Subject: Confidential survey on Indigenous people and reconciliation / enquête confidentielle sur les peuples Autochtones et la réconciliation

Dear Ms. Ronna-Rae Leonard,

We are political scientists from the University of Guelph, emailing to request your participation in a survey (open January 8th, to 20 February 2018).

Une version française de cet email est ci-dessous.

In the context of the Truth and Reconciliation Commission of Canada's Final Report on the Indian Residential Schools, we are conducting a short confidential survey of elected officials across Canada. We hope as political scientists to gain a clearer view of what elected officials across the country think on a variety of issues related to Indigenous peoples, truth and reconciliation, and political change in Canada. This survey is being sent to every elected Member of Parliament, Senator, and provincial, and territorial representative in Canada. It builds on a similar survey conducted by David and Mark in 2011, which was published as "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" Canadian Political Science Review, Vol. 6, No. 2, 2012, 117-130.

The research is sponsored by the Social Sciences and Humanities Research Council of Canada and the University of Guelph. The research team is composed of:

- David MacDonald (a full professor and research leadership chair in the Political Science Department at University of Guelph – Principal Investigator)
- Mark Mitchell (PhD Candidate in Political Science at University of Guelph – Research Assistant)
- Brian Budd (PhD Candidate in Political Science at University of Guelph – Research Assistant)

The information from this survey will be used by David, Mark and Brian for academic purposes only, which will include conference papers and peer-reviewed publications. It will not be used for any commercial purpose. The preliminary results will be posted on my departmental website and may be viewed once we have interpreted the results.

Ethics:

This project has been reviewed by the Research Ethics Board for compliance with federal

guidelines for research involving human participants. If you have questions regarding your rights and welfare as a research participant in this study ^{s.22}, please contact: Director, Research Ethics; University of Guelph; reb@uoguelph.ca; (519) 824-4120 (ext. 56606).

Click on the link below to go directly to the Web-based survey to begin. We will provide detailed instructions before you begin. The survey should take approximately ten minutes to complete.

The website will be open for six weeks to allow you time to participate at your convenience. Please note that your participation is entirely voluntary and you may refuse to answer a question, or may withdraw at any time by not submitting the questionnaire.

We are aware that you are extremely busy, and we will be extremely grateful if you can take the time to complete this survey for us.

Thank you in advance for your help.

Best wishes,

Nous sommes chercheurs en sciences politiques et vous écrivons pour solliciter votre participation à une enquête. ((disponible du 8 janvier au 20 février 2018).

Dans le cadre du rapport final de la Commission de vérité et de réconciliation du Canada au sujet des pensionnats indiens, nous menons une enquête confidentielle auprès des représentants élus à travers le pays. Nous espérons que nous, en tant que politologues, pourrions acquérir une vision plus claire de ce que les élus du pays pensent concernant une variété de questions liées aux peuples autochtones, aux minorités visibles, et aux changements politiques au Canada. Cette enquête sera envoyée à tous les membres élus du Parlement, aux sénateurs, et aux représentants provincial et territorial du Canada. Elle s'appuie sur une enquête similaire menée par David MacDonald et Mark Mitchell en 2011, publiée sous le titre "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" *Canadian Political Science Review*, Vol. 6, No. 2, 2012, 117-130.

Notre projet de recherche est parrainé par le Conseil de recherche en sciences humaines du Canada et l'Université de Guelph. L'équipe de recherche est composée de :

- David MacDonald (professeur et chaire de recherche au département de science politique à l'Université de Guelph, chercheur principal)
- Mark Mitchell (candidat au doctorat en science politique à l'Université de Guelph, assistant de recherche)
- Brian Budd (candidat au doctorat de science politique à l'Université de Guelph, assistant de recherche)

Les informations recueillies seront utilisées par David MacDonald, Mark Mitchell et Brian Budd à des fins exclusivement académiques, lors de communications de colloques et de publications à comité de lecture. Elles ne seront en aucun cas utilisées à des fins commerciales. Les résultats préliminaires de l'enquête seront publiés sur mon site Web professionnel et pourront être consultés lorsque nous aurons interprété les résultats.

Déontologie :

Cette étude respecte la Politique d'éthique de la recherche et est conforme aux lignes directrices fédérales. Elle a été revue et approuvée par le Comité d'éthique de la recherche de l'Université de Guelph. Veuillez suivre le lien ci-dessous pour commencer l'enquête électronique. On vous fournira des instructions détaillées avant que vous ne commenciez. L'enquête devrait vous prendre environ 10 minutes.

L'enquête en ligne restera disponible durant six semaines pour que vous puissiez y participer en fonction de votre disponibilité. Veuillez noter que votre participation reste entièrement libre et que vous pouvez refuser de répondre à une question ou vous rétracter à tout moment en ne soumettant pas votre questionnaire.

A signup sheet has gone into our Caucus.

I believe the organizer was informing both the Liberal Caucus and the Green Caucus of the agenda for the day.

But if there is a Government/Ministry announcement we can send it over to their Whip's office for distribution.

The Speaker's office has approved the pins, and they are approved to be worn in the house.

Just waiting word from the Premier's office on the march to the legislature, as far as our members marching with the group or just meeting the group on the front steps as they march in.

If you would like to give me a call about this event, feel free.

Is it the Whip's office or the Speaker's office handing out the pins? Did the Senior Director deliver 100 pins last week?

I would like to ensure the Liberal Caucus has the information and details as well (has the Liberal Caucus been notified?)

We will be finalizing the invitation shortly, please advise where the invitation should be sent via protocol ☺

I have been in contact with the organizer of the event and will be talking with Amber in the Premier's office, as John will be presented with the millionth pin during the day.

If you can have the pins sent to our office I will have the Whip's hand them out during Caucus that morning.

As soon as I have some more information I will be sending this to Caucus next week.

Hi Susan

The Moosehide Campaign Day is coming up and I wanted to touch base with caucus to make sure our MLA's are aware of the date and time:

Thursday Feb. 15, 2018 at **12:00 p.m.** There will be a formal agenda and invitation to come out shortly.

I can help order the moosehide pins for NDP and Green Caucus if you like? I'm curious how many would be sufficient? 50? Please let me know 😊

Some info:

The day will start with a sunrise ceremony at the convention centre, and a march to take place from Thunderbird Park by the museum to the front steps of the parliament building.

- The inspiration for the Moose Hide Campaign came from a hunting expedition in 2011 near Highway 16, when Paul Lacerte's daughter, Raven, skinned a moose to feed the family over winter. The proximity to the Highway of Tears sparked the idea that moose hide could be used as a symbol to stop violence.
- It's not enough to say that violence against women and children is unacceptable. Words have to be followed by actions. The Moose Hide Campaign is about men standing together as strong role models and holding themselves accountable to stop violence.
- Violence continues to exist when it is shielded by silence. As men and as government members, we need to be vigilant to ensure our actions and our words do not perpetuate a culture of silence.

Hi Susan

We now have over 100 emails in support of fish farming. Most are to others – Premier or Scott Fraser or Mayors – and copied to Claire. A few are to Claire only; however, I suspect also to others, just not visible.

So, the question is who is responding to them? I don't want to send responses that will likely be the same as what other offices are sending.

Hi Jolleen,

Happy New Year! Hope you had a great holiday season! ☺

Can you please take care of the below? This is MLA and so if something can be done on either the 8th, 11th or 12th, that would be great? Looks like they need 1.5 hrs, but highly doubt it will need that long, probably max 1 hr.

Thanks,
Connie Roberts

Hi Connie – Minster Fraser has eight boxes (personal effects, critic files and constituency files, etc) in a basement room here in the east annex. That room is soon going to be put into use in a different capacity and MLAs have been notified to come and get their boxes. I realize most haven't had an opportunity as they have not been in Victoria very often the last couple of months.

Can you schedule half an hour for the Minister, the next time he is at the Legislature, to come over and take a look through his boxes? Once we receive direction, we can shred, recycle or send boxes sent to the CO. And of course, the minster can take anything he wants with him.

Can you let me know once you have a time so I can meet him and show him the where they are kept?

Thank you.

Subject: Confidential survey on Indigenous people and reconciliation / enquête confidentielle sur les peuples Autochtones et la réconciliation

Dear Ms. Ronna-Rae Leonard,

We are political scientists from the University of Guelph, emailing to request your participation in a survey (open January 8th, to 20 February 2018).

Une version française de cet email est ci-dessous.

In the context of the Truth and Reconciliation Commission of Canada's Final Report on the Indian Residential Schools, we are conducting a short confidential survey of elected officials across Canada. We hope as political scientists to gain a clearer view of what elected officials across the country think on a variety of issues related to Indigenous peoples, truth and reconciliation, and political change in Canada. This survey is being sent to every elected Member of Parliament, Senator, and provincial, and territorial representative in Canada. It builds on a similar survey conducted by David and Mark in 2011, which was published as "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" Canadian Political Science Review, Vol. 6, No. 2, 2012, 117-130.

The research is sponsored by the Social Sciences and Humanities Research Council of Canada and the University of Guelph. The research team is composed of:

- David MacDonald (a full professor and research leadership chair in the Political Science Department at University of Guelph – Principal Investigator)
- Mark Mitchell (PhD Candidate in Political Science at University of Guelph – Research

Assistant)

• Brian Budd (PhD Candidate in Political Science at University of Guelph – Research Assistant)

The information from this survey will be used by David, Mark and Brian for academic purposes only, which will include conference papers and peer-reviewed publications. It will not be used for any commercial purpose. The preliminary results will be posted on my departmental website and may be viewed once we have interpreted the results.

Ethics:

This project has been reviewed by the Research Ethics Board for compliance with federal guidelines for research involving human participants. If you have questions regarding your rights and welfare as a research participant in this study ^{s.22}, please contact: Director, Research Ethics; University of Guelph; reb@uoguelph.ca; (519) 824-4120 (ext. 56606).

Click on the link below to go directly to the Web-based survey to begin. We will provide detailed instructions before you begin. The survey should take approximately ten minutes to complete.

The website will be open for six weeks to allow you time to participate at your convenience. Please note that your participation is entirely voluntary and you may refuse to answer a question, or may withdraw at any time by not submitting the questionnaire.

We are aware that you are extremely busy, and we will be extremely grateful if you can take the time to complete this survey for us.

Thank you in advance for your help.

Dans le cadre du rapport final de la Commission de vérité et de réconciliation du Canada au sujet des pensionnats indiens, nous menons une enquête confidentielle auprès des représentants élus à travers le pays. Elle s'appuie sur une enquête similaire menée par David MacDonald et Mark Mitchell en 2011, publiée sous le titre "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" Canadian Political Science Review, Vol. 6, No. 2, 2012, 117-130.

Subject: Confidential survey on Indigenous people and reconciliation / enquête confidentielle sur les peuples Autochtones et la réconciliation

Dear Ms. Ronna-Rae Leonard,

We are political scientists from the University of Guelph, emailing to request your participation in a survey (open January 8th, to 20 February 2018).

Une version française de cet email est ci-dessous.

In the context of the Truth and Reconciliation Commission of Canada's Final Report on the Indian Residential Schools, we are conducting a short confidential survey of elected officials across Canada. We hope as political scientists to gain a clearer view of what elected officials across the country think on a variety of issues related to Indigenous peoples, truth and reconciliation, and political change in Canada. This survey is being sent to every elected Member of Parliament, Senator, and provincial, and territorial representative in Canada. It builds on a similar survey conducted by David and Mark in 2011, which was published as "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" Canadian Political Science Review, Vol. 6, No. 2, 2012, 117-130.

The research is sponsored by the Social Sciences and Humanities Research Council of Canada and the University of Guelph. The research team is composed of:

- David MacDonald (a full professor and research leadership chair in the Political Science Department at University of Guelph – Principal Investigator)
- Mark Mitchell (PhD Candidate in Political Science at University of Guelph – Research Assistant)
- Brian Budd (PhD Candidate in Political Science at University of Guelph – Research Assistant)

The information from this survey will be used by David, Mark and Brian for academic purposes only, which will include conference papers and peer-reviewed publications. It will not be used for any commercial purpose. The preliminary results will be posted on my departmental website and may be viewed once we have interpreted the results.

Ethics:

This project has been reviewed by the Research Ethics Board for compliance with federal guidelines for research involving human participants. If you have questions regarding your rights and welfare as a research participant in this study ^{s.22}, please contact: Director, Research Ethics; University of Guelph; reb@uoguelph.ca; (519) 824-4120 (ext. 56606).

Click on the link below to go directly to the Web-based survey to begin. We will provide detailed instructions before you begin. The survey should take approximately ten minutes to complete.

The website will be open for six weeks to allow you time to participate at your convenience. Please note that your participation is entirely voluntary and you may refuse to answer a question, or may withdraw at any time by not submitting the questionnaire.

We are aware that you are extremely busy, and we will be extremely grateful if you can take the time to complete this survey for us.

Thank you in advance for your help.

Best wishes,

David MacDonald, Mark Mitchell, and Brian Budd

Nous sommes chercheurs en sciences politiques et vous écrivons pour solliciter votre participation à une enquête. ((disponible du 8 janvier au 20 février 2018).

Dans le cadre du rapport final de la Commission de vérité et de réconciliation du Canada au sujet des pensionnats indiens, nous menons une enquête confidentielle auprès des représentants élus à travers le pays. Nous espérons que nous, en tant que politologues, pourrions acquérir une vision plus claire de ce que les élus du pays pensent concernant une variété de questions liées aux peuples autochtones, aux minorités visibles, et aux changements politiques au Canada. Cette enquête sera envoyée à tous les membres élus du Parlement, aux sénateurs, et aux représentants provincial et territorial du Canada. Elle s'appuie sur une enquête similaire menée par David MacDonald et Mark Mitchell en 2011, publiée sous le titre "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" *Canadian Political Science Review*, Vol. 6, No. 2, 2012, 117-130.

Notre projet de recherche est parrainé par le Conseil de recherche en sciences humaines du Canada et l'Université de Guelph. L'équipe de recherche est composée de :

- David MacDonald (professeur et chaire de recherche au département de science politique à l'Université de Guelph, chercheur principal)
- Mark Mitchell (candidat au doctorat en science politique à l'Université de Guelph, assistant de recherche)
- Brian Budd (candidat au doctorat de science politique à l'Université de Guelph, assistant de recherche)

Les informations recueillies seront utilisées par David MacDonald, Mark Mitchell et Brian Budd à des fins exclusivement académiques, lors de communications de colloques et de publications à comité de lecture. Elles ne seront en aucun cas utilisées à des fins commerciales. Les résultats préliminaires de l'enquête seront publiés sur mon site Web professionnel et pourront être consultés lorsque nous aurons interprété les résultats.

Déontologie :

Cette étude respecte la Politique d'éthique de la recherche et est conforme aux lignes directrices fédérales. Elle a été revue et approuvée par le Comité d'éthique de la recherche de l'Université de Guelph. Si vous possédez des questions concernant vos droits et votre protection en tant que participant à cette enquête ^{s.22}, veuillez contacter l'adresse suivante: Director, Research Ethics; University of Guelph; reb@uoguelph.ca; (519) 824-4120 (ext. 56606).

Veuillez suivre le lien ci-dessous pour commencer l'enquête électronique. On vous fournira des instructions détaillées avant que vous ne commenciez. L'enquête devrait vous prendre environ 10 minutes.

L'enquête en ligne restera disponible durant six semaines pour que vous puissiez y participer en fonction de votre disponibilité. Veuillez noter que votre participation reste entièrement libre

et que vous pouvez refuser de répondre à une question ou vous rétracter à tout moment en ne soumettant pas votre questionnaire.

Nous savons que vous êtes très occupés.es et nous sommes grandement reconnaissants du temps que vous prendrez afin de répondre à cette enquête.

Merçi d'avance pour votre collaboration.

Cordialement à vous,

Hi Connie – Minister Fraser has eight boxes (personal effects, critic files and constituency files, etc) in a basement room here in the east annex. That room is soon going to be put into use in a different capacity and MLAs have been notified to come and get their boxes. I realize most haven't had an opportunity as they have not been in Victoria very often the last couple of months.

Can you schedule half an hour for the Minister, the next time he is at the Legislature, to come over and take a look through his boxes? Once we receive direction, we can shred, recycle or send boxes sent to the CO. And of course, the minister can take anything he wants with him.

Can you let me know once you have a time so I can meet him and show him the where they are kept?

Thank you.

Hey Lisa and Connie

There is a new AC in Transportation and Infrastructure – would one of you be able to sit down with her tomorrow for half an hour and answer questions?

I would get her to compile a few questions and come up to your office at whatever time works for you. If you can't do, can you recommend another AC that I can ask?

Thanks!

Hi Susan

We now have over 100 emails in support of fish farming. Most are to others – Premier or Scott Fraser or Mayors – and copied to Claire. A few are to Claire only; however, I suspect also to others, just not visible.

So, the question is who is responding to them? I don't want to send responses that will likely be

the same as what other offices are sending.

Hi everyone,

I have been in contact with the organizer of the event and will be talking with Amber in the Premier's office, as John will be presented with the millionth pin during the day.

If you can have the pins sent to our office I will have the Whip's hand them out during Caucus that morning.

As soon as I have some more information I will be sending this to Caucus next week.

Thanks
Teresa

Thanks Jolleen – I have copied the Whips office as they will send out the information to be entered into MLAs' calendars.

I think 50 pins will be enough and we would need them at least the day before in order for them to be distributed.

Hi Susan

The Moosehide Campaign Day is coming up and I wanted to touch base with caucus to make sure our MLA's are aware of the date and time:

Thursday Feb. 15, 2018 at **12:00 p.m.** There will be a formal agenda and invitation to come out shortly.

I can help order the moosehide pins for NDP and Green Caucus if you like? I'm curious how many would be sufficient? 50? Please let me know 😊

Some info:

The day will start with a sunrise ceremony at the convention centre, and a march to take place from Thunderbird Park by the museum to the front steps of the parliament building.

- The inspiration for the Moose Hide Campaign came from a hunting expedition in 2011 near Highway 16, when Paul Lacerte's daughter, Raven, skinned a moose to feed the family over winter. The proximity to the Highway of Tears sparked the idea that moose hide could be used as a symbol to stop violence.
- It's not enough to say that violence against women and children is unacceptable. Words have to be followed by actions. The Moose Hide Campaign is about men standing together as strong role models and holding themselves accountable to stop violence.
- Violence continues to exist when it is shielded by silence. As men and as government members, we need to be vigilant to ensure our actions and our words do not perpetuate a culture of silence.

Hi Susan

Just following up on this again to ensure we are following protocol.

Is it the Whip's office or the Speaker's office handing out the pins? Did the Senior Director deliver 100 pins last week?

I would like to ensure the Liberal Caucus has the information and details as well (has the Liberal Caucus been notified?)

We will be finalizing the invitation shortly, please advise where the invitation should be sent via protocol 😊

Thank you!

Hi ACs

After attending the CA Seminar here in Victoria this week, Thursday afternoon the CAs will be coming by their respective Minister's offices to drop off their travel claim forms (see attached word document). I think Bev Bowen sent you the breakdown of how the seminar will be expensed but I wanted to attached it again for your information and you may need to help the CA with the form when they come to the office.

I will be giving them all blank printed forms at noon tomorrow and explaining how to fill them out, but they still may need your support.

If there is only one CA from your minster's constituency at the seminar – that person will be claiming the hotel for October 24 and 25, and an all day per diem (\$61.00) for October 25 on their **"accompanying" claim form** – copy attached. The rest of that CA's travel needs to be filled out on the *2017 Constituency Assistant Travel Claim form* (also attached).

If there is a second CA from your minster's constituency at the seminar – that person will be claiming the **whole** thing: all travel/mileage, hotel for October 22/23/24/25 and meal per diems during travel time to Victoria and return, as well as full per diems (\$61/day) for October 23, 24 and 25. This is all to go on a **'accompanying' travel** claim form as well.

Once they give you their **signed** completed travel claim, travel receipts and accommodation receipts (food receipts not needed as per diems are used) please get your Minister to review and sign the claim too.

I realize the minster may not be available to sign the claim when the CA is in the office; in that case, please give the CA a photocopy for their records and then after you get the Minister to sign the original, please send it and original receipts in the house mail to Kathryn Reine at Financial Services.

Thank you and let me know if you have questions.
