

\*\*\*\* Important Notes:

Only Change of Gender Applications which were both received and processed within the specified *Date Range for Record Search: From 01/01/2014 To 08/13/2019* were included in these numbers

Some individuals submitted multiple Change of Gender requests. If they submitted Change of Gender requests in different years, they would appear in counts for each year.

In determining the fees collected for new birth certificates - where birth certificates were NOT ordered directly on the same Application for Change of Gender, birth certificates ordered within the 6 months following the application were also included.

1. Number of people who submitted "Applications for Change of Gender Designation (Adult)" **1164**

By Year
