Alt:

A COVID-19 VACCINE HAS BEEN RESERVED FOR YOU, **FIRSTNAME**.

Commented [PNG1]: Please note, all text in blue will be customized to recipient.

PERSONALIZED LETTER

Dear **FIRSTNAME**,

Did you know that a COVID-19 vaccine has been set aside for you?

Getting vaccinated is also more convenient than ever. Public health staff will be ready on the following dates to vaccinate people in your community.

WHEN	WHERE	ADDRESS
July 12-17 10:30 am – 5:30 pm	Prince George Conference & Civic Centre	808 Canada Games Way, Prince George
July 15-18 12 pm – 4 pm	Pine Centre Mall (old Le Chateau location)	3055 Massey Dr, Suite 156, Prince George
July 19-24 10:30 am – 5:30 pm	Prince George Conference & Civic Centre	808 Canada Games Way, Prince George
July 26-31 10:30 am – 5:30 pm	Prince George Conference & Civic Centre	808 Canada Games Way, Prince George

There's no need to register in advance. Just show up and get vaccinated. It's that easy.

You'll be joining millions of British Columbians who have already stepped up and got their first dose. They've been a big part of how BC has slowed the spread of COVID-19.

But for us to really put the pandemic behind us we need to get more people in your community vaccinated.

Canada's approved vaccines have been extensively tested to make sure they're safe. And best of all, they are very effective. If you want to learn more, you can visit bccdc.ca.

As more British Columbians get vaccinated, day-to-day life is slowly returning to normal. But COVID-19 isn't gone yet, so we all need to do what we can to protect each other.

And getting vaccinated is the best way we can protect each other against the variants and ensure they can't mutate and spread.

I'm hoping we can count on you. So please, if you haven't yet been vaccinated but are able to, come visit us on a day listed above!

And watch the Northern Health website at northernhealth.ca and the NH Prince George community Facebook group at facebook.com/groups/PrinceGeorge for new drop-in clinics that may be added later!

Better days are within our reach. Until then, let's keep doing everything we can to keep your friends and neighbours safe.

Sincerely,

Dr. Bonnie Henry

P.S. If you can't make it to any of the clinics listed above, that's ok. You have other options. You can easily and quickly register at getvaccinated.gov.bc.ca or by calling 1-833-838-2323.

Commented [PNG2]: Include simple poster with time, location, details and map

Hi Bonnie,

I believe Nammi sent a draft letter for your approval last week which we plan to send out to unregistered/unvaccinated people in NHA (Fort St. John, Dawson Creek and Prince George). This letter has been updated and attached is the final version which will be formatted on MOH letterhead with your signature. We'll also be sending the same letter to 12 communities in IHA on Friday.

We are hoping to get your sign off on the letter so we can send it out as soon as possible.

Thanks,
Liz

Subject: Urgent approved messaging needed CLIFF 1202894

Good morning Haley,

So we have been getting a flurry of phone calls in the last couple of days from people that received a letter from their regional health authority. According to the incomings, the envelop of the letter has in big blue font, "THERE IS A COVID VACCINE RESERVED FOR YOU". The callers are very angry that the message is written on the envelop of the letter, where anyone that handled the letter can see the person's name and address. Most people are complaining that this is a huge privacy issue regarding their medical information.

I am wondering if you can provide some sort of approved response to this recent development, that we can relay to the incoming clients. I have a feeling the PHO office will also be getting a flurry of emails regarding this issue as well. Most people wants to know which office made the decision to put that message right onto the envelop.

Thank you!

Sorry, I haven't had a chance to attach this incoming into CLIFF yet, only to eapps. PCR and PHO has been (and potentially will be) getting a flurry of incoming calls and emails from people who's main complaint is about the envelop. They don't like the fact that the envelop essentially tells everyone who handles the letter that the person at this address is not vaccinated.

Michael

Hi Martin,

OIPC, GCPE and MO are aware of similar complaints. I'm copying Tiffany Nelson who I believe is the government communications lead working on this to ensure there is a coordinated response.

Thanks for flagging this.

Liz

Subject: Complaints coming in about recent COVID-19 mail out to unimmunized people
Importance: High

Hi Penny, Liz, Bonnie,

Public and Client Relations reached out to inform us that we have been getting a flurry of phone calls in the last couple of days from people who received a letter from their regional health authority. The envelope of the letter has in big blue font, "A COVID-19 VACCINE HAS BEEN RESERVED FOR YOU". The callers are very angry that this message is written on the envelope, where anyone that handled the letter can see the person's name and address – and the fact that this is meant for people who have not yet chosen to get immunized. Most people are complaining that this is a huge privacy issue regarding their specific medical information.

We managed to get a copy of one such letter and the envelope it came in, attached.

Let us know how you want to answer these complaints.

Cheers,

RE: IHA letter

Yes, these were sent out by ImmunizeBC and yes, I have passed on concerns about having that info on the outside. It doesn't necessarily imply they haven't been vaccinated (it could be a second dose waiting) but agree I was not aware it would be on the outside like that and have asked them to stop sending and revise.

I did approve the letter on the inside.

Hi Brian and Bonnie,

Jo Tyson from Corp Ops called and advised that they have been receiving complaints about the letter below. Can you confirm if these letters are legitimate?

Ashley Halicki | Executive Administrative Assistant
Office of the Provincial Health Officer, Ministry of Health

Offering acknowledgement in respect of the Lekwungen-speaking peoples, traditional keepers of this land, and the Songhees, Esquimalt, and WSÁNEĆ peoples whose historical relationships with this land continue today.

This message, including any attachments to it, is not to be disclosed outside of the Provincial Government without prior written approval from the Ministry of Health. If you have received this communication in error, please destroy the email message and any attachments immediately and notify me by telephone or by email.
