Afternoon,

Darren Entwistle is hoping to set up a meeting for this Friday between you and Carole regarding "telecom affordability". I have no other information then this though I've been promised more.

At this point unless the meeting were at 4:30 and Carole wanted to fly over for it, it would not be possible.

While I will pass this information along, Allie has called me twice in the very brief window between now and when this email was sent to follow up on whether it can happen.

Hi Amanda,

My colleague Julie passed on your information to me, I was hoping to set up a meeting with **Darren, Adrian and Carole** in the coming weeks.

Will Adrian be in town?

Please let me know what you think,

Thanks,

Allie
