Happy Canada Day Ronna-Rae!

I enjoyed your virtual parade this morning.

Please find attached a **script for you re: LTC/Al visitations**. Please make changes necessary to better fit your style.

In preparation for your meeting tomorrow with the Raging Grannies, Lucinda's asked for **meeting notes**. Please see attached.

I am also including a handy **10-point doc on actions taken for LTC** that Lucinda had previously prepared, and notes pulled from the June 30 media avail that touches on what visitations will look like moving forward.

I will join you in the meeting tomorrow, but please don't hesitate to connect if you require anything further.

Another Telus bill notification.

Any chance we can work on ordering me a gov iPad? I will be at the Leg next Wednesday to Friday.... It's time consuming to have to forward documents to my Leg devices so I^{s.22} can see them on a screen bigger than a couple of inches wide.

Thanks for considering,

Hope that went well enough. I don't think they had a particular ask. Only invitation to a demonstration in Victoria.
Should I do any kind of follow up, like sending them materials outlining the direction we have taken after inheriting the
Liberal concoction for seniors care? Glad you were taking notes!

12:15– pre-brief

Subject: Re: virtual event next week?

I am on Chair duty until noon and then again starting at 1:30 on Friday. It looks like it's about a 10 minute drive. My first such duty is on Thursday, and I haven't been on Little House duty at the end of the morning yet. I will check about when the session usually ends. In the past, pre-COVID19, the chair would report out to the speaker in the Big House about 15 minutes before the hour. If there's wiggle room, I would be very pleased to be part of the celebration opening.

Good afternoon Ronna-Rae,

Our office is working on an announcement to provide updates on seniors moving into the Summit facility (NR here:

We're excited to showcase the new facility.

We're wondering if you would be interested in being a part of this event with Minister Rob Fleming obo Minister Dix? It will be virtual and with media. The time proposed is Friday, July 10 at noon.

Thanks for your consideration, and please don't hesitate to call if you have questions or wish to discuss further.

PS Leonard's dial in: s.15; s.17

- She should dial in at 10:25 – this will give us a chance to test her audio in advance
 - IF SHE IS NOT AVAILABLE at 10:25, please ensure someone can dial in from the same phone that she will use and keep the connection open from 10:25 onwards consistently.
- There is no passcode
- Ideally she should call from a landline or a cell in a good service area.
- No speaker phone, do not use a speaker phone. PLEASE CONFIRM THIS
- When she dials in, the call will initially be answered by a recording. It will take about a minute or so for someone to answer her – a human that is. When the phone is answered she should say "I'm Ronna-Rae Leonard and I am one of the speakers on this event"

A few suggested edits, for your consideration. Please feel welcome to use/not use as you feel fit (highlighted below)

Congratulations to Qmunity, 411 Seniors Centre, Gordon Neighbourhood House, West End Seniors Network, South Granville Seniors Centre, and Haro Park Centre! I tip my hat to everyone involved in this impressive effort to host this virtual "Aging with Pride" event. It is a welcome antidote to the malaise of COVID-19, in a year that is unlike any other.

In the 1990's, I had the honour of knowing Jim Egan, a gay rights activist, who went to the Supreme Court of Canada to seek spousal Canada Pension benefits for his life partner, Jack Nesbit. Although the case was lost, the court unanimously ruled that sexual orientation is a prohibited ground of discrimination under the Charter of Rights. This has been the springboard for many successive successes for LGBTQ+ rights in Canada.

I was lucky to have Jim as a mentor and an inspiration. He demonstrated that age is not a barrier to living well and with pride. The wisdom of years of experience bolsters the courage to act.

I thank you for creating the "Aging with Pride" event and for continuing to create community, as Jim did and taught me to do. It is my utmost pleasure and privilege as B.C.'s Parliamentary Secretary for Seniors to welcome guests to this virtual event.

Happy Pride!
