Hello all,

I'm writing to follow up on the request Cara made of you in yesterday's staff meeting.

We're looking for examples of progress on our issues and policies for inclusion in the Throne Speech.

We know we can build faith in our vision for the province with people by pointing to the successes we've already had.

We're looking for both qualitative (great stories) or quantitative (hard numbers) examples. If any stories involve individuals we would, of course, anonymize the anecdotes.

Please email both me and Cara with the information.

The deadline is January 31.

Thank you,

Dear Ms. Ronna-Rae Leonard,

We are political scientists from the University of Guelph, emailing to request your participation in a survey (open January 8th, to 20 February 2018).

Une version française de cet email est ci-dessous.

In the context of the Truth and Reconciliation Commission of Canada's Final Report on the Indian Residential Schools, we are conducting a short confidential survey of elected officials across Canada. We hope as political scientists to gain a clearer view of what elected officials across the country think on a variety of issues related to Indigenous peoples, truth and reconciliation, and political change in Canada. This survey is being sent to every elected Member of Parliament, Senator, and provincial, and territorial representative in Canada. It builds on a similar survey conducted by David and Mark in 2011, which was published as "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" Canadian Political Science Review, Vol. 6, No. 2, 2012, 117-130.

The research is sponsored by the Social Sciences and Humanities Research Council of Canada and the University of Guelph. The research team is composed of:

- David MacDonald (a full professor and research leadership chair in the Political Science Department at University of Guelph – Principal Investigator)
- Mark Mitchell (PhD Candidate in Political Science at University of Guelph – Research Assistant)
- Brian Budd (PhD Candidate in Political Science at University of Guelph – Research Assistant)

The information from this survey will be used by David, Mark and Brian for academic purposes only, which will include conference papers and peer-reviewed publications. It will not be used for any commercial purpose. The preliminary results will be posted on my departmental website and may be viewed once we have interpreted the results.

Ethics:

This project has been reviewed by the Research Ethics Board for compliance with federal guidelines for research involving human participants. Click on the link below to go directly to the Web-based survey to begin. We will provide detailed instructions before you begin. The survey should take approximately ten minutes to complete.

The website will be open for six weeks to allow you time to participate at your convenience. Please note that your participation is entirely voluntary and you may refuse to answer a question, or may withdraw at any time by not submitting the questionnaire.

We are aware that you are extremely busy, and we will be extremely grateful if you can take the time to complete this survey for us.

Thank you in advance for your help.

Nous sommes chercheurs en sciences politiques et vous écrivons pour solliciter votre participation à une enquête. ((disponible du 8 janvier au 20 février 2018).

Dans le cadre du rapport final de la Commission de vérité et de réconciliation du Canada au sujet des pensionnats indiens, nous menons une enquête confidentielle auprès des représentants élus à travers le pays. Nous espérons que nous, en tant que politologues, pourrions acquérir une vision plus claire de ce que les élus du pays pensent concernant une variété de questions liées aux peuples autochtones, aux minorités visibles, et aux changements politiques au Canada. Cette enquête sera envoyée à tous les membres élus du Parlement, aux sénateurs, et aux représentants provincial et territorial du Canada. Elle s'appuie sur une enquête similaire menée par David MacDonald et Mark Mitchell en 2011, publiée sous le titre "Genocide, Reconciliation, and the Residential Schools: A Survey of Federal, Provincial, and Territorial Attitudes among Elected Officials in Canada" *Canadian Political Science Review*, Vol. 6, No. 2, 2012, 117-130.

Notre projet de recherche est parrainé par le Conseil de recherche en sciences humaines du Canada et l'Université de Guelph. L'équipe de recherche est composée de :

- Mark Mitchell (candidat au doctorat en science politique à l'Université de Guelph, assistant de recherche)
- Brian Budd (candidat au doctorat de science politique à l'Université de Guelph, assistant de recherche)

Les informations recueillies seront utilisées par David MacDonald, Mark Mitchell et Brian Budd à des fins exclusivement académiques, lors de communications de colloques et de publications à comité de lecture. Elles ne seront en aucun cas utilisées à des fins commerciales. Les résultats préliminaires de l'enquête seront publiés sur mon site Web professionnel et pourront être consultés lorsque nous aurons interprété les résultats.

I am copying Tim MA from MDD office and James from MMM office. Tim is hoping we can find another date for CSTC meetings so FLNRO leadership can staff event. I know you've been working with Lisa directly on this, but wanted to make sure I close loop before I leave on holiday

Tim: can you please provide a range of other possible dates for this meeting that are either before Feb 6th or shortly after?

James: Copying you so you are in the loop and that this all works for MMM.

Connie: can you touch base with Matt once we have some possible dates so we can run them by CSTC?

Hi Jonathan/Connie,

FLNR's DMO has advised that MDD now has to attend an event in Vancouver on Feb 6. With his schedule, he now won't be able to attend the Feb 6 CSTC leadership meeting unless it's in Vancouver.

In his calendar, it looks like MSF could take the meeting in Vancouver. Do you know if MMM would be able to travel to Vancouver for the Feb 6 meeting? If not, we'd have to reschedule the meeting.

Note that I/staff haven't checked with CSTC on this yet but I presume they'd be fine with the meeting in Vancouver. Staff/I can check with CSTC once we know if MMM is able to go to Vancouver.

Hi Connie/Jonathan,

CSTC have agreed to the Feb 6 meeting ONLY if we can also give them a 30- to 45-minute meeting with the ministers during the NR Forum in Prince George.

s.16 . Staff have recommended having this short meeting during the NR Forum s.16 ahead of the main leadership meeting.

We already have MDD and MMM (her, tentatively) scheduled on Jan 16 from 3:00 – 4:00 PM for the ESI meeting. Pending the other ministers' schedules, we could possibly do a short CSTC meeting after the ESI meeting.

Hi Matt,

MDD and MMM will not be available to travel to the community prior to the House sitting. MSF/MDD are both available in person on February 6th, in Victoria, from 1:30-3:30 pm. MMM is available only by phone that day, but EMPR staff will attend in person. We will do the pre-brief with all Minister's on the same day at 1:00 pm. We will do a MIRR only pre-brief on Jan. 29th, at 2:30 pm.

Please confirm that this will work for CSTC, it's really the only time before the House sits that we can get a 2 hr meeting in.

Hi Connie/Jonathan,

CSTC have now asked for the (TBC) leadership meeting to be held in one of their member communities. MIRR staff have recommended that the ideal community would be Nadleh Whut'en at their new administrative building: <http://www.nadleh.ca/news-and-events/news/nadleh-whuten-new-administrative-building/>

Nadleh Whut'en is located in Fort Fraser, which is about a one-hour-and-forty-minute (1:40) from Prince George.

MIRR staff indicated to CSTC that this might be unlikely, due to the ministers' schedules.

Hi Connie,

Doug has asked that we schedule the next CSTC leadership meeting for late January or early February with MSF, MDD, and MMM (EMPR). We'll also need a joint ministers pre-brief in advance of the meeting.

The meeting should be two hours and can be in Victoria. As with previous leadership meetings, you can offer us some dates/times and we'll ask staff to confirm a date with CSTC.

Given the work that's needed in advance of the meeting, as well as MSF's full January schedule, I think it's best to look at the first two weeks of February.

Checked Baggage Allowance

A checked bag is one (1) item, weighing up to a maximum of 50lbs (23kg) with maximum linear dimension of 62" (158 cm). Linear dimension is calculated by adding together the bags outside height, width and length. All wheels and handles should be included when measuring. Checked baggage fees may apply depending on the fare selecting at the time of booking.

We make every effort to ensure your luggage travels with you. However, there are times where we cannot accommodate all checked baggage due to payload restrictions. We trust our passengers will keep this in mind when packing, keeping important items with them in their carry-on (i.e medication, keys, etc.).

Pacific Coastal Airlines does not accept single checked bags exceeding 70lbs (except for large checked pets). An overweight item is a single piece of checked baggage between the weight of 51lbs and 70lbs. In addition, an oversized item will be any single piece exceeding 62" linear dimensions.

Carry-on Allowance

Please ensure your carry-on bags are within the maximum size allowance as indicated below. They are required to fit in the sizing devices located at check-in and boarding gates. Items exceeding the free carry-on allowance will be checked at the gate and customers will be charged applicable baggage fees. Bags will be tagged for delivery to baggage claim area at the passenger's destination.

Check-In

Guests should check-in 60 minutes prior to the scheduled departure time with appropriate government issued identification. Flights may not be put "on hold" to wait for late-arriving passengers, as departure and arrival times are carefully managed by airports, and checked-in passengers would like to leave on time. Failure to check-in 20 minutes prior to the scheduled departure time, may result in cancellation of your entire reservation. Check-in will not be permitted once flight boarding has commenced.

Checked-in passengers not present at the boarding gate a minimum of 15 minutes prior to flight departure will be denied boarding.
