Hi Rachel,

I'd like to set up a quick chat with you on our response to the Gitanyow letter. If you could bring one of the negotiation staff on Gitanyow who can speak to the comments around rights and title recognition and the participation at the Gitanyow/BC Joint Resources Governance Forum that would be useful.

Rosanna, if you can find a time either Thursday or Friday that works for our schedules a 1/2 h phone call will be sufficient.

Thanks,

Subject: Update: Smithers FN LNG engagement

Hello Tom,

Just an update that we had the FN LNG competitiveness meeting in Smithers. No serious concerns.

Attendees included Chief Jackie Thomas, Chief Dan George, Rick Connors of the GDP, Tara Marsden of Gitanyow, and Ruby, Sophie and Karen Ogen with much of the LNG Alliance team. MPMO West was also there.

General discussion around competitiveness, skills and training and employment. s.16
s.16

The only controversial exchange was when Tara challenged the letter of support provided by the LNG Alliance for PNW while the Gitanyow were participating in the legal challenge for that project. She stated that they felt undermined by the LNG Alliance. Tara didn't stay for the rest of the session.

That was pretty much it. Let me know if you have any questions.

Rachel
