Request Response

The number of Family Physicians for the time period from April 1, 2022 to October 31 2022 who were active (billed MSP for patient services) was **6,962**.

Physicians have 90 days following the date of service to submit claims to MSP. As a result, only data to the end of July 2022 may be considered complete. The number of active FPs is expected to change as the fiscal year continues.
