I'm told the plan is to post publicly tomorrow afternoon.

The reasons cited for extension are similar to the ones at Comox Valley – progress has been made, more time and work needed to put systems in place and ensure improvements on staffing (an in the case of Nanaimo, care planning & wound care) can continue under operator.

Excerpt from IN below.

- On May 20, Island Health's Board extended the appointment of the Administrator to at least July 31, 2020, after reviewing the recommendation from the MHO.

The news release on the Island Health support for a public dementia village went out and I should have paid closer attention to the details at the start of the quote before approving. I live in the Comox Valley, not Comox. And I have been here for 30 years, not 25. My poor excuse is that one awkward piece of grammar distracted me, but I would like to get the source (wherever my bio is that is being used) fixed.

<https://www2.gov.bc.ca/gov/content/family-social-supports/seniors/about-seniorsbc/news-and-events/news-archives/bc-seniors-week>

PS Leonard is interesting in doing a video in recognition of BC Seniors Week. Can you assign a member of the team to draft a script for PS Leonard? She can film where she is in Courtenay-Comox and we can amplify next week.

Can we also brainstorm a couple ideas for her – of proactive comms products? For example, a video based on warm weather safety for seniors in time of COVID-19: <http://www.bccdc.ca/about/news-stories/stories/2020/warm-weather-safety-in-a-time-of-covid-19>

Looking forward to the team's ideas and work!

To support seniors during COVID-19, B.C. is funding added supports through local community service agencies and the expansion of bc211 to the North and Interior. Now, seniors throughout the province can call 2-1-1 to connect with local volunteers who are ready to help with things like picking-up groceries and prescriptions, meal delivery, friendly phone calls and virtual social visits.

Great!

Let's talk more. I need to check out the CDC reference. I can see if my youthful videographer can help over the weekend.

Hi Hannah,

Senior's week starts June 1! The top search in google for "BC Seniors week" is this video from 2013: <https://www2.gov.bc.ca/gov/content/family-social-supports/seniors/about-seniorsbc/news-and-events/news-archives/bc-seniors-week>

PS Leonard is interesting in doing a video in recognition of BC Seniors Week. Can you assign a member of the team to draft a script for PS Leonard? She can film where she is in Courtenay-Comox and we can amplify next week.

Can we also brainstorm a couple ideas for her – of proactive comms products? For example, a video based on warm weather safety for seniors in time of COVID-19: <http://www.bccdc.ca/about/news-stories/stories/2020/warm-weather-safety-in-a-time-of-covid-19>

Looking forward to the team's ideas and work!

Thank you,
Lucinda
