Can you confirm how these requests are handled? At this time, I await word from your office about where I can support the Minister by attending. And I have not responded to anything directly. Should there be a pro forma email response so people know their request has been noted?

Thanks
Ronna-Rae

Good afternoon,

I'm following up on two meeting requests on behalf of the Jewish Community Centre. Executive Director, Eldad Goldfarb, would like to brief Parliamentary Secretary for Seniors, Ronna-Rae Leonard, on the JCC's plans to develop an inter-generational community centre and social housing.

Would PS Leonard be available for a tour of the JCC's Vancouver facilities?

Thanks for your consideration, and I look forward to hearing from you.

Keeping your information secure is a high priority for government. Using the web-based Password and GAL Manager application (accessible from <https://77000.gov.bc.ca>) to reset your IDIR password eliminates the need to verbally share confidential information, such as your password. (Note: You may be receiving this as a reminder if our records indicate that you have not set up your security profile.)

From this application, you can also manage some of your Global Address List (GAL) information. The GAL is a directory in the Government's Exchange e-mail system and contains information such as your business address and telephone numbers. You can see your entry by clicking on the address book icon in Outlook and typing in your name (lastname, firstname).

To get started, you need to set up your security profile:

Use Internet Explorer to log on to the Workstation Services website at <https://77000.gov.bc.ca>. You will need to enter your IDIR and password.

After logging on to the site, set up your security profile:

1. Click "Update GAL Info" on the left side of the Welcome Page
2. Read the statement on the privacy page.
 - If you choose "Decline", you will be returned to the Welcome page and you will not be able to manage your GAL information. You may come back at any time to accept the statement.
 - If you choose "Accept", you will proceed to "Update GAL Info and Set Up Security Profile."
3. Answer a short series of questions to complete your profile.

(Note: You will need to remember the answers to these security questions.)

Service Desk personnel are NOT able to read your security data, and the storage of this information is highly secure.

By setting up your security profile as soon as possible, you will avoid follow-up reminders.

Once you have set up your security profile, you can:

1. Change your IDIR password.
2. Update your contact information in the Global Address List (GAL).

If you have something specific you'd like me to say or if you have specific info about the region, that would be helpful – demographics, projections on long term care bed needs, limitations on access to care for seniors, etc?

I heard there are some challenges with Golden Life and VCH that some advocates want to chat with me about after the meeting.

Hi PS Leonard,

Received this invitation from MLA Simons' office for your consideration—it is to speak on a panel with MLA Simons and MP Rachel Blaney. Details below:

What: **Seniors Together Presentation, on March 19 from 11am to 12pm.**
Location: Recreation Complex 5001 Joyce Ave. POWELL RIVER, BC, V8A 5R2

Details: Every month, a group of 100-250 seniors from Powell River come together to listen to a speaker on topics that are important to them (topics are chosen by seniors for seniors). For the month of March, they've invited their local MLA Nicholas Simons to speak, and he suggested a panel to include the MP and yourself if you so incline. Each speaker will have 15-20 minutes to speak (note, the minutes will change according to # of speakers on the panel). The panel will conclude with a 20 minute Q&A.
FYI Last month, the topic was on Powell River Hospice

Topic: A discussion on government's role on seniors issues. The MLA office advised that they'd like for the panel to include the following: 1) what our gov't has done for seniors 2) what our gov't is currently doing 3) what our future plans are. They're also interested in the Advocate for Seniors, and her report.

Please let me know if this is something you'd like to do. We can put together materials for you, as well as brief you on region-specific issues. As well, do let me know if you have questions, or require anything further.

Warmly,
Thuy
