via email: [premier@gov.bc.ca](mailto:premier@gov.bc.ca)

Dear Premier:

On behalf of the Tsilhqot'in Nation, we formally request an urgent meeting—*this week*—between the Tsilhqot'in Chiefs, yourself, and key Ministers to provide an introductory briefing, discuss some immediate issues and set a positive foundation for our work to come. We recognize that your government is in the heart of organizing and setting the path for the governing work ahead, and we are open to meeting in person, by phone, or some combination.

As you know, our communities are at the very heart of the Hanceville Wildfire, the largest wildfire in the history of this Province, and impacted by other wildfires as well. And while we were fighting for the very survival of our communities, Taseko Mines Limited was granted approval for an extensive drilling program at Teztan Biny (Fish Lake) and Nabas, on the day before your government was sworn into power.

These issues will deeply impact the relationship between British Columbia and the Tsilhqot'in people. They offer an opportunity to demonstrate your government's commitment to true reconciliation and respect for Indigenous peoples.

These are urgent issues that call for attention, and we would appreciate the opportunity to discuss them with you this week, by phone or in person.

Looking beyond these immediate concerns, we would also like to set our first official meeting with your new government, in person, to discuss the implementation of the *Tsilhqot'in Nation* judgment and *Nenqay Deni* Accord. We look forward to working with you to create a better future for the Tsilhqot'in people and for this Province, by reaffirming the Accord's commitment to new and innovative ways of achieving reconciliation.

Please have your staff contact Helen Nemeth (Senior Executive Assistant) to make arrangements, at (250) 267-3270 or via email at [hnemeth@tsilhqotin.ca](mailto:hnemeth@tsilhqotin.ca).

Sechanalyagh (thank you),

I have attached the new revised version of the power point and have made changes as per your request. My responses are in red below my signature line as well as in the presentation.

I have also split the Authorization and Function slides into 2 separate slides for clarity. (now slides 3

and 4) and added in a bullet in the Authorization slide which clarifies that FNLRO and AG Ministries were full participants in the negotiations just to offset any concerns that this is the first time they are being updated.

- Negotiated with full participation from Ministries of Forests Lands Natural Resource Operations and Attorney General

Let me know if there is anything further required. If Laurel requires a briefing prior to the 24rth I am available at her convenience – I know she is very busy with the emergency co-ordination at the present.

I have been asked by Dugald to forward this presentation to Neilane. This is scheduled to go before the NRB on July 24th. It has been before the NRS ED and the NRS ADM committees. Dugald was agreeable to present this at the NRB <sup>s.22</sup> Laurel has agreed to make the presentation for us.

I will be attending as the Director and the negotiator for the Province as will, Kirsten Hunter, my very

capable staff supporting the project. We are available should you have any questions or concerns or require a briefing prior to the meeting.

You may be interested to know that at the NRS ADM presentation, the comments concerning the agreement were quite favourable; further it was viewed as an agreement that could be duplicated to create efficiencies and had potential utility in other areas and Ministries.

Honourable Scott Fraser  
Minister of Indigenous Relations and Reconciliation  
PO Box 9100 Stn Prov Govt  
Victoria, BC  
V8W 9B1

Dear Minister Fraser,

On behalf of Heiltsuk Tribal Council may I offer you sincere congratulations on your appointment as the Minister of Indigenous Relations and Reconciliation.

We are looking forward to working with you on important matters of shared interest. We are most pleased that Premier John Horgan has appointed a person with your character and background to such an important portfolio.

We have noted with interest that the NDP Platform commits to making Indigenous Reconciliation a cross government priority and to using the UN Declaration of Rights of Indigenous People as the basis to forge that improved relationship. We believe Heiltsuk Nation and British Columbia can be leaders in this regard.

While we will no doubt have many matters to discuss with you over the coming years I want to draw your attention to an important matter.

On October 28, 2015 Heiltsuk made a public declaration that sets out our renewed mandate and approach to reconcile our legal and political authority with Canada and BC. We believe that the Declaration of Heiltsuk Title & Rights provides a useful pathway for your government and Heiltsuk to achieve Reconciliation. We have now successfully negotiated both an agreement with Canada (signed in January 2017) and one with your predecessor Minister John Rustad (signed in March 2017). The Government of Canada has identified our table as one of the leading tables for forging alternative approaches to Reconciliation and staffed and resourced the negotiations in a manner that reflects that priority status.

Our Reconciliation Agreement with British Columbia provides for the development of a Reconciliation Action Plan that will detail governance authority and/or jurisdiction over a significant number of issues – tourism, parks management and servicing, aquaculture, transportation, awareness of Heiltsuk place names and their connection to Heiltsuk Traditional Territory, lands, language preservation and renewal, policy and planning capacity, monitoring and enforcement capacity, education and employment, child welfare, health care and research in any matters that will advance progress towards reconciliation.

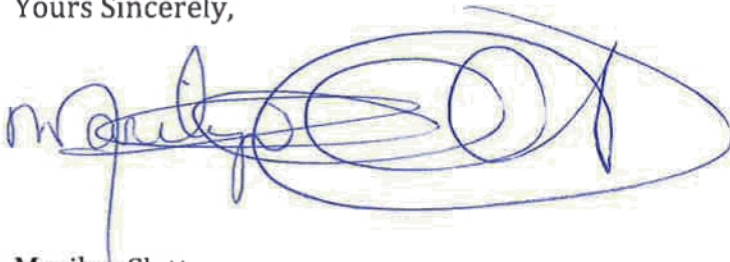

Sadly, the previous provincial government has not adequately provided the resources to move forward on this ambitious agenda and we would ask that you review this situation with your senior officials as progress is being limited.

In addition, you should be aware, that the previous provincial government refused to reference Canada's acceptance of the UN Declaration of Rights of Indigenous Peoples in our agreement. Our Agreement with Canada does have such a reference and Heiltsuk believes it would be an early indication of the new approach of your government to consider appropriate similar reference in our existing agreement.

Our Nation has a long track record of successfully reaching agreements with governments and with other partners. Many of these have involved the BC government and we feel we are poised to make important progress on reconciliation and look forward to an early opportunity to discuss with you how we might make progress on this shared interest.

Once again may we offer sincere congratulation to you and confirm our interest in working closely with you in the coming years.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'Marilyn Slett', followed by a large, stylized circular flourish.

Hi everyone,

As you are aware, Her Honour Lt.-Gov. Judith Guichon swore in the new Cabinet yesterday. As a result, we have a new Minister and a new name.

Scott Fraser (MLA, Mid Island-Pacific Rim) has been appointed as our Minister, and our ministry's name has changed to the Ministry of Indigenous Relations and Reconciliation (MIRR). I am thrilled to continue on as Deputy Minister, and to continue to work with all of you in the MIRR team.

Minister Fraser will be familiar to many of you as he served as the Opposition Spokesperson for Aboriginal Relations and Reconciliation. I have had a couple of short conversations with Minister Fraser. In those conversations, he has expressed his honour of being appointed Minister, and that he has heard great things about the people in our ministry and the important work we do, including our ministry's recent efforts to assist communities impacted by wildfires. In fact, just today, Minister Fraser was appointed to a [new Cabinet task force on wildfires](#).

The Minister has acknowledged that there is much for him to learn. To that end, we will start to brief him next week. As I have said previously, we will need to be patient with the items and issues we need to take to the Minister. The Minister will need time to get his bearings, formulate his thoughts and ideas, and talk to his Cabinet colleagues.

Our new ministry name will take time to implement on templates, business cards, letterhead, global address list (GAL), et cetera. In the meantime, please use our new name now and change your signature blocks on emails.

Government also made changes to a number of ministries' structures, and leadership in the public service. There are no structural or executive changes for us; however, some of our colleagues across government also will need our patience as they work their way through those changes. As Don Wright, the new Deputy Minister to the Premier and Head of the BC Public Service, expressed in his communication to all staff yesterday, these changes are expected with any leadership transition and government will rely on the professionalism and skill of the public service in this period and going forward.

I know our ministry will continue to provide exemplary support as we move out of our caretaker duties, into transition and towards implementing the new government's agenda while, at the same time, supporting communities impacted by wildfires. Thank you for your efforts.

You can expect to hear more from me and the rest of the executive team, but in the meantime, don't hesitate to ask questions and we will do our best to get an answer.

Doug

Below is the proposed email for you to send to DMs. You'll see there is one piece highlighted so we will wait to get direction before we send this, but if I can get your approval now so it's ready to go that would be great. thx!

-----  
Colleagues,

We are quickly approaching the 4<sup>th</sup> annual BC Cabinet and First Nations Leaders' Gathering (the Gathering), scheduled for Wednesday, September 6<sup>th</sup> & Thursday, September 7<sup>th</sup> at the Vancouver Convention Centre. The BC Business Council will host a networking session and reception on September \_\_\_\_\_. It is strongly recommended that Deputies attend the reception.

Planning is well underway. Below you will find information to aid your preparation.

#### Overview of the Gathering

The Gathering is an opportunity for First Nations Leaders and Cabinet Ministers to directly discuss key issues and opportunities at the community level. The primary focus of the gathering will be meetings between Ministers and First Nations Leaders. Cabinet Ministers, and in some cases Deputy Ministers, will host one-on-one meetings over the two days of the Gathering. The Gathering will also include a series of speakers along with remarks from the Premier, the MIRR Minister, and leadership of the First Nations Leadership Council.

Agenda discussions are underway with the First Nations Leadership Council. More information will be provided to your office later this summer. The Gathering will be discussed at a Cabinet meeting. We will provide materials to Deputies and Ministers for that meeting.

### One-on-one Meetings

-

A “save-the-date” was sent to First Nations leaders in April with the opportunity to respond early with requests for one-on-one meetings. MIRR will schedule the one-on-one meetings based on requests from First Nations, and will frequently be in contact with your Ministry. We will provide you a schedule of meetings and topics as information becomes available. The completed list of meetings will be available prior to the gathering, but we anticipate that many meetings will be scheduled at the Gathering itself.

In situations where Ministers are oversubscribed, one-on-one meetings may be scheduled with the responsible Deputy Minister or Parliamentary Secretary. Similar to the UBCM convention, meetings will be 15- or 30-minute increments (depending on whether the topic needs to take up two time slots).

As in previous years, in preparation for these meetings, it will be the responsibility of your Ministry to prepare any briefing materials for your Minister (no template will be provided) and to identify a scribe from your Ministry to take detailed notes during the one-on-ones meetings. It is important that each Ministry accurately capture any commitments made in these meetings, as they will form the basis of follow-up letters that your Ministry will be required to send out to each First Nation. These commitments will be tracked over the next year.

If you have questions regarding your meetings with a First Nation, staff from your Ministry are encouraged to call the First Nation directly. MIRR will prepare community background details for all First Nations, but any other materials for meetings are the responsibility of your Ministry. Please feel free to touch base with Shawna French in my office if you require further information. Shawna can be reached at [Shawna.french@gov.bc.ca](mailto:Shawna.french@gov.bc.ca) or 250-356-6330.

### Follow up to 2016 meetings:

-

At regular intervals since last year’s Gathering, MIRR has reached out to your ministries to update the status of commitments that were made during one-on-one meetings in 2016. We have received status updates from all ministries and we will continue to work with your offices to ensure any gaps are filled. The last status update has already been requested of your staff and is due to MIRR by August 1<sup>st</sup>.

### Actions for you:

-

Please identify a lead contact from your Ministry and provide that name to Shawna French by July 27<sup>th</sup>. Shawna will provide that person with information leading up to the Gathering as well as your Ministry’s requested meetings to date. Before your office sends the updated

commitments from last year, I ask that you review and approve your updates and ensure the outcomes are clearly articulated where possible. The due date for these updates is August 1<sup>st</sup>.

Please also assign a staff member to take clear notes in the one-one-one meetings. Please provide Shawna with that person's name, title, and phone number so that they can be contacted and briefed on their responsibilities. Please also provide Shawna with the names of any other staff from your Ministry attending to support and your Ministers office staff attending. None of these people will need to register online, we will take care of that for you.

Please book your accommodation for the gathering, as September is a busy month for hotels in Vancouver. There is a hotel room block being held at the Pan Pacific (across the street from the Convention Centre) held until August 23<sup>rd</sup> on a first-come-first-serve basis. Hi Laurel and Lisa - please have someone draft a very short note with key background points and key messages in the first point below.

Suggest info about the fed Prov MOUs, and that while coordination with INAC is going well we are all learning some lessons and adjusting. Would you agree with Ed's point that more needs to be done for FN emergency prep and response?

We will need to send this to Okenge by end of today.

Honourable Scott Fraser  
Minister of Indigenous Relations and Reconciliation  
Parliament Buildings  
Victoria, British Columbia V8V 1X4

Dear Minister Fraser:

On behalf of Chair, Cynthia Callison and the board and staff of the First Peoples' Cultural Council (FPCC), I am very happy to congratulate you on your re-election as MLA and your new appointment as Minister of Indigenous Relations and Reconciliation. I also want to thank you for your advocacy on behalf of our organization. We are very appreciative of your continued interest and support of Indigenous languages and cultures in British Columbia.

If time allows, we would be honoured to host a lunch for you and your accompanying staff at our office in Brentwood Bay. I would like to provide you with an overview of our Business Plan, which was funded by the Department of Canadian Heritage and developed by FPCC staff, who are leading work in cultural revitalization in Canada and around the world, with input from B.C. language, arts and cultural experts.

If you are unable to accept this invitation to our office at this extremely busy time, I would very much appreciate the opportunity to meet with you as soon as possible at a time and location most convenient for you, to discuss ways we can work together toward your ministry's mandate.

Kindly contact FPCC Executive Assistant, Susan De Stephanis at 250-652-5952 ext. 216 or [susan@fpcc.ca](mailto:susan@fpcc.ca) to arrange a meeting. She will work with your staff to accommodate your busy schedule.

We look forward to working with you to improve the health and well-being of First Nations people and all citizens of B.C.
