Hi Len,

Sorry to bother, however, I have a couple of questions about the itinerary:

July 31<sup>st</sup> – Trip to Skedans

- It says 8:30 am, but need to leave by 7:30 am, does that mean leave the Marina at 7:30 am? I just need to give MSF enough travel time from his B&B which is approx. a 40 min drive
- FYI – the Minister needs to do the emergency test call at 10:00 am, not 10:30

August 1<sup>st</sup> – Meeting w/ Haida Reconciliation Team (CHN Skidegate office)

- Where in Skidegate is that, I tried googling an address but it just gives me the Masset location, not an office in Skidegate?
- I see that you are making a shuttle reservation for the ferry to the airport for everyone, so I'm presuming then that you will be taking the car for MSF on the Skidegate side?

Thanks for everything Len!

***Cheers,***

Hi Connie,

Is it possible to schedule a 30-minute briefing with MSF/MDD/MMMungall in the next week or two, or are MDD/MMM now unavailable?

Alternatively, assuming MDD/MMM are unavailable—we can schedule this briefing with MAs. This should be a joint briefing, though (not separate briefings).

I know that MSF's schedule is full but one option is to use the July 10, 3:00 – 3:30 PM time slot—as I'm going to be emailing you soon to ask to postpone the FN Gaming Commission pre-brief to July 23 (I'm just waiting on some details).

Hi Connie,

See below the action item from yesterday's weekly briefing. Can you please schedule a call between MSF and MMMungall regarding TLE?

I think this call should occur before July 16. I think it's to be a one-on-one but Jonathan/Ann Marie can confirm that.

Let me know if you need staff support.

Hi Jonathan/Jolleen,

I just had a very nice chat with Ray and he will be sending me very detailed information on exactly how to get to the Boundary Bay Airport and the specific hangar that MSF/Jolleen need to get to, as apparently it all very new at that airport. I did let him know that MSF/Jolleen will be overnighing at the Fairmont Airport on the evening of July 21<sup>st</sup>, so it's fairly close to Boundary Bay Airport. Jolleen, you and Minister will need to be at the airport no later than 8:15 am to catch the Charter. I will be adding all the specific details to the calendar, once Ray sends them to me.

I will also follow up with staff to find out who exactly is driving MSF/Jolleen back to Williams Lake on Sunday afternoon.

Don't suppose either of you have any further information on the event and the evening event for me? I still don't have an specific details in the calendar. If you don't I will follow up with Tania!

Our office is at 700 Capilano Road on the Nanoose Reserve the meeting is scheduled for July 18/18 at 10:00 am to 2:00 pm. We want to introduce our Society and let you know what we're all about.

We represent three families on Vancouver Island namely Coast Salish, Nuu-chah-nulth and Kwakwaka'wakw and the groups are all Elders.

Yes, this would be good to set up jointly – we can share many things we are doing in regard to Call to Action 62.1.

Right now we are booking meetings for September and beyond. Please have your AC reach out to ours – I have copied her on this email.

Thanks!

Hi Will,

Sorry for my delay in replying, this is a different group from the reconciliation Canada group , we could try to set up a meeting that both our ministers could attend ? I have worked with this group in the past and they do good work I think we just need to share the good work we are doing : )

Should we get our AC to connect ?

Good afternoon Hon. Rob Fleming and Hon. Scott Fraser,

I am the BC-Yukon KAIROS Regional Representative for KAIROS,<sup>s.22</sup>

Legislative

Assembly and Ministers responsible for Education and Indigenous Relations and  
Reconciliation. We would like to request a time to meet with you and present you with  
petitions collected  
over the past two years regarding Truth and Reconciliation Call to Action 62.1.

The specific wording of this petition is as follows:

To the Honourable the Legislative Assembly of the Province of British Columbia, in  
Legislature Assembled:

The petition of the undersigned petitioners, of the Province of British Columbia,  
states that:

Whereas for six years the Truth and Reconciliation Commission of  
Canada [TRC] listened to thousands of former  
students of residential schools and their families testify to the devastating legacy  
of this national policy of assimilation;

Whereas the TRC calls upon “the federal, provincial, and territorial governments, in  
consultation and collaboration with

Survivors, Aboriginal peoples, and educators, to make age- appropriate curriculum  
on residential schools, Treaties, and

Aboriginal peoples’ historical and contemporary contributions to Canada a  
mandatory education requirement for

Kindergarten to Grade Twelve students” [CA 62.1], and;

Whereas on July 15, 2015, all of Canada’s premiers indicated their support  
for the Truth and Reconciliation Commission’s 94

Calls to Action and said they would act on them in their own provinces and  
territories;

Your petitioners respectfully request that the Honourable House urge the  
Government of British Columbia to fully implement such  
a curriculum for kindergarten through Grade 12.

We understand that BC has made good progress and made public commitments to  
incorporate and implement this Call to Action 62.1 and yet we also understand there  
remains much to still work on.

If it would be at all possible to meet sometime on Thursday or Friday this week that  
would be most appreciated. I understand how busy your time is and if it worked to  
present them to both of you at the same moment  
that would be wonderful, if not I would ask for a time to present them to you, Hon.  
Rob Fleming, Minister of Education.

Sincerely,

Janet Gray

Sarah mentioned MCFD may have a signing ceremony with Secwempc on July 23<sup>rd</sup> in Vancouver (tentative)– if Secwepemc are in Vancouver perhaps that will work best to do LOC if ministers are around.

Not sure how well option 1 would work if leadership are perhaps in Vancouver?? If MCFD doesn't do this, then I imagine this would be our best option as July 24<sup>th</sup> looks quite full already.

Connie can you check for both July 23 and 24?

MSF does have a commitment from 10-11am on Mon July 23. I imagine all Ministers would be on the same call at 10am as it's whipped.

Ok thinking 2 options for MSF and Secwepemc LOC signing...

1. Drive from Williams Lake to Kamloops on the evening of the 22nd. Do Secwepemc in the community on the 23rd and fly out.
2. OR the preferred would be 23 take as a personal day, do Secwepemc on the 24th (we will need to carve out some time) in Van if all the chiefs are there. Staff are looking into it to make sure the Chiefs could be in Van.

Connie, are you able to see if MDD, MMMungall, MCT or MGH are also in Van on the 24<sup>th</sup>?

Hello Ladies,

MSF is travelling to Haida Gwaii on July 27<sup>th</sup>. We have a staff briefing regarding that trip on July 23<sup>rd</sup> at 3:00 pm, via conference call. I have been asked to see if your Minister's and staff would be available for this call as well and if your Minister's are not available, then Senior Ministry staff would be great and would be regarding Haida's National School of Indigenous Forestry at UBC/adult education initiative.

We have scheduled the briefing for an hour, so your Minister's/and or Ministry staff could dial in at the beginning of the briefing and then leave the call when your portions are done.

MIRR staff on the call will be: MSF; Jonathan Sas; Doug Caul (DM); Heinz Dyck (Chief Negotiator); Shawna French (Director of Exec. Operations)

Call in details:

**Conference call details:**

**Dial In: 1-877-353-9184**  
**604-681-0260 (Van. local)**

**Moderator: Scott Fraser**

Yes, please in the Victoria office, room #323. Confirmed then for Sept. 4<sup>th</sup> at 5 pm. We actually don't do calendar invites, this email would be our confirmation of the meeting!

I actually get more work done from home than when I'm in the office, it's great! ☺

Hi Victoria,

I see I missed a call from you, sorry, I needed to follow up with Jonathan on this before I went ahead and scheduled the meeting. The first available time that Minister Fraser is available would be 5 pm, on September 4<sup>th</sup>. The next available time would not be until September 18<sup>th</sup>, at either 9 am or 9:30 am or 1:00 pm? The Minister is away<sup>s.22</sup> and his September is very quickly getting very hectic!

Let me know what works for Charley!

Sept 26<sup>th</sup> for Musqueam, before Cabinet then? I'm not sure that would work for all Minister's involved, but I can make the suggestion?

I have let MDDs office know that we need to find another date for Skeetchestn, that one was still holding and not confirmed yet.

I have already moved the 2 briefings to the previous week and cancelled the weekly, but will reinstate the weekly as a conf. call for the Monday, just let me know?

Hi Connie

As mentioned on the phone - you're correct, this one hasn't been through our approvals. I sent this to IRR when received, it's cliffed 45368. This one is still with staff for advice which the MO is still waiting for. I don't think MSF would be able to travel to one of the communities on the 24<sup>th</sup> as mentioned in the email below.

I was cc'd previously, wondering if Kaitlan has replied to you/Heidi yet as I haven't received anything. We will need to reorganize this one. If Cabinet is in Vancouver on Sept 26<sup>th</sup> that may work best in the AM if other ministers are avail. (but let's wait for MA approval)

With that cleared out of the way and not confirmed – the briefings can be by phone or moved to the week prior letting MSF be in his community on the 24-25<sup>th</sup> if the afternoon meeting on 25<sup>th</sup> can also be moved.

Thanks,

Hi Kaitlan,

Thanks for your email this morning.

Unfortunately, Wednesdays don't work for meetings for any of the Ministers as there are usually committee meetings they must attend in Victoria on Wednesdays.

The day that works for Ministers James, Fraser and Sims, where they can be in one of your communities, is Monday, September 24<sup>th</sup>.

I have also added Connie Roberts to this email as she is the Admin. Coordinator to Minister Scott Fraser.

Let me know if that date works for the MST leadership.

Thanks...Heidi

**Subject:** BC Achievement Foundation Fall Event Schedule

Dear Connie,

Thank you for your call last week regarding Minister Scott Fraser's schedule and the possibility of him attending two of the fall events the BC Achievement Foundation presents. As promised, here are the details around each of the program presentation ceremonies.

1. The first event is the 10th annual BC Indigenous Business Awards (IBA) on **Monday, October 15th, 2018 @ 5:00pm** (Special Reception) 5:30pm (General Reception) and 6:30pm (Gala Dinner). The Ministry of Indigenous Relations and Reconciliation plays a key role in this important program in partnership with the Foundation in delivering and presenting the awards program. MIRR has been a partner of IBA since its inaugural year and a Minister or Premier has attended each event on behalf of the province. The Minister's attendance is critical at the ceremony as it validates the importance of holding up excellence in business and shining a spot light on those who are leading the way in their chosen industries. The awards cover six categories and includes an Individual Achievement Recipient and Youth Entrepreneur. Past recipients are invited to the gala and asked to present awards in their specific category. Over 650 individuals attend the gala dinner and celebrate together. The theme for the 2018 gala is *inspire change*.

2. On November 20th, the Foundation will present the annual BC Creative Achievement Award in First Nations Art where six awardees will be honoured and celebrated. The venue is The Roundhouse and the event begins at 5:00pm - 8:00pm. An art exhibit is installed showcasing the recipients work and again, the Minister of Indigenous Relations and Reconciliation or the Premier has participated in the ceremony for the past 12 years of the award, until last year.

Because of the restrictions in the House and the need to keep members on a tight leash when the House is in session - Minister Fraser created a video message for each of the 2017 awards. They were well received but all would like him to be present at the 2018 ceremonies.

Thank you for your help and please let me know if you have questions or concerns.

Kind regards,

Cathryn

One briefing with all of them. You likely haven't seen them because they were MLA briefings booked by Paula/me but CASA and Green staff (but not caucus members..just staff) have joined a few briefings recently.

Hi Connie,

See the action item from yesterday's weekly briefing below. We need to schedule a briefing with MLAs Oakes and Barnett as well as CASA staff to discuss NStQ. This briefing needs to occur before July 22.

MSF doesn't need to attend but I presume one or both of our MAs do.

On MIRR's end, Mark Lofthouse will attend. In Paula's absence, are you able to reach out to the constituencies as well as CASA?

Hi Connie,

Trish has asked for a 30-minute briefing with MSF to provide him an update on Lightning Rock/Sumas Nation.

She says the briefing shouldn't occur any later than mid September. Is it possible to do a call on Tuesday while MSF is in Vancouver? If not, I think we'd probably have to wait until the week of Sept 17.

Attendees (or calling in) will be Trish, Yvette Lizée, and maybe Doug.

Hi Connie,

Trish has asked for a 30-minute briefing with MSF to provide him an update on Lightning Rock/Sumas Nation.

She says the briefing shouldn't occur any later than mid September. Is it possible to do a call on Tuesday while MSF is in Vancouver? If not, I think we'd probably have to wait until the week of Sept 17.

Attendees (or calling in) will be Trish, Yvette Lizée, and maybe Doug.

Hi Connie,

Can we please schedule a 30-minute briefing with MSF in late September?

I don't know who from MIRR will attend yet (probably Laurel/her staff and maybe Doug) but I know that we'll invite AEST staff to join/provide the briefing. We'll provide materials.

Hi Shawna. This was at dmcssp today and I asked that we set a briefing for MSF after the summer break to make sure his is aware. It's interesting stuff and good to see what AEST is doing.

Hi Connie,

Is it possible to schedule a 30-minute briefing with MSF/MDD/MMMungall in the next week or two, or are MDD/MMM now unavailable?

Alternatively, assuming MDD/MMM are unavailable—we can schedule this briefing with MAs. This should be a joint briefing, though (not separate briefings).

I know that MSF's schedule is full but one option is to use the July 10, 3:00 – 3:30 PM time slot—as I'm going to be emailing you soon to ask to postpone the FN Gaming Commission pre-brief to July 23 (I'm just waiting on some details).

Hi Connie,

Is it possible to schedule a 30-minute briefing with MSF/MDD/MMMungall in the next week or two, or are MDD/MMM now unavailable?

Alternatively, assuming MDD/MMM are unavailable—we can schedule this briefing with MAs. This should be a joint briefing, though (not separate briefings).

I know that MSF's schedule is full but one option is to use the July 10, 3:00 – 3:30 PM time slot—as I'm going to be emailing you soon to ask to postpone the FN Gaming Commission pre-brief to July 23 (I'm just waiting on some details).

See below the action item from yesterday's weekly briefing. Can you please schedule a call between MSF and MMMungall regarding TLE?

I think this call should occur before July 16. I think it's to be a one-on-one but Jonathan/Ann Marie can confirm that.

Hi Connie/Jolleen,

Here are staff's responses to the questions raised in last week's pre-brief for tomorrow's call with MSF, Chastity, and Barb.

-----

Q: Has MIRR used CABRO's Advertised Vacancies process for other agencies or boards (e.g. FPCC)?

- In the last 5 years (i.e. length of corporate knowledge), CABRO's Advertised Vacancies

process has **not** (yet) been used to inform appointments.

- Instead, names have been identified by the Minister or through other means (e.g. Minister recommendations, board nominations, self-nominations, community nominations).

Q: Could CABRO's Advertised Vacancies process be used to fill 1 vacancy, and fill the other 2 vacancies using the current list of nominations?

- Yes, the process is very flexible.
- Minister can specify criteria being sought for the vacant position (e.g. diversity, experience, geographic representation).
- The names received can also be used to establish a "pool" for future appointment needs.
- **Recommend MSF discuss this with Barb and Chastity.**

Q: Is there any advice with regards to extending membership beyond the recommended 6 years?

- As per CABRO's guidelines and MACIW's Terms of Reference, a maximum membership of 6 years is considered "best practice."
- However, unlike other agencies or boards, MACIW does **not** have legislation mandating this limit.
- There are other boards across government whose memberships exceed 6 years.
- The decision is ultimately up to the Minister.
- **Recommend MSF discuss this with Barb and Chastity.**

Hi Connie,

At the recent MACIW meeting, MSF committed to have a follow-up call within the next month with Chastity Davis and Barb Ward-Burkitt regarding the upcoming MACIW appointment process.

I think this one should be 30-45 minutes. Could we maybe do this on July 10 when MSF is doing a few other briefings?

Hi Connie/Jolleen,

Here are staff's responses to the questions raised in last week's pre-brief for tomorrow's call with MSF, Chastity, and Barb.

-----

Q: Has MIRR used CABRO's Advertised Vacancies process for other agencies or boards (e.g. FPCC)?

- In the last 5 years (i.e. length of corporate knowledge), CABRO's Advertised Vacancies process has **not** (yet) been used to inform appointments.
- Instead, names have been identified by the Minister or through other means (e.g. Minister recommendations, board nominations, self-nominations, community nominations).

Q: Could CABRO's Advertised Vacancies process be used to fill 1 vacancy, and fill the other 2 vacancies using the current list of nominations?

- Yes, the process is very flexible.
- Minister can specify criteria being sought for the vacant position (e.g. diversity, experience, geographic representation).
- The names received can also be used to establish a "pool" for future appointment needs.
- **Recommend MSF discuss this with Barb and Chastity.**

Q: Is there any advice with regards to extending membership beyond the recommended 6 years?

- As per CABRO's guidelines and MACIW's Terms of Reference, a maximum membership of 6 years is considered "best practice."

- However, unlike other agencies or boards, MACIW does **not** have legislation mandating this limit.
- There are other boards across government whose memberships exceed 6 years.
- The decision is ultimately up to the Minister.
- **Recommend MSF discuss this with Barb and Chastity.**

Patrick our Minister and her assistant will be on this flight which comfortably leaves room for your Minister and assistant ☺ The following is the info the pilot sent me:

Sunday, July 22, 2018

5 passengers max (with weight being an issue i.e. how many are male/female?)

Free parking at our hangar at Boundary Bay 4339 King St., Delta, BC

All passengers must be at the Boundary Bay airport to meet up with Michael from Nautilus Air by 8:15 am Sunday since the flight to 108 Mile airstrip is about an hour (then a 40 minute drive to Canim Lake)

Also Williams Lake is a little over an hour from Boundary Bay, so we would have to depart by Williams Lake airport by 4 pm if your passengers need to be back to Musqueam by 5:30.

Connie the charter airplane will be comfortable for Minister Carolyn Bennett and Emmaline English and Minister Scott Fraser and Jolleen Dick. It is important that everyone arrives promptly at the Nautilus Hanger on 4339 King Street, Delta, BC at the Boundary Bay Airport by 8:15am. When they walk through the Nautilus Hanger washrooms are available before boarding the plane.

The pilot is Henry who is a former Air Canada pilot and his cell number is 604-306-5245. If necessary they can also contact Michael Carson from Nautilus Air at 604-202-4244. When the plane lands at the South Caribou Regional Airport Ray Peterson will be there for Canada with a vehicle and Patrick Richmond will be there for BC with a vehicle to pick up everyone and drive them to the NStQ signing event at Canim Lake.

It sounds like September is probably too far off for this meeting Given the issues they would like to discuss.

Thanks, Sarah

Hi all – apparently this gentleman sent an email requesting a meeting between Minister Fraser and Chief Harold Leighton from Metlakatla. He wanted to let us know that the Chief will be in Vancouver on June 25<sup>th</sup>, so that might be a good opportunity to fit in that meeting, as he understands getting to Prince Rupert might take a while from the minister's side. I did let him know the minister is currently scheduled to be on Vancouver Island that day, but said I would follow up with whoever is working on

the request.

Connie, have you been handling this one?

Gary's number is s.22

Can someone please circle back with him about this meeting?

Oh ok perfect! Len is super busy touring a bunch of lawyers around (he's mainly the only prov guy on the island) so i think he was hoping he could make it work but realized last night it couldn't. All good though, please make sure msg gets the instructions and they'll be good to go in their Ford fusion!

No, I had arranged a vehicle for MSF thru MDD's office. Please see the attached.

I talked to Len yesterday and don't understand why he didn't relay that information to me, he said someone would be at the airport with the car to meet MSF.

Janet Gray resides in Victoria. What upcoming dates might work for Minister Fraser for a joint meeting in Victoria? The following dates have time available in Minister Fleming's calendar:

- Aug. 20 – 31 (preferably Tue., Wed. Thur)
- Sept. 17-21
- Oct. 1-5

Yes, this would be good to set up jointly – we can share many things we are doing in regard to Call to Action 62.1.

Right now we are booking meetings for September and beyond. Please have your AC reach out to ours – I have copied her on this email.

Thanks!

Sorry for my delay in replying, this is a different group from the reconciliation Canada group , we could try to set up a meeting that both our ministers could attend ? I have worked with this group in the past and they do good work I think we just need to share the good work we are doing : )  
Should we get our AC to connect ?

Good afternoon Hon. Rob Fleming and Hon. Scott Fraser,

I am the BC-Yukon KAIROS Regional Representative for KAIROS, s.22  
s.22 I send this request on behalf of KAIROS Canada to both of you as Members of BC's  
Legislative

Assembly and Ministers responsible for Education and Indigenous Relations and Reconciliation. We would like to request a time to meet with you and present you with petitions collected

over the past two years regarding Truth and Reconciliation Call to Action 62.1.

The specific wording of this petition is as follows:

To the Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned petitioners, of the Province of British Columbia, states that:

Whereas for six years the Truth and Reconciliation Commission of Canada [TRC] listened to thousands of former

students of residential schools and their families testify to the devastating legacy of this national policy of assimilation;

Whereas the TRC calls upon "the federal, provincial, and territorial governments, in consultation and collaboration with

Survivors, Aboriginal peoples, and educators, to make age- appropriate curriculum on residential schools, Treaties, and

Aboriginal peoples' historical and contemporary contributions to Canada a mandatory education requirement for

Kindergarten to Grade Twelve students" [CA 62.1], and;

Whereas on July 15, 2015, all of Canada's premiers indicated their support for the Truth and Reconciliation Commission's 94

Calls to Action and said they would act on them in their own provinces and territories;

Your petitioners respectfully request that the Honourable House urge the Government of British Columbia to fully implement such

a curriculum for kindergarten through Grade 12.

We understand that BC has made good progress and made public commitments to incorporate and implement this Call to Action 62.1 and yet we also understand there remains much to still work on.

If it would be at all possible to meet sometime on Thursday or Friday this week that would be most appreciated. I understand how busy your time is and if it worked to present them to both of you at the same moment that would be wonderful, if not I would ask for a time to present them to you, Hon. Rob Fleming, Minister of Education.

Sincerely,

Janet Gray

s.12<sup>12</sup> has been pulled from the July 11 TB and will likely not go forward until the fall. However, Sechelt is still going ahead on the July 11 TB.

With s.1 pulled, this means you can cancel the July 4, 3:00 PM briefing with MSF on the s.1 sub.

Attached in a copy of the dining room invoice for services provided for MACIW meetings held here at the Legislative Assembly on March 15<sup>th</sup> and 16<sup>th</sup>, 2018 .  
Our records show that the total amount due \$1498.61 is still outstanding.  
Could you direct this to the right person please, as the person I was dealing with, Dawne Mowbray is no longer with the advisory council.  
Thank you,

Hello Hon. Scott Fraser,

I'm writing on behalf of Christina Burrridge, Executive Director of the BC Seafood Alliance and Chris Sporer, Executive Director of the Seafood Producers to respectfully request a meeting with you at a suitable time on Wednesday, April 11th or 12th at your Victoria office.

The BC Seafood Alliance is in Victoria on Wednesday, April 11th for their annual provincial government Lobby day so any time you can afford Christina and Chris on April 11th or if necessary Thursday, April 12th would be greatly appreciated.

**Purpose of the meeting:**

is to develop a relationship with you, Minister Fraser and have a positive and thoughtful discussion with him regarding the BC Seafood Alliance and the issues facing coastal communities and the commercial fishing sector.

Particular importance to you the Minister is the fact that the commercial fisheries industry employs 1/3 indigenous families in the commercial fisheries sector.

**About the BC Seafood Alliance:**

The BC Seafood Alliance is an umbrella organization whose 17 members represent 90 per cent of the wild seafood harvested in BC, worth almost \$1Billion in sales annually. The wild fisheries are the economic backbone and social fabric of BC Coastal communities as a result the industry is dominated by hundreds of small and medium sizes enterprise up and down the coast representing about 13,200 jobs and harvesting over 100 different products to 79 markets around the world

Please feel free to contact me if you have any questions. You can reach me anytime at [rob@nagai.ca](mailto:rob@nagai.ca) or c: 604-803-0628.

FYI, MMF's office reached out to our staff directly. I had sent an email to Jolleen (with a cc to you and Shawna) asking her/MO's preference for how MACIW communicates with other MOs (whether to go through our MO or if fine for them to reach out directly). We've had a few requests from MACIW to meet with other ministers, so I figure our MO would be fine with MACIW reaching out directly—especially if it's to ACs, which are listed online, anyway.

See Sara Pye's and Michelle Wakeman's Apr 25 emails below. Sara had been in direct contact with MMF's office to schedule a meeting/call with him and Chastity (to which he apparently committed at an event on Apr 24).

Can you please follow up with MMF's office to look in to scheduling a meeting/call with MMF and Chastity Davis of MACIW?

Sara was able to share Michelle Wakeman's contact info, who she has worked with in the past, but it looks like she may no longer be in that role (i.e. not showing up in the GAL or on lync etc.)

Could you please help coordinate a meeting with Chastity and the Minister?

Thanks!

Hi Rebecca,

As discussed, could you please work with Michelle to set up a follow up call between Chastity and Minister Farnworth regarding cannabis legislation?

Thanks,

Hi Sara,

When will Chasity been leaving the country? The Minister is booked until mid-May but I might be able to set-up a call on a Friday.

Thank you,  
Michelle

Hi Michelle,

I understand Chastity Davis, Chair of the Minister's Advisory Council on Indigenous Women, had a discussion with Minister Farnworth yesterday at the Lieutenant Governor ceremony.

I believe Minister Farnworth would like to set up a call with Chastity to discuss the upcoming cannabis legislation.

Chastity will soon be out of the country, so was hoping we could coordinate their schedules soon.

Could you please let us know Minister Farnworth's availability?

Thanks,

Rob Draeseke will now be away for several weeks and will most likely miss the July 24 meeting and definitely will miss the July 10 pre-brief. Also, it turns out that Doug Scott can't do the July 10 pre-brief. Given this, we need to postpone the pre-brief.

I haven't had a chance to check on Doug's availability but I know that the only day after July 10 that MSF can do would be July 23 (unless you know of other time slots that are an option, though I'm told Doug S is away until July 16, anyway). Could we do the pre-brief on July 23?

Rob Draeseke will now be away for several weeks and will most likely miss the July 24 meeting and definitely will miss the July 10 pre-brief. Also, it turns out that Doug Scott can't do the July 10 pre-brief. Given this, we need to postpone the pre-brief.

I haven't had a chance to check on Doug's availability but I know that the only day after July 10 that MSF can do would be July 23 (unless you know of other time slots that are an option, though I'm told Doug S is away until July 16, anyway). Could we do the pre-brief on July 23?

I've confirmed that July 24 at 1:00 – 1:45 PM in Vancouver works for the FN Gaming Commission.

On our end, attending will be Rob Draeseke (MIRR), Doug Scott (JAG), and Andrea Keil (FIN).  
Furthermore, I'll confirm who from the FN Gaming Commission will attend the meeting.

We'll have materials to you by Fri, July 20, end of day.

Rob Draeseke will now be away for several weeks and will most likely miss the July 24 meeting and definitely will miss the July 10 pre-brief. Also, it turns out that Doug Scott can't do the July 10 pre-brief. Given this, we need to postpone the pre-brief.

I haven't had a chance to check on Doug's availability but I know that the only day after July 10 that MSF can do would be July 23 (unless you know of other time slots that are an option, though I'm told Doug S is away until July 16, anyway). Could we do the pre-brief on July 23?

I'm presuming it happened. We had a Charlotte Armstrong call our office to confirm the time of 1:45 pm and I advised it was 1:15 pm and they didn't have an address and I gave the VCO address. She said they would be there for 1:15 pm.

Looping Jonathan in here to confirm that the meeting happened?

Our staff let me know that no one ever dialed them in. They were also emailing with Doug Scott, who was to be the in-person attendee (so, if the meeting happened, I'd assume he'd have let them know).

Rob Draeseke will now be away for several weeks and will most likely miss the July 24 meeting and definitely will miss the July 10 pre-brief. Also, it turns out that Doug Scott can't do the July 10 pre-brief. Given this, we need to postpone the pre-brief.

I haven't had a chance to check on Doug's availability but I know that the only day after July 10 that MSF can do would be July 23 (unless you know of other time slots that are an option, though I'm told Doug S is away until July 16, anyway). Could we do the pre-brief on July 23?

Hi following the meeting on April 20 MSF committed me to coordinate a follow up meeting after the Chapman/Abbott report is released. This includes Ministers Mark, Donaldson and PS Rice. M Farnworth was not at the meeting.

I would suggest June at the earliest for a follow up as the recommendations are coming to government at the end of this month.

Please BF for the MO for June. Thanks! Let me know if you have any questions.

Hello,

My name is Charlynn and I'm the Communications Lead on the PREM UC/Workstation Integrated Refresh project.

From my understanding you've received an email communication from Kate similar to the one below.

Would each of you be able to confirm a timeframe for the Workstation and Phone Lines Inventory?

1. Is there a week in Mid-July or August that would work best for the tech teams to conduct a phone line and workstation inventory?

Once I receive your answers I'll consolidate them and work with everyone to pick a week that works for everyone.

Please let me know if you have any questions.

Thank you,

Hello,

The PREM Integrated UC/Workstation Refresh project is in the process of refreshing your workstations and replacing your phone lines with UC. In order to accomplish this we will need to be on site to conduct an inventory.

Below is what you can expect from our on-site visit, with some communication back and forth for clarification throughout the process.

We will need:

- A window of time to conduct the inventory (preferably over the span of a week)
- As many workstations on site as possible
- Help from our contact to identify active phone lines, people and positions

**NOTE: We will not need staff to be at their desk while we conduct the inventory**

The inventory will take an average of 30 minutes per office and consist of a team on site verifying the following:

- PCs (W#)
- Printers (both network and personal)
- Peripheral devices (model types)
- Monitors (size and model)
- Active phone lines
- People and positions associated with the active phone lines

Please let me know if you have any questions.

Thank you,

Charlynn Gustafson

Hello Kate,

Jackie let us know that you would be the person to reach out to in regards to organizing communications and contacts for the Ministers Offices.

1. Is there a contact we could reach out to at each MO to assist with UC and Workstation inventory?
2. We will have a number of communications templates to be sent out to staff.
  - a. Would you prefer we send them to you, then you distribute them?
  - b. Or would it be better to send them to the MO contacts directly?

Please let me know if you have any questions or would prefer to meet to discuss.

Hello Everyone,

You're receiving this email because your office informed the Refresh Team of a flexible availability or that this week would work best for our tech team to conduct inventory.

Thank you for the time you've taken to help organize the Workstation and Phone Line inventory with us. We have taken your offices' availability into consideration during these two deployment days.

Below are the details:

**The team will be onsite starting at: 9:00am July 17th and 18th.**

There will be multiple teams that will be comprised of 2 of the following techs:

- Jay Prost

- Mindy Corser
- Liz Cox
- Jesse Connors
- Tim Wynans
- Randy Seitz
- Eric Seiferling

Randy is familiar with the location.

Please make sure there are as many workstations (and peripheral devices) on-site on the day as possible. Other than this, there are no requirements from your staff prior to conducting the inventory.

If you have any questions please contact me.

**Subject:** Call for Records IRR-2018-84688 Due July 30, 2018 Analyst Bradley Cranwell

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

*All briefing material prepared for the Minister regarding the five new agreements mentioned in the June 22, 2018 news release titled “New B.C., Tsilhqot’in agreements underline spirit of co-operation” (Date Range for Record Search: From 06/01/2018 To 06/30/2018) – Date Format: MM/DD/YYYY*

News Article: <https://news.gov.bc.ca/releases/2018IRR0037-001271>

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 & 2 of the Call for Records form as we may be in a position to issue a fee estimate. Return the form to IAO by July 20, 2018. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process.
- **If no fees apply** then complete the attached Call for Records form and return it to IAO by July 30, 2018.
- Send records via email in **PDF format**. Before you turn emails into PDFs, ensure that you have included all attachments. If email is not possible, please put the records on the **File Share** and notify IAO that the records are available.

You should be aware that *FOIPPA* obligates us to assist the applicant and to respond without delay, openly,

accurately, and completely. In the event that your Ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact IAO to discuss: whether the records may be routinely releasable; whether the information is being prepared for public release or is already publicly available; ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or any other questions or concerns relating to this request.

Thank you for your assistance,

Resource Team

Hi Jonathan/Connie,

FLNR's DMO and Gio Puggioni (MIRR) have advised me that PJH might be meeting with the signatories of the attached June 28 letter on Monday. I don't know if any other government reps are expected to attend but Gio tells me that Doug is aware of this.

FLNR asked for Doug and MSF to review the attached NRS briefing note. I know that MSF is s.22 s.22 right now but I figured I'd send the BN to you for review on MSF's behalf. I'll try to have Doug look at the BN once he's out of the meeting in Ottawa shortly.

Please let me know when/if you hear more on the potential Monday meeting. Thanks.

Paula for you to take to MSF for sign-off next week in Van and if you can have Danny scan them back to me, so I can get them to the PO asap.

Just so you know there are only 4 seats on two dif. Flights to Ottawa in the economy fare, no middle fare and then jumps to Business Class and all those are between \$1200-\$3330, one way. Ottawa Marriott gov. rate right now is \$290 including taxes, so that's not bad.

Morning!

Sarah mentioned MCFD may have a signing ceremony with Secwempc on July 23<sup>rd</sup> in Vancouver (tentative)— if Secwepemc are in Vancouver perhaps that will work best to do LOC if ministers are around.

Not sure how well option 1 would work if leadership are perhaps in Vancouver?? If MCFD doesn't do this, then I imagine this would be our best option as July 24<sup>th</sup> looks quite full already.

Connie can you check for both July 23 and 24?

MSF does have a commitment from 10-11am on Mon July 23. I imagine all Ministers would be on the same call at 10am as it's whipped.

Ok thinking 2 options for MSF and Secwepemc LOC signing...

1. Drive from Williams Lake to Kamloops on the evening of the 22nd. Do Secwepemc in the community on the 23rd and fly out.
2. OR the preferred would be 23 take as a personal day, do Secwepemc on the 24th (we will need to carve out some time) in Van if all the chiefs are there. Staff are looking into it to make sure the Chiefs could be in Van.

Connie, are you able to see if MDD, MMMungall, MCT or MGH are also in Van on the 24<sup>th</sup>?

Ok thinking 2 options for MSF and Secwepemc LOC signing...

1. Drive from Williams Lake to Kamloops on the evening of the 22nd. Do Secwepemc in the community on the 23rd and fly out.
2. OR the preferred would be 23 take as a personal day, do Secwepemc on the 24th (we will need to carve out some time) in Van if all the chiefs are there. Staff are looking into it to make sure the Chiefs could be in Van.

Connie, are you able to see if MDD, MMMungall, MCT or MGH are also in Van on the 24<sup>th</sup>?

Thanks,

Hi Connie,

MIRR's s.12,s.13 will be going to P & A on October 4. Doug Caul and Trish Balcaen will attend with MSF.

Like we're doing with the s.12,s.13 (going to P & A on July 4)—we need to schedule a briefing or multiple briefings with MSF/MDD/MDE/MMM (AEST/MGH).

Depending on how many ministers you can get per briefing, the briefing(s) should be 30 minutes to one hour. We'll need the briefing(s) to occur by the September 21 cab ops deadline for the MSF-signed sub. Given this, you can look to schedule these for the summer/early September.

Also, we'll need one final 45-minute prep briefing with only MSF the week prior to the Oct 4 P & A (Sept 24-28). Note that we have one other item on the Oct 4 P & A, which I'll email you about shortly.

Hi Tannis,

Perfect, confirmed then for Sept. 17<sup>th</sup>, at 11:00 am, in our office, room #323, in the Legislature. You will need to proceed up the front stairs of the Legislature and check in with security and let them know that you have a meeting with Minister Fraser, they will then call the office to verify the meeting and then you can proceed to our office on the 3<sup>rd</sup> floor.

Can you please send me a list of the attendees, once you know, as depending on attendance, I may need to book a room here in the Legislature, as Minister Fraser's office is quite small!

***Cheers.***

Hi Tannis,

Perfect, confirmed then for Sept. 17<sup>th</sup>, at 11:00 am, in our office, room #323, in the Legislature. You will need to proceed up the front stairs of the Legislature and check in with security and let them know that you have a meeting with Minister Fraser, they will then call the office to verify the meeting and then you can proceed to our office on the 3<sup>rd</sup> floor.

Can you please send me a list of the attendees, once you know, as depending on attendance, I may need to book a room here in the Legislature, as Minister Fraser's office is quite small!

***Cheers.***

**Subject:** Meeting with Minister Fraser

Good morning Connie –

Canfor would like to find a time to meet with Minister Fraser to provide an overview of some recent developments with respect to our work with Aboriginal people in our operating regions, and specifically provide some detail on a significant new agreement we are close to finalizing. Joining from Canfor would be Mark Feldinger, Senior Vice President Energy, Environment, Transportation and Sourcing; Stephen Mackie, Senior Vice President of Canadian Wood Products; and likely myself as well.

Could you send some windows where the Minister would be available? I know the House has risen for the summer months, and in speaking with the Minister last week he mentioned that he lives near Nanaimo / Qualicum – we would be happy to organize for dinner in that area if that would work better for the Minister's schedule in the coming weeks / months.

Thank you!

Corinne

Hi Amber,

I'm sending these travel authorizations over to you in Debbie's absence, please!

Please note that I have calculated the airfare at the higher airfare, as there are very few seats left at the lower airfare and depending on when I receive these approvals back I'm worried the lower airfare could be sold out.

Currently the airfares are as follows:

Van/Ottawa: 4 seats left at \$294, then it jumps to \$1,276  
Ottawa/Van: 4 seats left at \$354, then it jumps to \$1,313

There is quite a jump in airfare, so the sooner we can get the approvals back, I can go ahead and book flights! ☺

Hi Connie:

I am following up on the email I sent you last month (see below) as I have not yet received a response from you. Given the fact that this event is extremely meaningful, we would very much like to hold an event this month if at all possible (not the last week). The City's Chief Administrative Officer, Mac Fraser, has directed me to let him know if I don't hear back from your office by the end of this week. If I don't hear back, it is his intent to approach the Deputy Minister directly to discuss this important event. I sincerely thank you in advance for a quick response to this query.

In April 2018 we sent an invitation to the Honourable Scott Fraser to attend the renewal of the Community Accord. Due to unforeseen circumstances, we were not able to hold that event. As it would be preferable to have Minister Fraser in attendance at this most auspicious occasion, would you please offer some suggested dates that he might be available to join us in Powell River? I thank you in advance for your assistance in this regard.

As British Columbia embarks on potential legislative changes and a new approach to Rights Recognition to build respective and collaborative partnerships with Indigenous Nations in BC, it is important to get a first hand exposure to other jurisdictions such as New Zealand and the Maori Nation that have been working through the recognition and implementation of the Treaty of Waitangi since it was signed in 1840. Since the World Indigenous Business Forum is a International conference not only will we be learning from the Maori, but we will be hearing about success stories from Indigenous Nations from around the world. This is very much in line with the focus in BC around the importance of economic development for Indigenous communities as a path out of dependence to self sufficient Nations.

This is a conference that MDD was invited to and cannot attend, His MA passed it on to our office suggesting this might be an event MSF would like to attend, upon review of the conference topics listed below, MSF felt it would be a worth while event to attend, plus, he will be joining Indigenous leaders from BC that are also attending the World Indigenous Business Forum.

The Minister is interested attending and would like to start the approval and planning process.

- Imagining Indigenous Economic Futures – Apopo
- Indigenous Global Women in Business – Mana Wahine
- Indigenous Business Feeding the World – Whangai Te Ao
- Technology in the Indigenous World – Hangarau
- Indigenous Entrepreneurship – Nga Uri a Maui
- Indigenous Business Collaborating Globally – Whanaungatanga
- Youth Panel – Rangatahi
- Indigenous Business Responsibility and the Environment – Kaitiaki Taiao

- Building Indigenous Communities through Business – Hapai te Hapori

Hi Tim,

As a follow-up to our meeting, please find attached a proposed agenda for the fact-finding mission to New Zealand. FPI has confirmed the attendance of three Indigenous leaders from BC to attend and we have confirmation from Federal International Trade Minister Champagne on his attendance.

FPI is in contact with the conference organizers to confirm Saul as a speaker.

The stops on the agenda have all been contacted and would gladly host a delegation from BC. We would need to confirm dates, but have a good runway to do this and some flexibility.

Trust this is the level of detail you were seeking when we last spoke.  
Look forward to discussing further with you.

Best regards, Tim

Hi Tim,

Thanks for the prompt reply. Let's schedule a chat about this and in the meanwhile, I will put together what we have in mind.

Small contingent - Sol the presenter would be covered by the event, FPI through support from FLNRORD/WED (already signed) would cover Keith Atkinson and two to three other indigenous partners. The only outstanding cost would be for the Minister and staff.

Let me know a good time to give you a call. Alternatively, I will be in Victoria on Monday if that suits you better.

Best regards, Tim

Cost, of course, is a factor. I will skim through the website and see how relevant this is for us. I think the key would be if there are specific examples in which governments have played a key role in energizing the indigenous sector. Happy to talk more about this.

**Subject:** World Indigenous Business Forum - New Zealand

Greetings Tim,

Trust all is well – outside of the flooding and fires.

FPI held a meeting recently with the Canadian consul to New Zealand who asked if FPI could arrange for folks from BC to join their Federal Minister's trip to New Zealand to attend the World Indigenous Business Forum in New Zealand. You may remember FPI had a goal last year of taking a contingent from BC to fact-find from the Maori and NZ government – focused on forest-based opportunities.

We have been working with the Consul to organize a speaker and small tour group from BC – Sol Brown as a speaker about a wood-based housing project in Heiltsuk Nation (involving FPI and UBC) and Keith Atkinson from First Nations Forestry Council – both of whom are eager and willing to go. We also think this an opportunity for a Minister from BC to attend (the house is not sitting this week in October if I understand correctly) to travel with the Federal Minister and an indigenous contingent from BC.

My plan is to request a meeting with the Minister and/or Minister Fraser to present this opportunity and discuss a plan to see it through. Due to funding constraints, we envision a small group going that we know we can send, but if some additional pieces fall into place, we could imagine adding to this small contingent.

Let me know if you have any thoughts or concerns about this. My plan is to make the request for a meeting this week, but want to sensitize everyone I know well in advance (i.e. I've discussed with Gio at IRR and James Sandland at FLNRORD).

Best regards, Tim

Hi Tim,

As a follow-up to our meeting, please find attached a proposed agenda for the fact-finding mission to New Zealand. FPI has confirmed the attendance of three Indigenous leaders from BC to attend and we have confirmation from Federal International Trade Minister Champagne on his attendance.

FPI is in contact with the conference organizers to confirm Saul as a speaker.

The stops on the agenda have all been contacted and would gladly host a delegation from BC. We would need to confirm dates, but have a good runway to do this and some flexibility.

Trust this is the level of detail you were seeking when we last spoke.

Look forward to discussing further with you.

As British Columbia embarks on potential legislative changes and a new approach to Rights Recognition to build respective and collaborative partnerships with Indigenous Nations in BC, it is important to get a first hand exposure to other jurisdictions such as New Zealand and the Maori Nation that have been working through the recognition and implementation of the Treaty of Waitangi since it was signed in 1840. Since the World Indigenous Business Forum is a International conference not only will we be learning from the Maori, but we will be hearing about success stories from Indigenous Nations from around the world. This is very much in line with the focus in BC around the importance of economic development for Indigenous communities as a path out of dependence to self sufficient Nations.

This is a conference that MDD was invited to and cannot attend, His MA passed it on to our office suggesting this might be an event MSF would like to attend, upon review of the conference topics listed below, MSF felt it would be a worth while event to attend, plus, he will be joining Indigenous leaders from BC that are also attending the World Indigenous Business Forum.

The Minister is interested attending and would like to start the approval and planning process.

- Imagining Indigenous Economic Futures – Apopo
- Indigenous Global Women in Business – Mana Wahine
- Indigenous Business Feeding the World – Whangai Te Ao
- Technology in the Indigenous World – Hangarau
- Indigenous Entrepreneurship – Nga Uri a Maui
- Indigenous Business Collaborating Globally – Whanaungatanga

Hi Tim,

As a follow-up to our meeting, please find attached a proposed agenda for the fact-finding mission to New Zealand. FPI has confirmed the attendance of three Indigenous leaders from BC to attend and we have confirmation from Federal International Trade

Minister Champagne on his attendance.

FPI is in contact with the conference organizers to confirm Saul as a speaker.

The stops on the agenda have all been contacted and would gladly host a delegation from BC. We would need to confirm dates, but have a good runway to do this and some flexibility.

Trust this is the level of detail you were seeking when we last spoke.

Look forward to discussing further with you.

Best regards, Tim

Hi Tim,

Thanks for the prompt reply. Let's schedule a chat about this and in the meanwhile, I will put together what we have in mind.

Small contingent - Sol the presenter would be covered by the event, FPI through support from FLNRORD/WED (already signed) would cover Keith Atkinson and two to three other indigenous partners. The only outstanding cost would be for the Minister and staff.

Let me know a good time to give you a call. Alternatively, I will be in Victoria on Monday if that suits you better.

Best regards, Tim

Thanks Tim. This fits in very well with both the minister's desire to increase indigenous participation in forestry in BC and with the emerging realities. You're correct that there is no legislative session that week.

Cost, of course, is a factor. I will skim through the website and see how relevant this is for us. I think the key would be if there are specific examples in which governments have played a key role in energizing the indigenous sector. Happy to talk more about this.

**Subject:** World Indigenous Business Forum - New Zealand

Greetings Tim,

Trust all is well – outside of the flooding and fires.

FPI held a meeting recently with the Canadian consul to New Zealand who asked if FPI could arrange for folks from BC to join their Federal Minister's trip to New Zealand to attend the World Indigenous Business Forum in New Zealand. You may remember FPI had a goal last year of taking a contingent from BC to fact-find from the Maori and NZ government – focused on forest-based opportunities.

We have been working with the Consul to organize a speaker and small tour group from BC – Sol Brown as a speaker about a wood-based housing project in Heiltsuk Nation (involving FPI and UBC) and Keith Atkinson from First Nations Forestry Council – both of whom are eager and willing to go. We also think this an opportunity for a Minister from BC to attend (the house is not sitting this week in October if I understand correctly) to travel with the Federal Minister and an indigenous contingent from BC.

My plan is to request a meeting with the Minister and/or Minister Fraser to present this opportunity and discuss a plan to see it through. Due to funding constraints, we envision a small group going that we know we can send, but if some additional pieces fall into place, we could imagine adding to this small contingent.

Let me know if you have any thoughts or concerns about this. My plan is to make the request for a meeting this week, but want to sensitize everyone I know well in advance (i.e. I've discussed with Gio at IRR and James Sandland at FLNRORD).

Best regards, Tim
