### STATEMENT

**For Immediate Release**

**Jan. 16, 2018**

**New Democrat statement on new disturbing details in B.C. Liberal "Quick Wins" hearing today**

**VANCOUVER** – New Democrat MLA Ravi Kahlon (Delta North) issued the following statement regarding new disturbing details surfacing from today's B.C. Liberal "Quick Wins" sentencing hearing:

"In court today, we heard new and disturbing details about how the B.C. Liberal government systematically abused people's public dollars for their own benefit. We learned how deep and high up the scandal went, in both the B.C. Liberal government and B.C. Liberal party.

"We heard for the first time in court today that the premier personally had briefings and updates on the scandalous 'Quick Wins' program. We learned that even after the scandal was made public, the B.C. Liberals didn't stop, and that components of the plan continued in hopes of influencing the election outcome for the B.C. Liberals. We also heard that at that same time, sitting B.C. Liberal MLAs were not cooperating with the investigation.

"It shows something rotten at the heart of the B.C. Liberals, where they put themselves ahead of British Columbians time and time again.

"I'll have more to say when the hearing concludes."

Good morning everyone!

The following info bulletin went out early this morning regarding the review of ferry service, beginning January 2018.

Contrast language:

- John Horgan and the New Democrat B.C. government are working hard to make life affordable for British Columbians.
- Under 16 years of the B.C. Liberals, ferry fares skyrocketed, with fares doubling on some routes. The B.C. Liberal government only worked for their top donors, not coastal communities.

#### INFORMATION BULLETIN

Province to launch coastal ferry review in January

VICTORIA - In January 2018, the Province will begin a comprehensive review of the coastal ferry service in British Columbia to evaluate its performance in meeting the needs of ferry users and British Columbia's coastal communities.

This review will identify what improvements can be made to the existing model and the Coastal Ferry Services Contract to better serve the needs of ferry users and coastal communities.

Under the terms of reference, the review will:

- \* Examine whether the contracted ferry services are being provided for in a manner that supports the public interest.
- \* Consider what changes to the price cap and regulatory model would ensure the ferry system is working as efficiently and effectively as possible for all British Columbians, and, in particular, for the ferry users and communities who depend on this essential service.
- \* Identify opportunities and recommend actions to enhance ferry service delivery and/or reduce costs without impacting existing service.

The review will not consider bringing BC Ferries back into government. The review is expected to cost approximately \$250,000, inclusive of all fees for technical expertise, research and analysis under the terms of reference to support the review process.

The Province has appointed Blair Redlin, former deputy minister of transportation and former CEO of the BC Transportation Financing Authority, as a special adviser to oversee the review. Redlin will report to

the Minister of Transportation and Infrastructure, with a final report to be delivered to government by June 2018.

The terms of reference for the Coastal Ferry Service review are available online:

Justine doing piece on funding for indigenous languages.

Interviewed Ellis Ross, who said encouraging but money isn't the issue. Every time there's new funding, there's interest, then it falls off.

Fewer and fewer people speaking the language.

Getting people interested over the long term is really hard.

Our haisla language is really difficult, especially the accents.

I'm not fluent, but know a few key words.
