Filename CFR HTH-2021-10544 Physician counts by specialty and MSP practice status.xlsm

Data source 1 Medical Services Plan

Extract date 2021-02-24

Notes

- 1 Medical Services Plan practice status is presented as of February 1st in each year. Note that MSP practice status is reflective of a physician's eligibility to bill or report through the Teleplan system. It does not indicate that a particular physician billed/practiced in a given time frame.
