It's to help VIHA manage, and good to anticipate #s. We don't imagine needing the full 100 attendees space though

We are talking about the rsvp. What is its purpose, if the link is in the invitation?
Thanks

Hi Ronna-Rae,

Yes can send it to 1100—will need to know that space is limited so if they can kindly RSVP to the email listed in the invite – Shawna Cadieux.

As for SNs and agenda, staff will flip this over ASAP.

As for the panelists, please join the link 30 minutes beforehand and we can do a quick tech run through and prebrief before broadcasting live. What email will you be using when you're on Zoom? I will add you as panelist using that email address.

Thank you
Thuy

Good morning Thuy.
So I can send to my constituent email list of 1100?
Also, will I be getting an agenda and speaking notes? Will there be a private call in for prettied?
Thanks
Ronna-Rae

Good morning Ronna-Rae,

Thank you for the phone call yesterday. Sorry I couldn't flip over the invitation yesterday evening.

Please find attached the invitation sent out to PCN stakeholders. Kindly share this with you constituent so that they can participate. Feel free to revise and personalize the invite to better suit your style.

As discussed, it will be a good idea to also share the link publicly so that folks in your network can watch the event live:
