

## Request

Please provide the data on abortion statistics of the following: Number of abortions performed; Demographic information (age, background); Any associated health outcomes (Date Range for Record Search: From 1/1/2019 To 12/31/2022)

## Response

Table 1 illustrates the number of abortion services provided each calendar year, 2019-2022 by patient health authority and age group. The Ministry of Health does not have data that can link outcomes to the abortion procedure.
