Data source 1 Medical Services Plan

Extract date 2023-12-06

Notes

- 1 Service dates: September 1, 2022 to October 1, 2023.
Captures claims paid by November 30. Note that there is a 90-day period following the date of service in which providers may submit claims. Therefore data from August to October 1, 2023 may be incomplete.
- 2 Captures fees billed by emergency medicine specialists where more than five services were delivered in the extract period. . Specialist designation as of the date of service.
- 3 Includes all claims paid by Medical Services Plan or by other provinces for their residents through reciprocal payment arrangements. Claims paid by third parties (e.g. ICBC, WorkSafe BC) are not included.
- 4 Services column captures paid services under MSP and services reported to MSP by providers working under Alternative Payment Program (APP) arrangements. APP services are not captured in the expenditure column; it is not appropriate to infer the payment for individual services by dividing expenditures by the number of services.
