Good afternoon,

I hope this message finds you well.

I am writing on behalf of the Huu-ay-aht First Nations Councilor Trevor Cootes. Mr. Cootes is respectfully requesting a meeting with Mr. Fraser to discuss developments in the Province with respect to the BC Hydro Standing Offer Program (SOP). As you may be aware, Huu-ay-aht First Nations has been patiently awaiting issuance of an Electricity Purchase Agreement (EPA) under the SOP and pursuant to repeated assurances from BC Hydro that issuance of an EPA is imminent. We understand that recent developments regarding BC's energy infrastructure may be having widespread impacts on Independent Power Providers such as the Huu-ay-aht First Nation. It is for this reason that Mr. Cootes would like to meet with Mr. Fraser so that we can gain some clarity about the status of our project and what we can expect in the future with respect to the status of the SOP.

Mr. Cootes will be happy to meet with Mr. Fraser at his earliest convenience. If agreeable, please contact me at this email address and I can make the necessary arrangements.

Hello Connie and Christine,

The Premier is unable to meet with this group and as your ministers have both been copied, along with others, we would appreciate you following up on this request to meet and contacting the originator of the request below and MLA Throness' Legislative Assistant in regards to their email below.

Thank you for your kind attention to this matter and we appreciate your office responding to this request at your earliest convenience.

Let me know if you require any further clarification.

Cheers,

Chris

Per a voicemail I left on extension 71715 this morning, MLA Laurie Throness would like to schedule a meeting with the Premier along with seven of his constituents representing the Upper Fraser Valley First Nation Communities and Municipal Leaders. Please find attached a letter from these constituents that has been sent to your office both by the way of email and mail dated 1 March 2018.

Should the Premier have availability to meet, I would be happy to help coordinate the logistics with your staff.

Subject: Diabetes Canada - May 8 and 9

Hi Connie – apologies for the short notice on this but I wanted to see if the Minister (or his MA if the Minister is unavailable) would have any availability/interest in a quick briefing from Diabetes Canada next week while they are in Victoria for some meetings. They are briefing various stakeholders about their new initiative for preventing and managing diabetes in Canada. Diabetes (especially Type 2) is a particular health concern amongst First Nations communities, so there will need to be more of a focus on addressing their specific needs and challenges going forward. Russell Williams from Diabetes Canada will be in Victoria on Tuesday, May 8 and Wednesday May 9 next week and any time prior to 4 pm on Tuesday or after QP on Wednesday would both work. If you have any further questions just let me know,

Hi Connie,

To add to the confusion...I found out that Okenge is actually in Ottawa for this visit so not sure who would have requested his attendance. Suffice it to say, it will just be me and a policy colleague at this meeting tomorrow from IGRS.

Well, that actually makes 2 of us! It seems to me that MD Okenge Yuma Morisho wants to be at the meeting and IGRS contacted our DMO. Since Protocol is under IGRS, I would have assumed that if the DM was invited, your office would have done that OR IGRS DM's office should have contacted you, correct?

Hi Annette,

I had a question from my DMO:

Given that IGRS coordinated this meeting, does our MO need to agree to this or do we simply extend the invitation to IGRS? Specifically, IGRS is looking for DM Okenge Yuma Morisho to attend MSF's May 8 meeting.

Hi all – here are the speaking notes again for review so you have the latest version, as well as the news release with the quote for approval – quote pasted below for ease of reference given you’re on the road...

Couple of questions first though:

- Will the minister be doing a tour of the Kiixin tour invitation and/or the fly over of the Sarita site? There was talk of a fly-over of Sarita as a potential and/or a driving tour of Kiixin, but no one has closed the loop with the nation. If that is desired, they need to make arrangements. Can you please advise?
- Jolleen can you take photos for social media, etc?

Just so you’re aware, we are awaiting word from Minister Mungall’s office on whether she wants a quote in the release. We are also awaiting some of the logistical details on the event from the Nation, which we will put into the speech once we get them.

QUOTE FOR APPROVAL:

“The Huu-ay-aht First Nations have seized on an opportunity to lead the way in clean, renewable energy that also provides financial diversification for the community. The First Nations Clean Energy Business Fund is a tool that can be used to foster ingenuity and imagination and I can’t think of a better example of seeing that put into practice than this project,” said Scott Fraser, Minister of Indigenous Relations and Reconciliation and MLA Mid Island Pacific Rim.

Also require approval of the media advisory, which we could send this afternoon if you are able to review. That will give media a bit more planning time. Also pasted below.

ADVISORY FOR APPROVAL:

MEDIA ADVISORY – Ministry of Indigenous Relations and Reconciliation and Huu-ay-aht First Nations

ANACLA/BAMFIELD – Minister of Indigenous Relations and Reconciliation Scott Fraser will join Huu-ay-aht First Nations Chiefs Robert J. Dennis Sr. and Derek Peters on Friday, May 4, for an announcement regarding a clean energy project.

Minister Fraser will join Chiefs Dennis and Peters and members of the community during a special lunch event to celebrate the Province’s investment in an important community-owned project.

Event Date: Friday, May 4, 2018

Time: 11:30 a.m.

Location:

Anacla Government House
170 Nookemus Rd.
Anacla, B.C.

Draft social media also attached for you Jolleen! ☺

Please let us know if any of the materials require any tweaking.

Thanks!
Sarah.

Hi Matt,

Ok, VCO has booked the Executive Boardroom, for 15 people for the full two days, subject to change (VCO doesn't provide what room they give us anymore, as it always changes, but gave it to me for this meeting). Can you please provide me with a complete list of attendees from MACIW and if staff changes, then staff as well, for VCO security purposes. All staff and guests are required to come thru the front door, ring the doorbell, and let VCO know who they are, and they will show them to the appropriate room as the room could change.

So, because MSF won't be present for the full two days, VCO is asking that due to MSF not being fully present, that Ministry staff tend to the needs of the guests (as they expect of all staffers to do) and they also ask that everyone attending the 2 day meeting be aware that VCO can be quite busy on those days.

Any catering (if required) would also have to be organized/expensed by MIRR, including tea and coffee, as it's a large group and VCO doesn't provide that.

Anyways, new ways of doing things this time around, so things probably have changed! I talked to Jolleen and she did not put that in the calendar, just waiting for a chance to talk to Jonathan and I'm sure MSF will likely attend for most of the day, since he would travel to Vancouver for the meeting. Stay tuned!

Hi Connie,

I had asked Paula to put a hold in for the two days (I presumed, as always, minister would attend for a one- to two-hour portion of one of the two days of the meeting) but it may have been Jolleen who put in that full-day hold for June 15. See the attached

email between staff and Ann Marie/Jolleen.

This MACIW meeting will be a strategic session. I spoke with Sara Pye and it sounds like the focus will be a bit different than most MACIW quarterly meetings, and they're hoping to get minister for a full day, or most of a day.

I would think the same thing re: room at VCO. However, s.22

s.22 you'll recall that our staff asked for a room at VCO for a two-day MACIW meeting (at which MSF would attend only 1.5 hours) and they ended up getting the room from the PO (despite my assuring staff they wouldn't get the room). Nevertheless, I have let staff know there's a chance we can't get the room at VCO unless a minister is involved for the majority of the meeting duration.

Hi Paula,

MSF has a hold in his calendar for the June 14-15 MACIW Quarterly Meeting in Vancouver. Staff have confirmed that they'd like MSF to attend for the day on June 15 from approximately 8:30 AM – 5:30 PM. Regardless of whether he's able to attend for that long—can you please amend the hold in his calendar to now be for that day and that chunk of time?

Also, can you please contact the Premier's Office in Vancouver (the Vancouver Cabinet Office, VCO) to see if there's a room that we can reserve for the two days of the MACIW meeting? We need a room with 15-person capacity for June 14 and 15 from 8:30 AM – 5:30 PM on both days.

You likely have the contact information already but, if you don't, the VCO room booking contact has been Virginia Bremner in recent years.

I'll follow up with you/Connie as I get more information on the June 14-15 MACIW meeting. Thanks!

I should follow up with Chris McLaren in the PO before proceeding, to see what their expectation is of our office. Looks like we are definitely the lead, but still need some direction from the PO, since MSF was not at the meeting. Also, looping in Jonathan and Ann Marie, as I think one of them attended after MSF make a quick but very brief appearance.

Let me know if you want me to follow up with Chris in the PO?

Hi all – This one looks like something the minister would probably be interested in doing. Any chance

we could tentatively book time in his calendar at 2pm on Tues May 8th just as a hold until I can do up a formal request to run by him? I have more info from the producer as far as questions and such that he wants to get into.

Thanks,
Sarah.

Hi Scott,

Harold Joe, my First Nations producing partner, and I are creating a documentary, Dust n' Bones, and we would like to interview for it. Gary Holman suggested we reach out to you.

Dust n' Bones — This is a Telus Storyhive project, and will broadcast second window on APTN. Dust 'N Bones is a POV documentary that brings to light the legal, political, historical and spiritual challenges faced by First Nations leaders and archaeologists as they work to give disinterred ancestors their proper reverence. Framed around the pending transfer of the human remains from the Royal British Columbia Museum in Victoria, BC, Canada, Dust n' Bones takes us through the discovery, preservation and rededication of human remains, and with them, a reclamation of First Nations culture and history. The main thread of Dust 'N' Bones is the day-to-day (and overnight) work of Harold Joe, a revered archaeological consultant and filmmaker who has been challenging cultural and spiritual appropriation by museums, universities and private collectors for over 40 years.

Please let us know if you would be willing to do an interview and if so, a good day/ time that would work with your schedule.

Currently we have openings in our Production schedule:

April 24th at approx 4:30 pm

April 27th at 12 Noon

May 7 - 9 — flexible times

Thanks for considering this.

Good afternoon,

I hope this message finds you well.

I am writing on behalf of the Huu-ay-aht First Nations Councilor Trevor Cootes. Mr. Cootes is respectfully requesting a meeting with Mr. Fraser to discuss developments in the Province with respect to the BC Hydro Standing Offer Program (SOP). As you may be aware, Huu-ay-aht First Nations has been patiently awaiting issuance of an Electricity Purchase Agreement (EPA) under the SOP and pursuant to repeated assurances from BC Hydro that issuance of an EPA is imminent. We understand that recent developments regarding BC's energy infrastructure may be having widespread impacts on Independent Power Providers such as the Huu-ay-aht First Nation. It is for this reason that Mr. Cootes would like to meet with Mr. Fraser so that we can gain some clarity about the status of our project and what we can expect in the future with respect to the status of the SOP.

Mr. Cootes will be happy to meet with Mr. Fraser at his earliest convenience. If agreeable, please contact me at this email address and I can make the necessary arrangements.

Can you have staff go back to Lake Babine and let them know that we are still working on a date for this and see if they would be available for a meeting on June 5th, at 11 am? I will call you!

Thanks,

I don't know. I got the request from Tom McCarthy and Trish. I always presume you/the MAs discuss on your end (as to whether MO agrees to have the meeting). That said, I would think Tom would've raised this to JS/AM at the recent meeting with MSF and LBN, which Tom attended.

Hi Connie,

Can we please schedule a one-hour meeting in Victoria for some time in April with MSF/MDD/MDE and Lake Babine Nation regarding "recognition and implementation of UNDRIP and s. 35 jurisprudence"? (more information below)

Tom McCarthy has noted that we don't need to include PJH in this meeting, despite his inclusion in Doug White's email below.

Should it be difficult to get all three ministers soon after House rises—the priority is to have a

meeting with, at least, MSF or MSF/MDD. If absolutely necessary, the meetings can even be separate.

Subject: MIRR Public Service Week BBQ

Hi Connie,

On Thursday, June 14, from 11:30 AM – 1:00 PM, MIRR will host its annual Public Service Week BBQ. In this event, Doug and exec host a bbq (and do the bbq'ing, themselves) for staff as an appreciation event. It's always the largest of MIRR's Public Service Week events.

Doug asked me to extend an invitation to MSF and all MO staff to attend the June 14 BBQ. It will be on the 5th floor of our office at 2957 Jutland Road.

I note that MSF has the 1:00 PM meeting with HTG/Green MLAs that day. Also, I just emailed you earlier about the possibility of MSF joining the MACIW meeting on June 14 instead of June 15, in which case MSF definitely wouldn't make the BBQ.

Please let me know if MSF and/or MO staff are able to attend the June 14 BBQ.

Hi Connie,

I had previously sent these materials for MSF's meeting with Ahousaht this week. These materials will also be used for the May 18 meeting with Ahousaht. We might have some supplementary materials but I think this will be it.

MSF needs to review and sign the decision note ahead of the May 18 meeting. As you can see, MDD has signed the DN.

Hi,

We will need to get this set up as soon as possible. Thinking maybe on a constit Friday? Jolleen – were you able to block off that time we discussed last week? I'll let you manage who will reach out from your office(s), but the contact to reach out to is Tara Atleo. Staff to attend should be Cheryl MacLay, Rhonda Morris from FLNRO; Don Cadden, BC Parks; and from MIRR Karen MacDowell and Larianna Brown.

We can have an 8am water taxi ready to leave Tofino to Ahousaht that day. Meet from 9am to 12noon, then lunch and water taxi back to Tofino just after 1pm.

Agenda will be organic with focused topics including housing, emergency planning and services, and health.

Hi Connie

I am trying to figure out what needs to be done on this ticket. Do you still have issues with waking the computer in the morning and have to do force restarts? If so, I can come on site to either tweak some BIOS settings or plan for a motherboard replacement. If it wakes up fine, I can close this ticket.

Let me know how it goes Thursday morning.

Hi Matt,

No I don't usually need know the attendees for the weekly, if it's in the Leg. Only if we have staff calling in and in person, then I need to know who is doing what. If it's at VCO then, and if anyone would attend in person, I would need to know. I generally don't check the Agenda because it changes all the time and last minutes changes may take place as well.

Thanks, did you let the hotel know that both MSF and JS how late they are arriving on May 10th, in Terrace? If not, can you please call the hotel and let them know they will both be late arrivals and not getting to the hotel till around midnight. The hotels always ask what time they are arriving, so just making sure you let them know that, as we don't want them to lose their reservation.

Thanks,

Do you want to use the DMO line for the FPCC call?

Hi Connie,

We had spoken on the phone last week and moved this briefing to this morning's weekly.
Unfortunately, they didn't get around to covering this item in the weekly today.

Could we reschedule this for tomorrow as a 15-minute call?

Could we move the Gitanyow pre-brief to 11:10 AM and shorten it to 25 minutes (so, 11:10 – 11:35)
and then schedule the FPCC appointments briefing either at 11:35 (using the DMO conference line)
or 11:40 for 15 minutes?

Laurel and May Mah-Paulson will attend. We'll provide materials.

Could we adjust the May 7 MMIWG briefing to be 3:10 – 3:25 and then do the FPCC briefing from 3:25 – 3:50? Laurel and May are both attending that MMWIG briefing (so it would be convenient) and this would still give MSF a few minutes between meetings.

Hi Connie,

We need to schedule a pre-brief for Friday's meeting/visit with Nisga'a.

I think what we could do is move Thursday's pre-brief for the Green Caucus meeting to Monday's weekly meeting, extend the weekly by 10-15 minutes to give a little more room (and this would allow the rest of exec to participate), and use the open slot on Thursday for the Nisga'a pre-brief.

Would that work? If not, please advise if you think there are any other 30-minute slots prior to Friday.

We're still working on staff support for Friday's meeting with Nisga'a.

I am wondering if maybe we could do it on Tuesday during the normal comms meeting time at 1:30. Then Stephen could set up while the minister is in caucus. Maybe I could have the Monday slot then. Would that work?

Hi Connie - our videographer at GCPE HQ is looking for 30 min with the Minister to do a shoot for a video project early next week... ideally there would be 15 min prior where he could do set-up. Are there any possibilities? It's time-sensitive unfortunately.

Thanks very much for your help with this!

Hi Matt,

MSF/MDD/MGH/MDE are all available for a meeting, in Vancouver, on June 5th, from 2-4 pm.
Haven't heard from MMM but they will let me know if MMM is available to join. Since we have 4

out of the 5 Ministers, can you please have staff confirm that this works for TNG. There are no May dates that work during Session or during break weeks.

I will need the names of everyone attending as soon as possible, as I will need to book a room over at VCO for this meeting and we'll need a large room, so the sooner we can get the names the quicker I can get the room booked, please include staff as well. I will get a pre-brief booked as soon as I have confirmation on the June 5th date.

The PO has identified Don Bain as their representative for future TNG table meetings.

I think that—given the challenging circumstances of the request—early June would be alright. The topics will be confirmed closer to the meeting but staff expect the meeting will cover, among other matters, s.13,s.16

s.13,s.16

For further context, the Leadership Table meetings are a commitment under the TNG Accord. Also, at the Oct 31, 2017 meeting, PJH committed to a March 2018 meeting with TNG.

Hi Connie,

We're ready to begin scheduling the next TNG leadership table meeting. We're awaiting confirmation from the PO on who they want to be their representative at the table—as PJH had committed to identifying at last October's meeting.

In the meantime, we do know that the meeting needs to include MSF/MDD/MDE as well as MMM/MGH, if possible. The meeting should be three hours and in Victoria. MIRR is looking for this meeting to occur in May, if possible.

Given that challenge of scheduling such a meeting, I think you should probably go ahead and reach out to the other MOs to begin looking for dates, and we can loop in the PO once they've identified their representative.

Hi Matt,

MSF/MDD/MGH/MDE are all available for a meeting, in Vancouver, on June 5th, from 2-4 pm.
Haven't heard from MMM but they will let me know if MMM is available to join. Since we have 4 out of the 5 Ministers, can you please have staff confirm that this works for TNG. There are no May dates that work during Session or during break weeks.

I will need the names of everyone attending as soon as possible, as I will need to book a room over at VCO for this meeting and we'll need a large room, so the sooner we can get the names the quicker I can get the room booked, please include staff as well. I will get a pre-brief booked as soon as I have confirmation on the June 5th date.

Thanks,
Connie Roberts

The PO has identified Don Bain as their representative for future TNG table meetings.

I think that—given the challenging circumstances of the request—early June would be alright. The topics will be confirmed closer to the meeting but staff expect the meeting will cover, among other matters, s.13,s.16
s.13,s.16

For further context, the Leadership Table meetings are a commitment under the TNG Accord. Also, at the Oct 31, 2017 meeting, PJH committed to a March 2018 meeting with TNG.

I highly doubt that we will get a 3 hour meeting with Minister's during session, in May. June is probably more likely, I will see what the other MO's say. Can you please send me specific topics for discussion, as I know all the MO's are going to ask.

Thanks,
Connie Roberts

Hi Connie,

We're ready to begin scheduling the next TNG leadership table meeting. We're awaiting confirmation from the PO on who they want to be their representative at the table—as PJH had committed to identifying at last October's meeting.

In the meantime, we do know that the meeting needs to include MSF/MDD/MDE as well as MMM/MGH, if possible. The meeting should be three hours and in Victoria. MIRR is looking for this meeting to occur in May, if possible.

Given that challenge of scheduling such a meeting, I think you should probably go ahead and reach out to the other MOs to begin looking for dates, and we can loop in the PO once they've identified their representative.

Hi Lisa and Tanera,

I have been asked set up Leadership Table meeting with your Minister's and the Tsilhoqot'in National Government (TNG). Kate and Kirsten, we would like to have your Minister's at this meeting as well, if possible.

The challenge is going to get all Minister's together on a date and time, as this meeting will need to be at least 2 hrs long plus a ½ hr. pre-brief with all Minister's and staff a few days ahead of this meeting. I have been asked get this set up sometime in May, however, early June is fine as well.

Can you all please send me any and all dates that your Minister's could be available for this meeting in May and up to mid-June? Once the House rises, it would probably be best for a Vancouver meeting.

Connie Roberts

The Leadership Table meetings are a commitment under the TNG Accord and at the Oct. 31st, 2017 meeting, PJH committed to another meeting in March 2018. Your DM's will be aware of these meetings as they have happened regularly. The challenge is going to get all Minister's together on a date and time, as this meeting will need to be at least 2 hrs long plus a ½ hr. pre-brief with all Minister's and staff a few days ahead of this meeting. I have been asked get this set up sometime in May, however, early June is fine as well.

Can you all please send me any and all dates that your Minister's could be available for this meeting in May and up to mid-June? Once the House rises, it would probably be best for a Vancouver meeting.

Thanks,
Connie Roberts

Hi there,

You are receiving this E-mail because you have a BMO Province of BC purchasing card and/or a BMO BTA Account.

- **BMO Details online** - You may have already heard that BMO will be transitioning the BMO Details Online program to a new online program called **BMO Spend Dynamics**. This program offers enhanced usability and flexibility. BMO Travel cardholders have been using this new program since October, 2017.
- **Fiscal Year-end** – Please note nothing is changing for year-end. This will be a new process for the new Fiscal Year – FY19.
- **Monthly reconciliation** – There will be a change to the process for downloading your statements into the FIN 122A/B form. We are currently working on the new procedures.
- **User ID/password** – Your userid/password for the PCard/BTA program will be your Email address with a number 1 at the end.
- **Emails** - You will begin to receive communications from BMO and myself in the coming weeks. Emails from do-not-reply@spenddynamics.com are ***not*** a phishing attempt. These will contain important information and instructions.

Hello,

We have been contacted about meeting with the Sechelt Nation and they have mentioned that they have been in talks with both of your Ministries. Minister Mungall was wondering if we could be updated as to where your ministries are with them and if there is any information we should be aware of before moving forward with the meeting.

Thanks

Good morning Minister Mungall,
I am writing to request a meeting to discuss the ongoing reconciliation work between our two governments. shishalh Council has been working proactively with Minister Fraser and Minister Donaldson to develop a new long-term relationship based on respect and implementation of our title and rights, and that provides for predictable economic development and collaborative environmental stewardship throughout the region. We have made good progress at the table and I understand that the MIRR and FLNRORD team is well advanced in seeking the necessary approvals to be able to conclude our negotiations. We wish to update you on this critically important work and explore how we

can work more closely with your Ministry.

We would appreciate a meeting as soon as possible and would be pleased to meet with you in Victoria or Vancouver at your convenience. Please have your staff contact Jasmine Paul at jpaul@secheltnation.net to set up a meeting.

Hi Matt,

Jonathan asked that a call be set up with MSF and Chief Wayne Christian of Splotsin FN. He wanted me to work with Alexandra Banford, who knows about this call. Now going thru your office to Alexandra, please. I can reach out to the Chief or Alexandra can reach out. We'd like to schedule this on May 10th, at 4:00 pm. Apparently Alexandra will need to brief the Minister prior to the call, which would have to be done at 8:45 am on the 10th, via conf. call. I will also need the Chief's phone number for MSF.

Thanks,
