Scott

The best to you and your family over the Christmas holidays. It was great speaking to you before the christmas break and we are looking forward to seeing you the beginning of the new year in our territory of T'Sou-Ke. We would like to show you our progress on our new Tim Horton's/ Petro-Can Development project on IR#1 when you first enter Sooke. This project will bring welcomed jobs for T'Sou-Ke Nation and the surrounding area of the municipality of Sooke. Please forward a time that works in early January for a visit and we will work together on a agenda for our tour and discussion. T'Sou-Ke Nation is looking forward to what the creator has in store for us for 2018.

Yours in spirit

Chief Gordon Planes
T'Sou-Ke Nation

December 20, 2017

Hi all,

This request from Mayor Baldwin s.16
s.16 He did indeed want to meet with MSF.

Sukh and I have a meeting with White Rock on Monday. We'll be giving a presentation and having discussion to see if we can collaboratively find a path forward. Since Sukh and I will be meeting with the city hopefully we will help find a path forward and the MSF meeting won't be needed. If our presentation does not resolve anything and they still see need for MSF meeting, we'll advise you.

Subject: Proposal for FN women to attend Michelle Obama

Dear Honorable Scott Fraser & Ministry staff:

Happy New Year!

I will be submitting a brief proposal to you shortly on having up to 20 women attend the Michelle Obama event.

I would like to get 20 tickets for Michelle Obama on February 15, 2018 at the Queen Elizabeth Theatre. The tickets go on sale Jan. 10 for the Vancouver board of trade and then open up to the public on Jan. 18. The ticket prices are \$200-\$600 (unconfirmed price) If I can get up to 20 tickets I would like to somehow offer them to underprivileged women in the north who would not have the means and resources to get to such an event. We would include the nations that are on the LNG line from Kitimat to the northeast.

I would like to get the support or commitment from MIRR as it pertains to Indigenous women from rural or remote communities in the north who would not otherwise be able to attend such an event. It will empower and inspire these women to listen to an esteemed woman of influence.

Please let me know if this is something that MIRR would support and I will submit a proposal based on your response.

Thank you in advance of supporting a worthy cause.

Hi Marcie, Patty, and Jolleen,

See below a draft press release. Please let me know asap if you would like to see any changes of it you're happy for us to send it out. I'll also give you a call to discuss.

Thanks,

FOR IMMEDIATE RELEASE

January 11, 2018

LOCAL MP AND MLA INVITE RESIDENTS TO DINNER TO DISCUSS POVERTY REDUCTION ON JAN 19

Port Alberni – MP Gord Johns and MLA Scott Fraser have invited the community to join them for dinner at the Friendship Centre in Port Alberni on January 19 at 5 pm.

“Scott and I have been working hard with the Alberni Clayoquot Health Network on finding ways to reduce poverty in the Alberni Valley and we thought this would be a great way for residents to come together over a meal to hear about it and, most importantly, to let us know what they think”, said MP Johns.

The Alberni Clayoquot Health Network has facilitated a protocol agreement between Johns, Fraser and local and regional governments and First Nations to act collaboratively on reducing poverty in the Alberni Valley, where two-in-five children live in poverty.

“This is about everybody pulling together at all levels regardless of political affiliation or other differences”, said MLA Fraser, who is the provincial Minister of Indigenous Affairs and Reconciliation. “We have the will and we certainly have the need, now we need to commit to a plan together and implement it”, he said.

The Poverty Reduction Community Dinner and Engagement Workshop is open to everybody of all ages. It will feature a panel discussion with speakers with lived-experience and with local and provincial perspectives on poverty reduction. The event will include an overview of the poverty reduction work being done in the region with an opportunity for learning and sharing.

All those planning to attend are asked to RSVP at: <https://goo.gl/U2Up2Z>

Hi Marcie, Patty, and Jolleen,

See below a draft press release. Please let me know asap if you would like to see any changes of it you're happy for us to send it out. I'll also give you a call to discuss.

Thanks,

FOR IMMEDIATE RELEASE

January 11, 2018

**LOCAL MP AND MLA INVITE RESIDENTS TO DINNER TO DISCUSS POVERTY
REDUCTION ON JAN 19**

Port Alberni – MP Gord Johns and MLA Scott Fraser have invited the community to join them for dinner at the Friendship Centre in Port Alberni on January 19 at 5 pm.

“Scott and I have been working hard with the Alberni Clayoquot Health Network on finding ways to reduce poverty in the Alberni Valley and we thought this would be a great way for residents to come together over a meal to hear about it and, most importantly, to let us know what they think”, said MP Johns.

The Alberni Clayoquot Health Network has facilitated a protocol agreement between Johns, Fraser and local and regional governments and First Nations to act collaboratively on reducing poverty in the Alberni Valley, where two in five children live in poverty.

“This is about everybody pulling together at all levels regardless of political affiliation or other differences”, said MLA Fraser, who is the provincial Minister of Indigenous Affairs and Reconciliation. “We have the will and we certainly have the need. Now we need to commit to a plan together and implement it”, he said.

The Poverty Reduction Community Dinner and Engagement Workshop is open to everybody of all ages. It will feature a panel discussion with speakers with lived experience and with local and provincial perspectives on poverty reduction. The event will include an overview of the poverty reduction work being done in the region with an opportunity for learning and sharing.

All those planning to attend are asked to RSVP at: <https://goo.gl/U2Up2Z>

For Media Contact:

Marcie Dewitt: Alberni Clayoquot Health Network, 250 726 5019 or achn@acrd.bc.ca

Patty Edwards: MLA Scott Fraser, 250 720 4515 or scott.fraser.mla@leg.bc.ca

Paul Kyba: MP Gord Johns, 250 240 1121 or pkyba@me.com

Hi Jolleen,

I wanted to touch base with you regarding the poverty reduction tour in Port Alberni on Jan 23.

PS Mable Elmore will be in Port Alberni around 10:30 and the formal SPARC session will be that evening from 5:00-8:30 at the Athletic Hall.

Is MSF able to attend the SPARC session in the evening? Is there anyone you think we should meet with while we are in Alberni? We will be reaching out to local government and First Nations but would appreciate any advice.

Please call me if you want to chat.

Cheers,
Jayne

<scott.strasser@comoxvalleyrecord.com>

Subject: Media Request: Comox Valley Record - Logging in the Langley watershed

Hi Scott,

Your request regarding logging plans for the Langley Lake watershed has been sent onto me for response and follow-up. I've taken a look into your request (below) and here is what I found out. On background, please. Any required attribution should be to the Ministry of Forests, Lands, Natural Resource Operations and Rural Development. I hope this helps and please let me know if I can look into anything further for you regarding this request.

Request: Hi, Mr. Fraser. My name is Scott Strasser and I am a reporter with the Comox Valley Record. I am working on a story about a Jan. 9 letter sent to you by the Vancouver Island Water Watch Coalition regarding Island Timberlands' plans to conduct logging in the Langley Lake watershed this year. Langley Lake is the source of drinking water for the unincorporated community of Union Bay. I trust you've seen the letter by now, but if not, I've copy and pasted it below.

I was wondering if your office would be willing to supply a statement from you regarding the letter and the issue that I could supplement my story with. I don't necessarily have a hard deadline for this story, but I'd prefer to publish it in our Tuesday, Jan. 16 issue (which goes to print on Monday morning).

- The majority of the Comox Watershed Group is private managed forest land, except for the western headwaters, which are in Strathcona Provincial Park.
- Forest companies operating on private land need to follow the requirements of the *Private Managed Forest Land Act*, the *Drinking Water Protection Act*, the *Heritage Conservation Act*, the federal *Species at Risk Act* and the federal *Fisheries Act*.
- Under the *Private Managed Forest Land Act* (http://www.bclaws.ca/civix/document/id/lc/statreg/03080_01) and regulations, companies are required to protect key values including fish habitat,

water quality and critical wildlife habitat. Section 13 (1) of the *Private Managed Forest Land Act* reads as follows:

- The forest management objective for private managed forest land with respect to water quality is to protect human drinking water, both during and after harvesting.
- The Private Managed Forest Land Council plays an oversight role and investigates complaints about logging on private land. The council's website is a good source of information: <http://mfcouncil.ca/>
- The Private Managed Forest Land Council's "Field Practice Guide" provides a good overview of a logging company's obligations and is available online at: http://mfcouncil.ca/wp-content/uploads/2015/01/FPG_2015_web.pdf
- You may wish to contact the company working in this area about its logging operations.

Cheers,

Jeremy Uppenborn

Regards,

Scott Strasser

Letter from the VIWWC:

Honourable Scott Fraser

January 9th, 2018

MLA Mid Island-Pacific

Dear Mr Fraser,

It has come to our attention that Island Timberlands has given notice to the Union Bay Improvement District of their intention to conduct logging in the Langley Lake watershed during the 2018 harvesting season. Langley Lake is the only water supply for the community of Union Bay.

To be blunt it is no longer acceptable to conduct industrial resource extraction in community drinking water systems.

Every community requires clean, safe drinking water in predictable quantity. Most people in North America obtain clean and safe drinking water from supply areas that they own, govern and protect. They manage them so that their citizens are safe and so that their quality of life is consistent with accepted norms in modern society. Like many on the East Coast of Vancouver Island this option is not available to the Union Bay Improvement District who neither own nor have the capacity to protect their watershed.

This is unfair to Union Bay residents who face real health impacts that neither they nor their elected representatives can address – not to mention future financial liability to fund treatment costs needed to remedy damage industrial resource extraction causes to drinking water supply systems. An undisputed example of this can be found in the water supply area for our neighbours to the North in Courtenay-Comox who are facing a bill of \$165 million dollars to solve the turbidity problem caused by logging.

Langley Lake is a small and vulnerable system with nowhere near the resiliency of a larger watershed. It already faces supply challenges created by the removal of most of the surrounding vegetation. It cannot afford to have its remaining natural boundaries further reduced.

Vancouver Island Water Watch coalition is asking the Environment and Land Use Committee of the legislature to impose an immediate temporary injunction preventing any further industrial resource extraction activity within the Langley Lake watershed until legislative means to grant community control over water supply areas can be proposed and voted upon within the legislature.

Democratic control over something as fundamental as safe, clean, predictable

drinking water is long overdue for citizens like those who live in places like Union Bay.
We would appreciate a response to our concerns.

Yours truly,

June Ross

Chair – Vancouver Island Water Watch Coalition

Good morning, Jolleen!

I hope you're well.

I'm just touching base with you to see if you've been able to find a time for Mr.

Donnelly, Mr. Scott and Minister Fraser to meet in Victoria on the 23rd of February.

Please let me know when you can.

Thanks,

Andrew

Hi Andrew

Thank you for the call yesterday regarding the meeting between MP Fin Donnelly and Minister Fraser. I am still working on finding a time this may work 😊

Best regards,

Jolleen Dick | Executive Assistant to the Honourable Scott Fraser | Ministry of Indigenous Relations and Reconciliation | 250-812-5247 (cell)

Subject: Meeting with Fin Donnelly

Good afternoon,

I'm Andrew Christie, constituency assistant for Fin Donnelly, MP. As a follow-up to their telephone conversation on January 12th, Minister Fraser suggested Mid-February as an appropriate time for a face-to-face meeting in Victoria with Mr. Donnelly and Kevin Scott of the Rivershed Society of BC, and gave your contact info to arrange a meeting.

We discussed the 23rd of February over the telephone, please let me know if there is a time that day which will work for the Minister.

Thank you,

Andrew Christie

No worries!

Looks like Shawna has advised its fine to meet next year, so I think we can move ahead on that Connie.... that sweet and spare calendar is about to get busy, lol!

Good Day Jolleen,

s.22

As per

our conversation, we would be pleased to meet up with
Minister Fraser to discuss the following items:

- 1 Update on treaty
- 2 Application for grant funding for water
infrastructure.
- 3 Application for a water license with the CVRD
- 4 Policies for supporting aboriginal businesses
when bidding on infrastructure projects.
- 5 Forestry tenure proposal

Could you please provide us dates which are convenient for
the Minister both in Victoria and in the Courtenay area.

Thank you and look forwarding to hear from you.

Best regards,

FOR IMMEDIATE RELEASE
January 11, 2018
LOCAL MP AND MLA INVITE RESIDENTS TO DINNER TO DISCUSS POVERTY REDUCTION ON JAN 19

Port Alberni – MP Gord Johns and MLA Scott Fraser have invited the community to join them for dinner at the Friendship Centre in Port Alberni on January 19 at 5 pm.

“Scott and I have been working hard with the Alberni Clayoquot Health Network on finding ways to reduce poverty in the Alberni Valley and we thought this would be a great way for residents to come together over a meal to hear about it and, most importantly, to let us know what they think”, said MP Johns.

The Alberni Clayoquot Health Network has facilitated a protocol agreement between Johns, Fraser and local and regional governments and First Nations to act collaboratively on reducing poverty in the Alberni Valley, where two in five children live in poverty.

“This is about everybody pulling together at all levels regardless of political affiliation or other differences”, said MLA Fraser, who is the provincial Minister of Indigenous Affairs and Reconciliation. “We have the will and we certainly have the need. Now we need to commit to a plan together and implement it”, he said.

The Poverty Reduction Community Dinner and Engagement Workshop is open to everybody of all ages. It will feature a panel discussion with speakers with lived experience and with local and provincial perspectives on poverty reduction. The event will include an overview of the poverty reduction work being done in the region with an opportunity for learning and sharing.

All those planning to attend are asked to RSVP at: <https://goo.gl/U2Up2Z>

Subject: RE: FOI REQUEST IRR-2018-80111 - Volume Request due Jan. 15, 2018

Good Afternoon,

Further to our email to you below of Jan. 10th, please note: the wording to this CFR has been changed to include staff of the Premier/Minister/Minister of State as reflected in the wording below.

Your Ministry has received a formal request made under the Freedom of Information and Protection of Privacy Act (FOIPPA). The request is for:

All communication between Sonia Furstenau and the Premier/Minister/Minister of State or their staff. (Date Range for Record Search: From 07/18/2017 To 07/31/2017) – Date Format: MM/DD/YYYY

The following public bodies have also received this FOI request: CFD, MSD, CTZ, FIN, OOP, JTT, LBR, MAH, TAC, TRA, MAG, PSS, AED, EDU, HTH, MHA, AGR, EMP, MOE, FNR, and IRR.

Your response for volume numbers is due to us by **Jan. 15, 2018**.

Thank you,
Sheila

Subject: FOI REQUEST IRR-2018-80111 - Volume Request due Jan. 15, 2018
Importance: High

Hi there,

We have received the following FOI request:

All communication between Sonia Furstenau and the Minister. (Date Range for Record Search: From 07/18/2017 To 07/31/2017) – Date Format: MM/DD/YYYY

The following public bodies have also received this FOI request: EMP, MOE, FNR and AGR.

Please identify if you have any records (emails, paper, electronic etc.) pertaining to the request by **January 15, 2018**. If you do, please respond with an estimated volume indicated in the box below. **This does not include the number of hours it would take to do harms assessments:**

Emails without attachments (in pages)	
Emails with attachments (in pages)	
Other documents (electronic files, e.g. pdfs, word docs etc.) (in pages)	
Hardcopy files (including black books) (in pages)	
Hours for locating/retrieving records	
Hours to format files into a PDF	

**Thank you,
MIRR FOI TEAM**

Subject: Call for Records IRR-2018-80111 Due January 23, 2018 Analyst Marc Everitt

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

All communication between Sonia Furstenau and the Minister. (Date Range for Record Search: From 07/18/2017 To 07/31/2017) – Date Format: MM/DD/YYYY

The following public bodies have also received this FOI request: EMP, MOE, FNR and AGR.

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 & 2 of the Call for Records

form as we may be in a position to issue a fee estimate. Return the form to IAO by January 15, 2018. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process.

- **If no fees apply** then complete the attached Call for Records form and return it to IAO by January 23, 2018.

- Send records via email in **PDF format**. Before you turn emails into PDFs, ensure that you have included all attachments. If email is not possible, please put the records on the **File Share** and notify IAO that the records are available.

You should be aware that *FOIPPA* obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that your Ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact IAO to discuss: whether the records may be routinely releasable; whether the information is being prepared for public release or is already publicly available; ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or any other questions or concerns relating to this request.

Thank you for your assistance,

Resource Team

Hi Jolleen,
Thanks for all the context. We fleshed out the response.
For Minister's approval is a response for Wawmeesh Hamilton, Discourse Media.
Please let us now if there are further edits or if we are good to go.
Reporter's deadline is tomorrow at 4 p.m.
Leanne Ritchie

Recommendation:

Option 1: Email statement from the Minister

<!--[if !supportLists]-->1. <!--[endif]-->How do you respond to the councillor's statement?

Reconciliation is everyone's responsibility – provincial, local and federal governments, industry, the health and legal sectors, post-secondary institutions, and the public – everyone.

I encourage the City of Port Alberni to continue working with local First Nations and I look forward to seeing the results.

Local governments in my riding have been leading the way to shape what reconciliation can look like for quite some time.

For example, following the signing of their treaty, four of the Maa-nulth First Nations joined the Alberni-Clayoquot Regional District in 2012, and Ka:'yu:'k't'h'/Che:k'tl7et'h' became part of the Strathcona Regional District board the following year. A member of Huu-ay-aht First Nations, John Jack, is the the Alberni-Clayoquot Regional District board chair.

<!--[if !supportLists]-->2. <!--[endif]-->Is your office supporting any reconciliation efforts in Port Alberni?

My office continues to actively support community-based reconciliation, working as community connectors to support idea sharing and create connections where and when we are welcome to participate. It's an important part of our work.

<!--[if !supportLists]-->3. <!--[endif]-->As reconciliation grows in prominence, how does the Ministry of Indigenous Relations and Reconciliation plan to deal with this specifically in the many small communities in the province?

There is a growing interest in reconciliation in communities of all size. At the Union of British Columbia Municipalities convention this past September, we saw a record breaking number of meetings focused on this topic.

My Ministry is working to advance reconciliation in all communities in B.C. by listening and responding to what Indigenous leaders have been requesting for a long time.

This work includes:

<!--[if !supportLists]-->• <!--[endif]-->**Working collaboratively and respectfully with Indigenous people to establish a clear cross-government vision of reconciliation to guide the adoption of the United Nations Declaration on the Rights of Indigenous People, the Truth and Reconciliation Commission's Calls to Action and the Tsilhqot'in Supreme Court decision.**

<!--[if !supportLists]-->• <!--[endif]-->**Working in partnership with First Nations**

to transform the treaty process so that it respects case law and the United Nations declaration.

<!--[if !supportLists]-->• <!--[endif]-->Supporting Indigenous communities seeking to revitalize connections to their languages.

<!--[if !supportLists]-->• <!--[endif]-->Providing reliable, dedicated funding and support for Aboriginal friendship centres.

<!--[if !supportLists]-->• <!--[endif]-->And working with the Minister of Finance to negotiate with First Nations leadership and communities on expanded opportunities for their share of B.C. gaming revenue.

This work will support reconciliation in all communities in B.C., including Port Alberni.

We are also continuing the Community to Community Forum (C2C) Program which enables local governments and First Nations to connect and build relationships.

As well, we provide support and advice to local governments and First Nations seeking to build relationships between their communities.

Information on background re: the Community-to-Community program:

The program provides up to the \$5,000 in matching funding for events that include direct dialogue between elected officials of local governments and neighbouring First Nations. Since 1999, local governments, First Nations and Indigenous organizations have participated in more than 580 events throughout the province funded by C2C.

C2C events have enabled local governments and First Nations to better understand each other and work more collaboratively. The forums have directly led to results like communication protocols, memorandums of understanding regarding land use, and service agreements for water, sewer and fire protection.

The C2C program is funded by the provincial and federal governments and administered by the Union of BC Municipalities with support from the First Nations Summit. Earlier this year, the Ministry of Municipal Affairs and Housing provided \$50,000 to the Union of BC Municipalities for the 2017-18 program.

Date: Tuesday, January 9, 2018 4:01:00 PM

Hi Jayne

Thanks for touching base. MSF unfortunately isn't able to attend in the evening as he isn't in the riding.

I now our Constituency Assistant Patty Edwards would have a better idea on who would be ideal to meet with. As well, it would probably be great to meet with her as she has been a long-time advocate for Poverty Reduction.

The Alberni Clayoquot Health Network has been facilitating the dialogues in our community around this topic and we are co-hosting an event on Jan 19th as well. - <https://www.eventbrite.ca/e/building-health-and-prosperity-in-the-alberni-clayoquot-poverty-reduction-community-engagement-20-tickets-40111943904>

Hope this helps - I will be on the road this evening from 4:30 onwards but could take a call if needed

Hi Jolleen,

I wanted to touch base with you regarding the poverty reduction tour in Port Alberni on Jan 23.

PS Mable Elmore will be in Port Alberni around 10:30 and the formal SPARC session will be that evening from 5:00-8:30 at the Athletic Hall.

Is MSF able to attend the SPARC session in the evening? Is there anyone you think we should meet with while we are in Alberni? We will be reaching out to local government and First Nations but would appreciate any advice.

Please call me if you want to chat.

Cheers,
Jayne

<scott.strasser@comoxvalleyrecord.com>
Subject: Media Request: Comox Valley Record - Logging in the Langley watershed

Hi Scott,
Your request regarding logging plans for the Langley Lake watershed has been sent onto me for response and follow-up. I've taken a look into your request (below) and here is what I found out. On background, please. Any required attribution should be to the Ministry of Forests, Lands, Natural Resource Operations and Rural Development. I hope this helps and please let me know if I can look into anything further for you regarding this request.

Request: Hi, Mr. Fraser. My name is Scott Strasser and I am a reporter with the Comox Valley Record. I am working on a story about a Jan. 9 letter sent to you by the Vancouver Island Water Watch Coalition regarding Island Timberlands' plans to conduct logging in the Langley Lake watershed this year. Langley Lake is the source of drinking water for the unincorporated community of Union Bay. I trust you've seen the letter by now, but if not, I've copy and pasted it below.

I was wondering if your office would be willing to supply a statement from you regarding the letter and the issue that I could supplement my story with. I don't necessarily have a hard deadline for this story, but I'd prefer to publish it in our Tuesday, Jan. 16 issue (which goes to print on Monday morning).

- The majority of the Comox Watershed Group is private managed forest land, except for the western headwaters, which are in Strathcona Provincial Park.
- Forest companies operating on private land need to follow the requirements of the *Private Managed Forest Land Act*, the *Drinking Water Protection Act*, the *Heritage Conservation Act*, the federal *Species at Risk Act* and the federal *Fisheries Act*.
- Under the *Private Managed Forest Land Act* (http://www.bclaws.ca/civix/document/id/lc/statreg/03080_01) and regulations, companies are required to protect key values including fish habitat, water quality and critical wildlife habitat. Section 13 (1) of the *Private Managed Forest Land Act* reads as follows:
 - The forest management objective for private managed forest land with respect to water quality is to protect human drinking water, both during and after harvesting.
- The Private Managed Forest Land Council plays an oversight role and investigates complaints about logging on private land. The council's website is a good source of information: <http://mfcouncil.ca/>
- The Private Managed Forest Land Council's "Field Practice Guide" provides a good overview of a logging company's obligations and is available online at: http://mfcouncil.ca/wp-content/uploads/2015/01/FPG_2015_web.pdf
- You may wish to contact the company working in this area about its logging operations.

Cheers,

Jeremy Uppenborn

Regards,

Scott Strasser

Letter from the VIWWC:

Honourable Scott Fraser

January 9th, 2018

MLA Mid Island-Pacific

Dear Mr Fraser,

It has come to our attention that Island Timberlands has given notice to the Union Bay Improvement District of their intention to conduct logging in the Langley Lake watershed during the 2018 harvesting season. Langley Lake is the only water supply for the community of Union Bay.

To be blunt it is no longer acceptable to conduct industrial resource extraction in community drinking water systems.

Every community requires clean, safe drinking water in predictable quantity. Most people in North America obtain clean and safe drinking water from supply areas that they own, govern and protect. They manage them so that their citizens are safe and so that their quality of life is consistent with accepted norms in modern society. Like many on the East Coast of Vancouver Island this option is not available to the Union Bay Improvement District who neither own nor have the capacity to protect their watershed.

This is unfair to Union Bay residents who face real health impacts that neither they nor their elected representatives can address – not to mention future financial liability to fund treatment costs needed to remedy damage industrial resource extraction causes to drinking water supply systems. An undisputed example of this can be found in the water supply area for our neighbours to the North in Courtenay-Comox who are facing a bill of \$165 million dollars to solve the turbidity problem caused by logging.

Langley Lake is a small and vulnerable system with nowhere near the resiliency of a larger watershed. It already faces supply challenges created by the removal of most of the surrounding vegetation. It cannot afford to have its remaining natural boundaries further reduced.

Vancouver Island Water Watch coalition is asking the Environment and Land Use Committee of the legislature to impose an immediate temporary injunction preventing

any further industrial resource extraction activity within the Langley Lake watershed until legislative means to grant community control over water supply areas can be proposed and voted upon within the legislature.

Democratic control over something as fundamental as safe, clean, predictable drinking water is long overdue for citizens like those who live in places like Union Bay.

We would appreciate a response to our concerns.

Yours truly,

June Ross

Chair – Vancouver Island Water Watch Coalition

Hi Jolleen,

We have never done Skype before? Why don't you touch base with the Minister and Jonathan when they are back next week on how MSF would like to do this? I don't really think we need staff advice on this or materials. They are in the Riding correct? Between 11-12 is difficult, but a Tuesday might work at 11:30 am, just not on Feb. 13th (Throne Speech day); or Feb. 20th (Budget Day).

Thanks,
Connie Roberts

Subject: FW: Meet with Ditidaht High School Students..?

Hi Connie

Feb 1 won't work for school visiting MSF in Vic – do you think we can arrange a skype call?

Thanks for the reply, and sorry for the delay responding. Unfortunately the 1st is not going to work at our end. I was trying to juggle a few things, but it didn't work out. If Mr Fraser is ever available for a 10 minute skype call between 11-12 to chat with our socials class on a Monday, Tuesday or Wednesday, that would be fantastic. It's tough since we're so remote...

Subject: Meet with Ditidaht High School Students..?

Hello MLA Hon. Scott Fraser,

My name is Dave Mason and I'm a social studies teacher at Ditidaht Community School on reserve at Nitinaht Lake. As students embark on our government unit in grade 10 we're learning about who represents us at the provincial level. We we're excited to learn that you are not only our minister, but you also hold the portfolio for Indigenous Relations and Reconciliation!

In our last unit of study we we looked closely at the Indian Act and more importantly acts of resilience and what people are doing to speak back to create positive change for Aboriginal people across the country. I must admit I'm quite proud of the video the students created as a culmination of their work: N'we Jinan "Let Us Not Worry"

We're hoping to visit the Legislative building on Wednesday February 7th and I'm wondering if there would be time for the students to meet you? There are in fact only 3 of us in the class, but we might add a few more students (no more that 10). Interestingly we have recently founded our school student council and the three students who will visit are in fact president, secretary and treasurer. ...So you'd get the opportunity to meet some real movers and shakers at DCS...! Two of the students were also featured in the video.

I understand that you have a very busy schedule, but I thought I'd take the opportunity to reach out.

Warm regards from Nitinaht!

Dave Mason

Hi Jonathan,

This is the email from CU, then I followed up with a phone call to Kim to find out exactly what this meant and that is the conversation I had with you.

Jolleen, please keep doing what Cindy has been getting you to do and if you have any questions, just give me a call. We will not be changing anything until we see the email from Shawna and from that the MO makes the final decision.

Thanks,
Connie Roberts

Subject: MO Process Mtg

Hi Connie, Jolleen and Cindy,

Shawna, Danielle, Kari and I met this morning to review the current process and identify the gaps.

We have a new process that we want to present to the MO, so having a meeting tomorrow reviewing the current process seems a bit redundant. I will be typing up the new process and it will go through our internal approvals. Once settled, Shawna and Danielle will present it to Jonathan.

I will get your input on it though to ensure that you're in the loop and it makes sense from an MO (non-MA) staff level point of view.

Let me know if you have any questions/comments/concerns!!

Thanks,

Kim Ponchet

Hey Sarah,

Can you connect with Jolleen about Moosehide campaign, bring her up to speed on the plan.

Jolleen, going to need you to coordinate ordering the hide pins with our caucus and CASA- Greens, as well as to notify Liberal caucus. Sarah will explain the various parts and you'll be lead in making sure government caucus and other MLAs know what/where they need to be.

Thanks

Attachments: image002.png

No I don't know our root word which has always been strange to me as 'hupacas' ath doesn't break down like the rest of nuu chah nulth nations.

Ron Hamilton taught me that Tsu ma as refers to all the creeks and tributaries going into that body of water. Tsu ma as used to be a tribe of hupasath and amalgamated into one of the few tribes that forms us. He then further explains that this "tsu ma as" was my grandpa's house. And then continues on to name the boundaries of where the ha houlthee lays.

Subject: RE: Question...

Good morning Priscilla

I'm doing well thanks ☺ Hope you are as well

"people residing above the water" refers to our people living in houses built on stilts along the river. Somass (Tsuu ma as) River is what I understood that to be.

Will confirm s.22 i. I'm not familiar with the Stamp Falls name, but I know that Sproat Falls area is referred to tux wilth aht (need to confirm spelling but that is me sounding it out) s.22

s.22

Hope this helps!

Good Morning Jolleen,

How are you?

I have a quick question.. I am doing an online traditional welcome to the territory and I wanted to provide a little bit more detail to the slide.

Hupacasath means "people residing above the water"... what water is that referring to? Is that what is now known as Stamp Falls area?

Thanks so much!!

Cilla

Subject: RE: Summary: MSF Jan 12 Call with MP Fin Donnelly re. Fraser Watershed Initiative
Date: Monday, January 15, 2018 3:31:00 PM

Thank you – let me know if Connie should be scheduling a meeting for Fin and MSF, and what date this should be. Fin will be in his constituency Feb 18-24th. Although the 23rd was mentioned it is a MSF Constit Day

See request quoted here:

I'm Andrew Christie, constituency assistant for Fin Donnelly, MP. As a follow-up to their telephone conversation on January 12th, Minister Fraser suggested Mid-February as an appropriate time for a face-to-face meeting in Victoria with Mr. Donnelly and Kevin Scott of the Rivershed Society of BC, and gave your contact info to arrange a meeting.

We discussed the 23rd of February over the telephone, please let me know if there is a time that day which will work for the Minister.

Subject: Summary: MSF Jan 12 Call with MP Fin Donnelly re. Fraser Watershed Initiative

Hello all,

Below is a summary of the call Jan 12th with MSF and MP Fin Donnelly/ Kevin Scott re. Fraser Watershed Initiative.

Meeting with MSF and MP Fin Donnelly/Kevin Scott re. Fraser Watershed Initiative

January 12, 2019, 9:30 – 10:00am

Meeting attendees: MSF, MP Fin Donnelly, Kevin Scott, Jolleen Dick, Emily Chamberlain (staff)

- Fraser Stewardship Initiative covers entire Fraser River Basin (from headwaters in NE through to lower Fraser). This initiative has a number of themes including land use protection, land use planning (looking at Yellowstone to Yukon models of protecting corridors outside Fraser), restoration, and guardians program. The main purpose of call with MSF was to discuss engagement with First Nations with respect to 1) restoration, and 2) indigenous guardians program.
- MP Fin Donnelly previously met with FLNRD/ MDD in late 2017.
- Restoration: planning to hold a restoration conference in the Summer.
 - Themes of conference would include: 1) fire, 2) First Nations & restoration, 3) wildlife, salmon & restoration, 4) jobs & restoration, 5) climate change and restoration.
 - Conference would explore how to get First Nations involved with restoration. Many First Nations returned to their communities this summer to support the wildfire response, but had no opportunity to stay and work within their traditional territories. Theme of restoration as reconciliation (healing the land, healing the people).
 - Have talked to the Federal Minister of Natural Resources, Canadian Forests Services is committed to attend.
 - MDD has committed to speak at conference.
 - Are working with First Nation leaders to speak at conference.
 - Would like to have MSF speak at this conference. **MSF indicated he would like to take part in this upcoming restoration conference.**
- Indigenous Guardians Program
 - Exploring idea of a watchmen program in Fraser (specially mentioned Cariboo/ Chilcotin/ Merritt)
- Have been meeting with federal government trying to secure federal funding for land use protection initiatives.
- MSF spoke to current initiatives underway with First Nations in lower Fraser (e.g. Musqueam Collaborative Management Agreement, Stó:lo Collaborative Management Proposal).
- **MP Fin Donnelly / Kevin Scott would like to meet with MSF in person in February.** Jolleen provided her contact info to meeting participants to follow up re. meeting scheduling.
- Emily mentioned that MIRR staff could assist in supporting relations/ linking with First Nations if needed.

Let me know if you have any questions.

Emily

Hi Matt,

I can't make it but Emily Chamberlain could join the call. Can you send her the call details.

Hi Emily -. the informal bullets I provided are attached. There's also a FLNR BN with details on their initiatives supporting watershed management. If they ask for more info on the Musqueam CMA Karen Neilson or I can follow up afterwards. Otherwise assume our key role would be to see if we can assist in supporting relations with First Nations (if links not yet established) and potentially future discussion with them re coordination and possible resources to support First Nation stewardship initiatives.

Sent from my BlackBerry 10 smartphone on the TELUS network.

Hi Yvette,

MO would actually now like staff to join tomorrow's 9:30 – 10:00 AM call with MP Fin Donnelly and Kevin Scott on this matter. Would you be willing to join that call?

I've re-attached FLNR's BN as well as the bullets you sent me by email (I put them into a pdf).

Hi Matt,

I think FLNR's BN is covers most items. Below a couple of bullets to suggest.

- FLNR (with MIRR support) has negotiated a Collaborative Management Agreement (CMA) with Musqueam around stewardship in the Fraser River Transition Area (i.e. Lower reaches of Fraser River) focusing primarily on management of land and water tenures in the foreshore. FLNR is leading implementation of the CMA.
- s.13,s.16
- I note that the BN reference involvement of 55 NGOs. We encourage Rivershed Society of BC to engage with First Nations directly on some of their interests if such connections are not yet in place. A couple of possible forums to do this on the Fraser would be the [Lower Fraser Fisheries Alliance](#) and [First Nations Fisheries Council](#). We could also arrange for RSBC to present to the Solh Temexw Stewardship Alliance (comprised of 16 First Nations under the Stó:lo Strategic Engagement Agreement) if this was of interests.

Hi Yvette,

Are you involved in this file?

MSF is planning on having a call on Friday with MP Fin Donnelly and Kevin Scott. I have this BN from FLNR on the matter but am looking to see if we have anything else to add.

No one in my crew.

I wonder if someone from NROD/Surrey office have been involved. Yvette Lizée from region may know....

ciao

Gio

Subject: touching base

Hi Jonathan

Can we touch base tonight or sometime tomorrow? Few things to discuss

- Jan 31-Feb 1 training (days before and after)
- VIU Reconciliation Series
- Division of labour (previous worksheet that divided tasks)
- Fin Donnelly mtg request
- School District 70 request to meet with MSF (as Minister)
- Feb 9th MLA Event

Thanks ☺

Subject: UCLUELET OPEN HOUSE SUMMARY: Hwy 4 Kennedy Lake Project

Kevin;

Highway 4 Kennedy Lake Project Open House was from 4-7pm last night, in Ucluelet at the Community Center.

We had 86 attendees (more than double from the Tofino event), including:

- 3 councillor from Ucluelet, Chief of the Fire Department, emergency management coordinator, business owners and fish truck drivers/operators and media (the Westerly News did an interview with me).

Primary Themes - similar to Tofino:

- Questions and concerns around the duration of closure windows for traffic;
- Ability to reopen the highway in the event of health emergency and/or disaster;
- Was consideration given to an alternate alignment?
- Overall support for improvements.

We received many feedback forms from both events so the PM will be reviewing those to see if /what changes we will make to the tender documents, specifically the closure windows.

Janelle
