Hi Adrian,

So Villa Cathay already sent out invitations to donors and are unwilling to change the date from this Friday - May 25th.

This was the proposed ground-breaking for the rebuilding of Villa Cathay – the Chinese care home in Strathcona.

Carlene has been going back and forth with Vancouver Coastal (\$55 million was provided by VCHA) but they do not appear willing to intervene on either recalling the invitations or not inviting the media and having a donor only event this time, saving the media ground-breaking for Seniors Week.

At this point I can either invite Anne to speak this Friday and hope that she is free, or we can push back harder and insist.

What do you think?
