

Top 100 Most Expensive Prescribed Medications for 2016-2018

0

Filename Top 100 Most Expensive Prescribed Medications for 2016 to 2018 .xlsm

Data source 1 PharmaNet

Extract date 2017-01-26

Notes

- 1 Date range for 2018 is 2018-01-01 to 2018-12-22
- 2 EDRD drugs and AMD drugs are not included in the search because these programs are managed by the Provincial Health Services Authority.
- 3 Much of the information regarding high cost drugs that BC PharmaCare covers can be accessed by the public through the following link: <https://www2.gov.bc.ca/assets/gov/health/health-drug-coverage/pharmacare/hi-cost-mrkup.pdf> . However, in order to ensure a comprehensive response, the information was pulled from the PharmaNet database.
