Definitions

Term	Definition
Confirmed Quantity	Sum of Doses to date and Doses on Order.
Doses on Order	Number of doses that have been submitted as orders, but have not yet arrived.
Doses to Date	Number of doses that have been confirmed as received at the site
Order Status: Complete	This order has been delivered
Order Status: Due	An allocation has been received for this week from the NOC, but our order has not yet been submitted
Order Status: Locked	The order for this week has been submitted, and the change deadline has passed. It will be shipped as shown barring unforeseen complications from the manufacturer
Order Status: Projected	Definite order number have not yet been received from the NOC for this week, and numbers shown are projected only
Order Status: Submitted	The numbers for this week have been submitted to the NOC for order, and will be shipped as shown, according to expected timeline unless a change order is submitted

Color Scheme (Moderna & Pfizer):

A week that is filled with the following color denotes that it was pulled from Innomar Reserve, and not from a NOC allocation

Hi all,

Here is the information for week 45. I am confirming some details regarding the early delivery of Moderna and will update shortly.

Thanks,

Calvin
