Subject: 46715 - Re: Lack of public consultation regarding the Section 11 Conservation Agreement for the Central Selkirk Caribou Herd

Dear Premier and Ministers:

s.22

I am disappointed to learn that caribou recovery plans are underway without any consultation or meaningful communication with the individuals and communities that will be affected by the strategy. These plans will have a potentially significant impact on my community and the surrounding area. I am writing this letter to ask that the federal and provincial governments hold an open and transparent process when developing the recovery strategies being developed for the Central Selkirk Caribou Herd.

I understand that negotiations are proceeding between the BC Ministry of Environment and Federal Ministry of Environment along with certain First Nations to create a new caribou habitat protection area that could cover a significant portion of the Arrow Lakes region and Central Selkirk Caribou Range. The outcome of these negotiations would have potentially long lasting impacts to the social and economic conditions and way of life for our communities.

I feel it is imperative that our Provincial and Federal governments engage in an open and transparent caribou recovery planning process that includes consultation with communities in areas affected by the plans. An opportunity to meet with the Honourable Catherine McKenna, MP, during her visit to BC in January 2019, is needed for community leaders in the Kootenay Region to express their concerns and ask relevant questions, and for the government to outline their proposed strategy including specific actions, timing and probability of success.

I will look forward to your response and starting meaningful dialogue.

Yours truly,

Good morning Connie and Paula,

There is a request from Kim Ponchet to grant Brianna Hauff access to the Minister's generic mailbox (see below for details). Can one of you please confirm if we can proceed with this request?

We would normally require a Service Request form to be submitted for this, but we can make an exception this time.

Kim – please note that future requests for access to the Minister's mailbox should go through your Minister's Office, and they will submit the requests to us for action.

Thanks,
Bonnie

Hi Matthew,

Per our discussion, Uchucklesaht Tribe, a Maa-nulth First Nations member, is in the process of adding Lot 1, District Lot 357 to its TSL. The addition of the land to their TSL was approved already by MSF on October 22, 2018, by way of the attached letter to Uchucklesaht.

At this point, the LTO requires a signed Certificate under section 29(1), Schedule 1 of the *Land Title Act* in order for them to update their records indicating the land as TSL. This is only a process document (and virtually the same document that he recently signed for the Silverside parcel, also to Uchucklesaht) – MSF has already confirmed by way of the October 22nd letter that the land is to be added to TSL. Hence, I am also attaching the 29(1) Certificate for MSF's wet signature. Could you please have him sign it and then deliver the original back to me (**no e-signature**). If you require an original as well, please have him sign one for each of us.

Please let me know if you need any further information or clarification.

Cheers,
RW

Hi Jonathan,

DMO's would like to know if minister can sign this while he is in Vancouver. It was on your desk so I have scanned and attached it for you to have a look at and if Minister can sign this copy or does it need to be on the original one. Please advise me if this can wait till MSF is back.

Hi Paula,

I know MSF has been travelling a lot and hasn't been around for signings.
I'm following up on this—to see if maybe they can get this to MSF in Vancouver to sign this? (unless he maybe signed it in the last day or so?) I know he won't be back in Victoria for a week and a half.
Unfortunately, this one cant be e-sig.

Thanks!

Subject: Call for Records IRR-2019-90389 Due February 5, 2019 Analyst Regan Stewart

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

Records of any and all emails, text messages, BBMs, slack messages, and WhatsApp messages - excluding attachments - sent from the Administrative Assistant(s) in the Minister's/Minister of State's/Premier's office - where such a position exists and was staffed (Date Range for Record Search: From 07/01/2018 To 07/31/2018) (Date Range for Record Search: From 07/01/2018 To 07/31/2018) – Date Format: MM/DD/YYYY

The following public bodies have also received this FOI request: TRA, TAC, MSD, PSS, OOP, MAH, MHA, LBR, JTT, HTH, FNR, FIN, MOE, EMP, EDU, CTZ, CFD, MAG, AGR, AED.

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 & 2 of the Call for Records form as we may be in a position to issue a fee estimate. Return the form to IAO by **January 28, 2019**. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process.
- **If no fees apply** then complete the attached Call for Records form and return it to IAO by **February 5, 2019**
- Send records via email in **PDF format**. Before you turn emails into PDFs, ensure that you have included all attachments. If email is not possible, please put the records on the **File Share** and notify IAO that the records are available.

You should be aware that *FOIPPA* obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that your Ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact IAO to discuss: whether the records may be routinely releasable; whether the information is being prepared for public release or is already publicly available; ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or any other questions or concerns relating to this request.

CANCELLATION POLICY:

TO AVOID 1 NIGHT FEE CANCEL 48HRS PRIOR TO CHECKIN TIME

Effective January 1, 2018, reservations confirmed or changed by World of Hyatt Explorist or Globalist members can be canceled up to 24 hours before the hotel check-in time when the hotel's cancellation period stated above is not more than 48 hours. This 24-hour cancellation period benefit is not valid for stays at Hyatt Residence Club or Miraval resorts. It also does not apply: (i) to prepaid or non-refundable rates; (ii) when the cancellation period stated above is more than 48 hours; or (iii) for reservations booked at corporate negotiated or group contract rates. This benefit is based on a member's tier status at the time of cancellation. The hotel check-in time is stated above, and the cancellation windows are based on the hotel's local time.

Changes to the dates of stay, number of guests per room or number of rooms confirmed will be subject to current pricing which may be different than previously confirmed rates. Taxes and fees are subject to change based on dates of stay and local jurisdiction.

At Hyatt, the welfare and safety of our guests and colleagues is a top priority. It is Hyatt's practice to enter any occupied guest room at a minimum of once within a 24- hour period, even if a guest has requested privacy. Appropriate efforts are made to provide advance notice to the registered guest before entering an occupied guest room.

On behalf of the Sto:lo Grand Chiefs, I am inviting you to attend a ceremony to honour and bless our Matriarchs. Please find attached the poster setting out the invitation.

You may be aware that the Sto:lo are keen to reclaim the jurisdiction for children and families. The pathway to rebuilding our Nation requires the strengthening of our families and communities and to keep our children safe and within their extended families. In my short lifetime, I witnessed the Matriarchs take decisions about keeping children safe and within the family. This is our path and we want to begin this journey with sacred ceremony.

We would be most honoured if you would join us.

Good morning Connie and Paula,

There is a request from Kim Ponchet to grant Brianna Hauff access to the Minister's generic mailbox (see below for details). Can one of you please confirm if we can proceed with this request?

We would normally require a Service Request form to be submitted for this, but we can make an exception this time.

Kim – please note that future requests for access to the Minister's mailbox should go through your Minister's Office, and they will submit the requests to us for action.

Thanks,
Bonnie

Hello,

I have attached the letter that I hand delivered on Wednesday January 22nd in Prince George. As you folks are aware that we have had a number of correspondences over the past year or so and zero action from all levels of your government. It seems to me that everyone who works for the government is just waiting for a juicy retirement package and don't really want to earn their way through. The mentality of the old guard is to keep the Indians down and keep giving industry everything they desire. This has to stop! We heard some good news from John Allan the other day. I hope there is real action behind those words. I see Darryl Plecas has got the right idea. Kick out the lazy scums who just want to benefit from the tax paying people.

We will bring our list of idea's again when we visit Victoria and I hope we can make your staff work hard and quit wasting the people's funds.

Snekalyegh!

Hi Paula,

This was not in the inbox before today – do you know where it came from? I would not have categorized it as FYI...

We will get a letter drafted to address the funding ask, but will leave the invite portion to MO. I'll check in with Jolleen once the letter is ready for signing to see if we can give a yes or no answer to the invite within the letter – please let me know if you RSVP before then.

Subject: RE: Briefing on reconciliation initiatives for PS Rice

Hi Paula,

December 4th from 9-10am works well for MLA Rice. Can this be a conference-call? I don't believe she's going to be able to make it down here from the North Coast after the end of session.

Best,
Raj

Subject: CLIFFing Tips!

Hi Paula,

I attended CLIFF training yesterday to get a refresher and I really liked the way she phrased something, so I wanted to pass it along to you as our CLIFF creator.

When writing subjects, use the language of the Ministry and put any keywords in the first half of the subject.

For example:

You don't need to say "Meeting request regarding...." The log is categorized as a meeting request, so it's already noted. Just put the subject.

Instead of : Elizabeth is a BC resident and a student looking for summer co-op placement. She would like to know if the ministry hires summer co-op students.

Write: Summer Co-op student inquiry

No need to write RE: at the beginning of subjects.

Instead of: Baby is still removed from Mom "still breast feeding" and no set time or meeting with MCFD Aboriginal office of Cowichan

Write: Indigenous women health and family concerns with MCFD – Cowichan

Hope that helps and cuts down some time you spend on CLIFFing!!

Thanks,

Kim Ponchet

Hi Matthew,

Per our discussion, Uchucklesaht Tribe, a Maa-nulth First Nations member, is in the process of adding Lot 1, District Lot 357 to its TSL. The addition of the land to their TSL was approved already by MSF on October 22, 2018, by way of the attached letter to Uchucklesaht.

At this point, the LTO requires a signed Certificate under section 29(1), Schedule 1 of the *Land Title Act* in order for them to update their records indicating the land as TSL. This is only a process document (and virtually the same document that he recently signed for the Silverside parcel, also to Uchucklesaht) – MSF has already confirmed by way of the October 22nd letter that the land is to be added to TSL. Hence, I am also attaching the 29(1) Certificate for MSF's wet signature. Could you please have him sign it and then deliver the original back to me (**no e-signature**). If you require an original as well, please have him sign one for each of us.

Please let me know if you need any further information or clarification.

Cheers,
RW

I mentioned this one of my emails over the past few days but I can't recall which one. Jonathan can tell you more but we might actually be going to TB on Jan 23 for MIRR's **s.12,s.13** **s.12,s.13** . If we do, this will mean MSF and Doug will have to skip some or all of the NR Forum.

The Jan 23 TB will be from 1:00 – 4:00 PM. We don't know yet whether we'll be on the agenda or, if so, what time. Nevertheless, I presume you'll want to put a hold in MSF's calendar for now. Let me know if you hear more from Jonathan and I'll do the same for you from my end. Thanks!

And perhaps a refresher on what is included in the RFL and how much needs to be landed on before drafting, that must be sorted before drafting.

In terms of timing, having as BN by Monday will be challenging as my whole team , in two branches is fully committed to the deadlines associated with the ShDM discussion paper – so, I will check in with Emily and get back to you on realistic timing.

Hi Jessica,

This meeting is going to be set up early next week to discuss what the next steps with the legislation are (ie. Waiting until fall for the full legislation or part in the Spring part in the fall). A short BN has also been requested to support the meeting that lays out where we've been with the legislation (for example, involvement of FNLC, DM committees, cabinet etc and what the options are going forward). I think one important thing to highlight will be the need for legislative drafters and lack of cabinet approval if we are to go forward in Spring.

Matt – can you please work with Connie on the scheduling and getting an official material request out.

Hi Sarah,

Good news—the MO found the agreement (it was buried under some papers). Unfortunately, it hasn't been signed by the minister yet.

Is it alright for them to obtain his signature today or tomorrow? Is the agreement okay as is or do you need to update it?

You'll recall last month that we spoke about these Tla'amin agreements that our staff mailed directly to the MO. You looked but couldn't find them.

Do you mind taking one more look to see if they're at the MO? Thanks!

Great, thanks!

Emily—you can apply MSF's e-sig into the electronic version of the two agreements and send out to staff/records/Danielle. There were two e-copies of both the Tsawwassen and Tla'amin agreements in the package I got from staff (so, four documents total) but I'm pretty sure just made an extra e-copy of each agreement to emphasize that there needed to be two hard copies of each agreement signed. In other words, though there are four documents, it's actually only two different agreements. Still to be safe, can you just look through the two hard copies of each agreement I printed to ensure they're the same? Thanks!

That's odd. Staff said they mailed it on Dec 3 to this address:

Honourable Scott Fraser
PO BOX 9051 STN PROV GOVT
VICTORIA BC V8W9E2

Is that the correct mailing address for MO?

At any rate, I've printed off copies of the agreements and I have them here. I can mail them to MO today but they won't get there until around 11:00 AM. MSF will be in a meeting at that time and will have to leave right after. Would you rather simply have Jonathan take a look at the bullets this morning (if he's available) to give his approval so that I can e-sig the agreements? (or MSF can sign the agreements here)

Let me know what works best. Thanks!

Did MO receive some Tla'amin agreements in the mail? The BN was just approved today in e-approvals and I was going to get the agreements to you when I learned that staff had mailed them directly to the MO.

If you already have them, can everyone bring them here tomorrow? I can email you the supporting BN so that he/Jonathan can read it before MSF signs. Let me know what works. Thanks!

Good morning Connie and Paula,

There is a request from Kim Ponchet to grant Brianna Hauff access to the Minister's generic mailbox (see below for details). Can one of you please confirm if we can proceed with this request?

We would normally require a Service Request form to be submitted for this, but we can make an exception this time.

Kim – please note that future requests for access to the Minister's mailbox should go through your Minister's Office, and they will submit the requests to us for action.

Thanks,
Bonnie
