Dear Honourable Adrian Dix, Minister of Health,

It was an honour to meet you at you Senior Health and Wellness Fair this year. I attend as an exhibitor with Speech and Hearing BC, formerly the BC Association of Speech-Language Pathologists and Audiologists (BCASLPA), where I am the Director of Public Education. I hope you were able to use the ear plugs I gave you.

I am a part of Monarch House, a division of CBI Health Group, largest integrated end-to-end health services provider in Canada. I wanted to introduce you to Chelsea Ganam, the Director of Operations for Monarch House. She would like to discuss with you an opportunity to give all British Columbians access to timely services for children suspected of Autism Spectrum Disorder. Her proposal would reduce current government costs by 90% and assessment wait times by 83%.

We are requesting the opportunity to discuss this with you in person. Chelsea is able to meet you at the location most convenient to you at your earliest convenience.

About Unrest

Jennifer Brea's incredible film is shattering the ignorance and preconceptions of audiences. She shines a light on the stigma faced by millions of patients around the world, showing the depth and breadth of the challenges faced by ME patients, many of who are left housebound and bedbound by this devastating disease.

Jennifer's personal story provides a compelling vehicle for the broader story of ME. While working on her Ph.D. at Harvard, and preparing for marriage with "the love of her life," Jennifer came down with a high fever and serious symptoms, none of which was taken seriously by the medical community. In search for answers, she decided to start recording her experiences with her cell phone. The result is a remarkable work.

Jen Brea has been taking her documentary to film festivals around the world, where it has won numerous awards, having been short listed for the 2018 Academy Awards for best feature documentary. The success

and impact of her film has led to high profile media attention, with Jennifer making the rounds being interviewed by major and local newspapers, radio and television. She is a true hero in our cause, and we believe you will be moved, informed, shocked, and see hope in her wonderful documentary. It is not a pretty story that she tells, but she tells it very well.

Following the screening, a panel of local ME patients will participate in a Q & A.
We truly hope you are able to join us this May 12th.

Sincerely yours,

Elizabeth Sanchez Gloria Gray

Dear staff of Minister Dix ,

This is a follow up to the phone message I left this morning.

I'm writing on behalf of the of Citizens' Climate Lobby to request a meeting in Victoria with Mr. Dix during the week of Monday, May 7 to Thursday May 11.

We would like share information and answer questions that Mr. Dix might have about how BC can continue to be a leader in climate action. We have specific concerns and information about our greenhouse gas targets, the growth of LNG and fracking, and BC's fossil fuel subsidies. I'm sure these pressing issues are of concern to all MLAs and that we will find a lot of common ground on these topics.

We anticipate three or four of us will attend the meeting, including myself. I will send the names of the attendees about a week before the meeting.

We appreciate you letting us know what date and time the Minister might be available to see us.

Sincerely,

Dona Grace-Campbell

Hi Elijah, this was the original email, I hope you can open the attachment, and see details of the symposium, titled "Our Aging Population: Mobility, Wellness and Independence".

It's too late for the program, but if you could send by return email to me a general greeting from Minister Dix, and we'll read it out on the opening day,

Thanks so much,
If you need more information, you can call me at (604)-803 1069.

Thanks,
Ian

Hi Nimmi,

I'm representing the Registered Massage Therapist's Association of BC, essentially, the union of 3,900 therapists. Attached, is a release announcing their symposium (Titled: Our Aging Population: Mobility Wellness and Independence), to be held on May 5-6. The release shows the association has a long history of these kinds of conferences on health issues. If possible, they'd like a short welcoming letter from Minister Dix.

I realize this is a bit late notice, but I can vouch for the association. Could you send the letter to locke@rmtbc.ca, and send me a copy as well.

I will be in the Legislature this Tuesday at the Speaker's reception at 6:30 PM if you need more information from me.

Thanks

Hi Elijah, this was the original email, I hope you can open the attachment, and see details of the symposium, titled "Our Aging Population: Mobility, Wellness and Independence".

It's too late for the program, but if you could send by return email to me a general greeting from Minister Dix, and we'll read it out on the opening day,

Thanks so much,
If you need more information, you can call me at (604)-803 1069.

Thanks,
Ian

Hi Nimmi,

I'm representing the Registered Massage Therapist's Association of BC, essentially, the union of 3,900 therapists. Attached, is a release announcing their symposium (Titled: Our Aging Population: Mobility Wellness and Independence), to be held on May 5-6. The release shows the association has a long history of these kinds of conferences on health issues. If possible, they'd like a short welcoming letter from Minister Dix.

I realize this is a bit late notice, but I can vouch for the association. Could you send the letter to locke@rmtbc.ca, and send me a copy as well.

I will be in the Legislature this Tuesday at the Speaker's reception at 6:30 PM if you need more information from me.

Thanks

Subject: BC Coalition to End Youth Homelessness Meeting: Attendance Requested

Dear Government Partners,

Today I am reaching out for your support on a significant issue that we can and must address in British Columbia: Youth Homelessness. I am also requesting that you or a senior representative of your Ministry join us on Wednesday, May 23rd in Vancouver to participate in our first in-person meeting as a first step in ending youth homelessness. We are asking for each of 10 key Ministries to identify a senior representative (Minister, Deputy Minister, ADM) to join youth, service providers and representatives from other Ministries for this provincially-supported event.

This issue is close to my heart as a young person who began experiencing the trauma of homelessness as a permanent ward of the government. Before the age of 19, I went through 28 different moves in the foster-care system where I toted all my belongings in garbage bags. When I aged out, I ended up living on the streets of Kamloops. My life touched all the ministries including health, mental health, public safety, social development, education and post-secondary. My trajectory of healing and out of homelessness was based on the support of your government to find a way home, which included more than the bricks and mortar. Today I reach out to you as a young person with lived expertise of youth homelessness. The need is urgent and we must respond as we all have a responsibility and role to play in ensuring every youth has a way home. If one government ministry takes on the role of mom and dad, we need all the other ministries to be aunts and uncles, community to be sisters and brothers, and the private sector to be cousins. We need to be family for those youth who have none. Young people are dying without a home and there is an urgent need to develop the services they need to be successful. I know firsthand the change that can be made when young

people's potential are invested in, they will dedicate their lives to making a difference in others' lives. Youth with lived experience have the solution and we need you to listen.

In 2017, we founded BC Coalition to End Youth Homelessness which now includes more than 25 agencies from across BC and is growing every day to ensure geographic and service diversity and Indigenous representation. Our purpose is to develop a provincial plan to end youth homelessness with strategies for prevention, supports, housing, and information-sharing.

In February 2018, I had the opportunity to meet with Minister Robinson and Minister Simpson to share our strategy to develop a provincial plan to end youth homelessness. Funding was provided with the assistance of the Homeowner Protection Office, branch of BC Housing, to support us to bring together youth, BC communities, and inter-ministerial government partners to co-create priorities for a provincial plan to end youth homelessness. Please see details and deliverables on our attached one-pager.

We ask you to stand with us rooted in action to end youth homelessness in BC. Together we can make a difference in the lives of young people who are the future of our province.

Hi Andra,

Further to our conversation, I am writing today to respectfully request that an appointment be arranged so that Minister Fleming and Deputy Minister Macdonald may meet with senior representatives of BC Doctors of Optometry and me.

The purpose of the meeting is to discuss the expansion of their Eye See... Eye Learn Program in the BC school system. For clarification, I have attached a short briefing note.

Without merely repeating what you'll find in the briefing note, you will see that, at present, there are 19 participating school districts that cover over 26,000 kindergarten students. The Program provides access to a comprehensive eye exam and a free pair of glasses, if needed.

While the program is very successful, it is not, as yet, province-wide and it is this we wish to discuss with the Minister and Deputy.

Having said that, once you've had a chance to discuss this internally, I would very much appreciate it if you could give me a call at 604-684-2228 in order to confirm a convenient time to meet.

I would like to take this opportunity to thank you for your help. It is much appreciated.

All the best.

Yours sincerely,

Mike Bailey

Hi Elijah,

Yes please pack up the remainder of the scarves, and call for courier for delivery to constituency office today.

Also, included in the scarves should be one of the yellow and red flags-please also confirm that it is there.

Thank you!

Hi Jas,

I printed out the first batch of your eApp letters on my desk, and I suppose you must have taken them already. I just printed out the rest of them this morning with folders and have left them on your chair.

Dear Mr. Fullaway,

Thanks for your quick response to let us know that the Minister are not available for the May 23 meeting.

Would it be possible to identify another Ministry of Health representative who could participate, especially someone at the Director or program level that has responsibility for health issues affecting youth?

I am attaching the Coalition's strategy plan which includes an overview of relevant Ministry roles and draft priorities related to youth homelessness for your review.

Subject: BC Coalition to End Youth Homelessness Meeting: Attendance Requested

Dear Government Partners,

Today I am reaching out for your support on a significant issue that we can and must address in British Columbia: Youth Homelessness. I am also requesting that you or a senior representative of your Ministry join us on Wednesday, May 23rd in Vancouver to participate in our first in-person meeting as a first step in ending youth homelessness. We are asking for each of 10 key Ministries to identify a senior representative (Minister, Deputy Minister, ADM) to join youth, service providers and representatives from other Ministries for this provincially-supported event.

This issue is close to my heart as a young person who began experiencing the trauma of homelessness as a permanent ward of the government. Before the age of 19, I went through 28 different moves in the foster-care system where I toted all my belongings in garbage bags. When I aged out, I ended up living on the streets of Kamloops. My life touched all the ministries including health, mental health, public safety, social

development, education and post-secondary. My trajectory of healing and out of homelessness was based on the support of your government to find a way home, which included more than the bricks and mortar.

Today I reach out to you as a young person with lived expertise of youth homelessness. The need is urgent and we must respond as we all have a responsibility and role to play in ensuring every youth has a way home. If one government ministry takes on the role of mom and dad, we need all the other ministries to be aunties and uncles, community to be sisters and brothers, and the private sector to be cousins. We need to be family for those youth who have none. Young people are dying without a home and there is an urgent need to develop the services they need to be successful. I know firsthand the change that can be made when young people's potential are invested in, they will dedicate their lives to making a difference in others' lives. Youth with lived experience have the solution and we need you to listen.

In 2017, we founded BC Coalition to End Youth Homelessness which now includes more than 25 agencies from across BC and is growing every day to ensure geographic and service diversity and Indigenous representation. Our purpose is to develop a provincial plan to end youth homelessness with strategies for prevention, supports, housing, and information-sharing.

In February 2018, I had the opportunity to meet with Minister Robinson and Minister Simpson to share our strategy to develop a provincial plan to end youth homelessness. Funding was provided with the assistance of the Homeowner Protection Office, branch of BC Housing, to support us to bring together youth, BC communities, and inter-ministerial government partners to co-create priorities for a provincial plan to end youth homelessness. Please see details and deliverables on our attached one-pager.

We ask you to stand with us rooted in action to end youth homelessness in BC. Together we can make a difference in the lives of young people who are the future of our province.

Warm Regards,

Hi Adam,

Our office is also interested in getting some door name plates and possibly desk name plates as well. I've attached a few photos of what we're looking for.

We are hoping to get the three name plates the same style as "MINISTER ADRIAN DIX" but under the names "JASMYN SINGH" "AMANDA VAN BAARSEN" and "KASSANDRA DYCKE".

We will also need two frames for the name plates. However, if you can fit "AMANDA VAN BAARSEN & KASSANDRA DYCKE" on one name plate, then only one frame for the name plate is needed.

As for the desk name plates, can we please request 5 the same style as "LUCIA HANSEN" but under the names "JASMYN SINGH" "AMANDA VAN BAARSEN" "KASSANDRA DYCKE" "ELIJAH FULLAWAY" and "ERIKA MCCORMICK"

We will also need the frames for desk name plates as well. We may need 5, but will start with 3 until we get a total price.

Could you please send me proofs and total price before ordering, as well as how much each frame for the desk name plates cost?

Thanks again,

Elijah Fullaway

Could we change it to have Amanda van Baarsen and Kassandra Dycke's name on different door plates? That will mean three total door name plates, and two door frame plates. Everything else looks perfect.

Hi Adam,

Our office is also interested in getting some door name plates and possibly desk name plates as well. I've attached a few photos of what we're looking for.

We are hoping to get the three name plates the same style as "MINISTER ADRIAN DIX" but under the names "JASMYN SINGH" "AMANDA VAN BAARSEN" and "KASSANDRA DYCKE".

We will also need two frames for the name plates. However, if you can fit "AMANDA VAN BAARSEN & KASSANDRA DYCKE" on one name plate, then only one frame for the name plate is needed.

As for the desk name plates, can we please request 5 the same style as "LUCIA HANSEN" but under the names "JASMYN SINGH" "AMANDA VAN BAARSEN" "KASSANDRA DYCKE" "ELIJAH FULLAWAY" and "ERIKA MCCORMICK"

We will also need the frames for desk name plates as well. We may need 5, but will start with 3 until we get a total price.

Could you please send me proofs and total price before ordering, as well as how much each frame for the desk name plates cost?

Hi Adam,

Our office is also interested in getting some door name plates and possibly desk name plates as well. I've attached a few photos of what we're looking for.

We are hoping to get the three name plates the same style as "MINISTER ADRIAN DIX" but under the names "JASMYN SINGH" "AMANDA VAN BAARSEN" and "KASSANDRA DYCKE".

We will also need two frames for the name plates. However, if you can fit "AMANDA VAN BAARSEN & KASSANDRA DYCKE" on one name plate, then only one frame for the name plate is needed.

As for the desk name plates, can we please request 5 the same style as "LUCIA HANSEN" but under the names "JASMYN SINGH" "AMANDA VAN BAARSEN" "KASSANDRA DYCKE" "ELIJAH FULLAWAY" and "ERIKA MCCORMICK"

We will also need the frames for desk name plates as well. We may need 5, but will start with 3 until we get a total price.

Could you please send me proofs and total price before ordering, as well as how much each frame for the desk name plates cost?

Thanks again,

Elijah Fullaway

Also, would you be able to give me an update on RSVPs next week so I can confirm with the hotel?

I'm also wondering if you've included members of the Green Party in your distribution?

Finally, I thought I would mention that we've heard back from Minister Dix's office and he has agreed to provide an opening address for the event.

Thank you again for all your help with this event!

April 11, 2018

Dear Honorable Adrian Dix,

Physical & Health Education Canada (PHE Canada) and Physical Education in British Columbia (PE-BC) invite you to attend the Welcome Reception and Opening Ceremonies of our 2018 National Physical and Health Education Conference. These events will take place at the Whistler Convention Centre (Whistler, BC) on May 17-19, 2018. The Welcome Reception starts at 5:00 pm on **Thursday, May 17**, followed by the Opening Ceremonies at **7:00 pm**. We would be delighted if you would bring remarks on behalf of your ministry to PHE Canada and PE-BC at the **Opening Ceremonies**.

The 2018 National Conference supports Physical Education in British Columbia's mandate to provide leadership, advocacy and resources for teachers of physical education. Similarly, this conference supports PHE Canada's role as the country's premier professional organization for physical and health educators, developing resources, policy understanding, and networks to ensure all children and youth lead healthy, active lives.

The 2018 National Conference provides an opportunity for delegates from BC, across Canada, and internationally to network with colleagues and increase their knowledge and skills so that they may continue to foster healthy active living for children and youth in the school community and beyond. This year's focus is on supporting indigenous educational programming, equity and inclusion, outdoor play and research to practice. We currently have delegates and presenters confirmed from several Canadian provinces, the UK, and the US participating in and facilitating sessions ranging across PE/HE and related fields such as Mental Health/Wellness, LGBTQ+, physical literacy, and a host of other professional development opportunities. For more information about our conference, please visit:
<http://www.phecanada.ca/whistler2018>.

We look forward to hearing from you and hope that you will be able to join us as we celebrate the educators, physical activity leaders, administrators and academics who will support our future generations in embracing personally meaningful active and healthy lives.

Sincerely,

Lisa Manzini

Hi Jasmyn,

Please find attached the draft Farmer's Market response for your approval as requested.

Staff provided the following comment:

We have received clarification from BC Association of Farmers Markets on this. They can confirm 3,708 as the number of households they reached last summer in the 2017 season. The below reference to an increase to 3900 households refers to the increase by end of March **2019**. The total increase in number of participating households by March 2020 will be 450 for a total of 4158 households.

So, suggest changing the below snip to:

“.... By March 2020, the number of expectant mothers participating in the program will also increase by 450, and the number of participating households is expected to rise from 3708 to 4,158.”

They also inserted Minister Popham's name for your consideration. Of course feel free to remove or keep.

Many thanks,

Hi all,

I don't know who will see it first, but a piece of correspondence is expected from the Regional District of Powell River regarding modular housing is expected to arrive soon. Hardcopy was mailed two weeks ago. I had asked that they also email it. When it does arrive, it needs to be assigned for a MinSig asap. MLA Simons has briefed me on the urgency.

Thanks much,

Good morning Lucinda and Melissa,
On Tuesday May 10, 2018 we will be sending an embargoed copy of the report *Promoting Healthy Eating and Physical Activity in K-12: An Independent Audit* to Minister Dix and Minister Fleming. Auditor General Carol Bellringer would like to offer a briefing in advance of our anticipated release date of May 17, 2018.

Should the Ministers wish to meet, Carol is happy to do so at our Office, or at one of theirs, or by phone if that is preferable. The briefing can be held together or separately if that works better for their calendars. I have listed a couple of options that are currently available in Carol's calendar below:

- Friday May 11th – any time
- Monday May 14th – any time
- Wednesday May 16th – any time after noon

I anticipate that 15-30 minutes will be all that is required.

If you would like me to block any of these time slots, please let me know. Alternatively, if there is another time that would work better for the Ministers, please feel free to contact me by email or by phone and I can look at shuffling appointments on our end.

Thank you very much,
Virginia

Good morning Lucinda and Melissa,
On Tuesday May 10, 2018 we will be sending an embargoed copy of the report *Promoting Healthy Eating and Physical Activity in K-12: An Independent Audit* to Minister Dix and Minister Fleming. Auditor

General Carol Bellringer would like to offer a briefing in advance of our anticipated release date of May 17, 2018.

Should the Ministers wish to meet, Carol is happy to do so at our Office, or at one of theirs, or by phone if that is preferable. The briefing can be held together or separately if that works better for their calendars. I have listed a couple of options that are currently available in Carol's calendar below:

- Friday May 11th – any time
- Monday May 14th – any time
- Wednesday May 16th – any time after noon

I anticipate that 15-30 minutes will be all that is required.

If you would like me to block any of these time slots, please let me know. Alternatively, if there is another time that would work better for the Ministers, please feel free to contact me by email or by phone and I can look at shuffling appointments on our end.

Thank you very much,
Virginia

Hi Lucinda,

Hope you had a great long weekend! I've attached three eApproval letters from MLA's assigned to you that the Minister has not yet signed. They are for your review, if any changes need to be made. If there are any changes, it may be easiest for you to make notes of what needs to be changed in the word document and have it returned to myself to have the changes prepared.

I'll send a tracking sheet shortly of all eApproval letters requiring a signature that have yet to be signed. Let me know if you have any questions.

Thanks!
