Michael Chang is going to lots and lots of Korean events; even though I have some good connections, I don't seem to be getting invites as often as I did before. I use to go to this group's events quite often. Are we receiving invites from Korean groups recently?

Let's call Michael up and ask him to re-connect us.

Hi Rob,

Happy holidays, Rob! I hope you were able to get a few days of rest.

I just want to follow up on the request for an invitation letter to the Young Ambassadors (students) from China National Children's Centre, who eagerly awaits for your letter as part of the process of planning a trip to B.C. in 2019. Here is a sample letter of what the letter could look like, if you wish to have something as a reference. I hope this is helpful :)

Would it be okay to have a copy of the letter by the end of this week or beginning of next?

Warm wishes, my friend,
Anne Kang

On behalf of the Ministry of Education of British Columbia, I am delighted to extend my warm welcome to the Young Ambassadors from China National Children's Centre who intend to visit BC, Canada in Summer 2019 to promote cultural and educational exchanges that have been a long standing relationship between China and Canada. I appreciate this Young Ambassadors Summer Program organized by China National Children's Centre, as the program provides elementary school students and secondary school students in China an unrivalled opportunity to come to British Columbia, Canada to experience the unique and progressive Canadian lifestyle.

BC's education system is one of the top in Canada and world wide. (Talk about the wonderful things of B.C. ED). It would be a pleasure to share and exchange the great things we do here in British Columbia with students from China.

I am confident that these Young Ambassadors from China will find British Columbia to be a beautiful place that they will want to return in future and perhaps our students may get to know the Young Ambassadors through the Summer Program and make new friendships.

We look forward to welcoming students from the Young Ambassadors Summer Program 2019 and I wish every Young Ambassador a joyful summer in BC, Canada in 2019.

Friends:

I am the chair of the elder law committee of the American College of Trust and Estate Counsel. Our group is holding its summer meeting in Vancouver at the Westin Bayshore from June 27 to June 30. One issue that has been of great interest to our members, who are attorneys throughout the US, is how individual states tackle the thorny issue of elder financial abuse, and if this is an area your office has paid particular attention to and would have a speaker who could make a presentation to my committee of 30 to 45 minutes I would be most happy to issue an invitation. And if there are other governmental agencies that are more appropriately involved in this issue, I'd be pleased if a representative of your office could so direct me.

Dear MLA: Anne Kang,

CCSA (Canadian Community Service Association) will host its 17th annual Vancouver Chinese Spring Festival on **January 20, 2019 at 6:00PM**. The event will take place at **Floata Seafood Restaurant** (400-180 Keefer St) *Vancouver*, BC. Around 1000 people will take part in this event. We hereby, are pleased to invite you to attend this special event as a VIP guest. We also look forward to your honorary greeting letter for our event.

Chinese Spring Festival is an important traditional Chinese holiday, also known as Lunar New Year. Traditionally, the festival was a time to honor deities as well as ancestors, and to make best wishes for the coming year.

Often, Chinese Spring Festival is an occasion for Chinese families and friends to gather for the annual reunion dinner, which is comparable to Christmas dinner in the West.

In the past sixteen years, we are honored to have received tremendous amount of support from the government of Canada, Chinese Consulate General in Vancouver, and many local communities.

Once again, we are pleased to invite you as the honored guest. We really appreciate that your honorary greeting letter for this event. Please contact us with your confirmation and feel free to express your questions or concerns. We also look forward to your honorary greeting letter for our event. Thank you!

Sincerely yours,

Hi Anne!

Please see the quote below, as well I've included general info about tomorrow as an fyi:

Anne Kang, Parliamentary Secretary for Seniors –

"Nanaimo and Parksville are vibrant communities, and seniors living here deserve the very best care. This investment will help improve the lives of seniors and others living in residential care, and it will go a long way to better support staff who work incredibly hard and do a great job."

The media advisory states that this will be update on seniors' services in the region.

Hello, MLA Anne Kang,

Thank you for being able to attend the celebration for International Migrants Day at the Roundhouse Community Centre tomorrow Dec 18. The event starts at 7 pm.

If you want to share a few words about the importance of the International Migrants Day, we will appreciate that. MLA Mable Elmore will be attending as well and will be giving a few words as well.

Just a note that Migrante BC was able to get a proclamation from the new Mayor of Vancouver proclaiming Dec 18 as International Migrants Day in Vancouver. We hope to be able to get one from Burnaby for the next year!

See you tomorrow !

My apologies for the confusion. Let's purchase one \$20 ticket. Thanks! They will give me one ticket for free, but I will bring a plus one, and I will personally pay for both of my kid's tickets.
