Subject: Invitation for Ms. Anne Kang - Legion Veterans Village Groundbreaking Thurs. May 23, 2019 April 29, 2019

Ms. Anne Kang
Parliamentary Secretary for Seniors
Parliament Buildings
Victoria, BC V8V 1X4
Dear Ms. Kang,

On behalf of the **Whalley Legion Branch 229** and the **Royal Canadian Legion BC/Yukon Command**, I would like to cordially invite you to join us for the official groundbreaking event for our **Legion Veterans Village** project.

The **Legion Veterans Village groundbreaking event** will take place **Thursday, May 23, 2019** at our **Whalley Legion Branch 229 location, 13525 106 Ave., Surrey, British Columbia** from **10:30 a.m. to 1 p.m.** The event will commence with a parade march around the neighbourhood by our Legion members, community organizations and cadets, a formal speech presentation, and culminate with an invite-only reception at the Ukrainian Orthodox Cultural Centre (10765 135a St, Surrey). Media will also be invited to this groundbreaking event.

The \$112-million two-phase Legion Veterans Village project will be Canada's first Centre of Excellence for Veterans and First Responders focusing on post-traumatic stress disorder (PTSD) and mental health. Phase one includes a twenty-storey centrepiece, mixed-use building inspired by the forms of the Canadian National Vimy Memorial in France. This building will feature the Centre of Excellence and the Innovation Centre for Rehabilitation, offering clinical rehabilitation services, research and the delivery of health care programs, services and trauma counseling for PTSD and mental health.

It will also house a new 10,500 square-foot, state-of-the-art facility for the Whalley Legion Branch 229, as well as 148 market housing units, and 48 affordable housing units for veterans and their families. The second phase, and complement to the Veterans building, is a new twenty-six storey building that consists of 325 market housing units.

Led by the BC/Yukon Command of the Royal Canadian Legion, together with our Whalley Legion Branch 229 and the Lark Group in Surrey B.C., this unique multi-purpose facility is

envisioned to be the first of many such projects across Canada. This innovative project is positioned to change the current standards of care for veterans, first responders and citizens in the Canadian communities it serves. Our goal is to meet the critical needs of our valuable veterans and first responders, providing them with the programs and services that will help them heal and recover.

The Legion Veterans Village will be a major step forward in providing:

- Centre of Excellence in PTSD and Mental Health: The project includes integrated support facilities and services with core clinical and research components, including mixed medical services and an Innovation Centre for Rehabilitation;
- Transitional housing and crisis support facilities for veterans and first responders;
- Affordable and Rental Housing: 48 units of social and affordable housing through BC Housing to serve the local community as well as veterans, first responders, and their families;
- Legion & Multi-Cultural Community Spaces: A new 10,500 sq. ft. Whalley Legion facility, cadet training hall, coffee shop/restaurant and multi-cultural community space – creating a true village and community of care.

A key priority will be the integrated delivery of a continuum of programs and services for veterans and first responders, and will also contribute training and research towards new practices, interventions and technologies in engineering, robotics, exoskeletons, and advancements in neuroscience, etc.

The construction for the Legion Veterans Village will commence this summer, following our groundbreaking event, with completion slated for spring 2022.

The Whalley legion has been serving the community at this location since 1960. We are excited to see this monumental project as a legacy for our branch, as well as a symbol of what a future, modern Legion can mean to veterans, first responders and our communities.

We hope that you can join us at our groundbreaking event as we celebrate and usher in the next era for the Legion.

Yours sincerely,

Anthony Moore, KStG

President, Whalley Legion Branch 229

Dear Ms. Kang,
The BC Pharmacy Association invites you to our Pharmacy Excellence Awards Gala, which takes place on May 11, 2019 between 5:45 pm to 9:30 pm at the Hyatt Regency

Vancouver.

Each year, this gala recognizes the achievements of British Columbia's pharmacists making an impact to patients and B.C. communities. The gala is attended by hundreds of pharmacists and health-care professionals whose mission is to improve the quality of care in the province.

Burnaby-Deer Lake constituent Dr. Alan Low, Primary Care Pharmacist and Pharmacy Lead at BioPro Biologics, will be recognized for his innovative work in pharmacy.

Given health is a priority for legislators in the province, we think this would be a great event for you to learn first-hand how pharmacists work to promote high-quality patient care for British Columbians.

The BC Pharmacy Association will be handling the official Media Release announcement. The award recipients will be announced in the evening at the Awards Gala on May 11. We will not be making the winners know publicly until that evening on social media.

The BC Pharmacy Association represents more than 3,200 dedicated and highly-trained community pharmacists to provide much needed therapies and services to patients throughout B.C. We play a critical role in improving access to better and more efficient services and seek ways in which to respond to the ever-growing demands on the primary care system.

Devyani Basoodetsing, Executive Assistant to the CEO and Board, will reach out to you and your staff to provide more information and to discuss this invitation. She can be reached at devyani.basoodetsing@bcpharmacy.ca or by phone at (604) 269-2884.

We look forward to your attendance at our Awards Gala.

Hey Lucinda,

Wondering what PSAK's schedule is like on May 31st? We are having the official opening of Residence on 6th, a new 74 unit affordable seniors rental apartment in Peachland. The units are for seniors and people with disability. Since it is seniors housing thought I'd reach out and see if this event interested the PS? It is the day after session and would require booking a flight.

Dear Ms. Kang —

Peter Feniak here, writing on behalf of "Good Times" magazine, with a request for an interview with you -- by phone --on the subject of seniors and seniors programs in B.C.

I believe Meribeth Burton may have forwarded a letter of request to you on my behalf. I've kind of jumped around looking for the best person to speak with. Glad that I found you.

"Good Times" is a glossy national magazine circulated mostly by subscription to a monthly readership of some 600,000 Canadians.

"Good Times" is published in Montreal, I'm a contributing writer based in Toronto. Seniors make up a large percentage of the magazine's readers.

We're doing a series of feature articles in which we introduce key elected officials who speak for and about seniors.

Thus far, that has included features on ministers from Alberta, Saskatchewan and Nova Scotia, in addition to the federal minister.

Innovative programs, newly vigorous 'younger seniors', longterm care, isolation and loneliness, transportation and housing — all of these subjects

have emerged over the course of these interviews.

I'd want to talk with you about the successes and challenges of the government's work to support seniors, about what you hear from seniors and their associations, about your own (early? lifelong?) contact with elders.

The proposed telephone interview would take @ 20 minutes. No pressing deadline. Happy to do some research specific to B.C.

It would be great to speak in June.

As for the 'presentation' of the feature in the magazine, we hope to have access to a few hi-resolution photos to choose from (portrait, plus 'in action with seniors')

Thanks very much.

Hope we can do this.

Best,

Peter F
