

Centrally located in the heart of Yaletown, SAP Vancouver is a flagship of the city's flourishing technology scene, and, as the fourth largest lab in SAP's entire global operation, a flagship of SAP's international business.

At 1,400 full-time employees in the SAP Vancouver office, SAP is BC's largest software employer. We have been growing 10-20% year-over-year for the past three years, adding an average of 150+ full-time, highly-skilled jobs per year, and we intend to continue investing heavily in Vancouver and the province of British Columbia.

Growing our personnel at this rate has meant that our physical footprint has needed to grow as well. For the second time in just three years, we are investing over $11 million in renovating and expanding our workspace in Vancouver.

We are immensely proud of our space, our people, and the world-class SAP software development happening right here in British Columbia that is being leveraged all over the globe, and we look forward to sharing it with you.

Specifically, we would welcome the opportunity to discuss with you some of the digital health solutions that SAP has developed elsewhere, and our desire to co-innovate with the Province on a similar solution that could be built and deployed specifically for the Province of British Columbia, to improve health services and outcomes for British Columbians.

SAP would be honoured to host you on a date and time convenient for you. We look forward to briefing you on the exciting products and solutions being developed, in British Columbia, for British Columbians and the world.

With warm regards,

Kirsten Sutton Ryan Pageau
Managing Director, SAP Labs Canada Industry Account Executive, BC Public Sector

Subject: Caller to constituency office

Hi team,

Did anyone of you speak to someone today by the name of Michael? He identified himself to be from National Public Relations and wanted to speak to me about International Midwives Day, I assume on behalf of the Midwives Association of BC.

His number is 604-374-3271.

Thank you,

Lucinda

Below the current "Remarks" line, can we please remove AA, MA, SA, EA, CCU, DM and replace them with "Phone Call" "Batch" "Mtg Req/Event" "Brief Note". Everything else is great to stay the same.

Let me know if this works.

Hi Elijah. This incoming email from s.22 is a request to meet with the Minister; however, the MO had received previous correspondence from s.22 and you assigned it as a reply direct to the program area. Can you go ahead and add this as a 2nd incoming to that Assign, and ask the program area to indicate the Minister is unable to meet at this time. Or would you like us to put this email in the MO`s Meeting Request folder for Erika to log as a meeting request?

Thank you!
