Hi Cindy

I wanted to let you know that Minister Fraser has received your email and is aware of the invite and the PST concern.

We've put in a request with Ministry staff on how to navigate this.

We are currently travelling back from the MMIWG Inquiry report release and can be in touch in the next few days

Thank you for following up

Hi Jolleen,

Working on the social - will definitely theme it. I'll prepare 5 minutes for the Minister that he can use, if he wants. I imagine he'll freestyle but it might give him some ideas.

Let me know if he needs anything specific and I'll make it happen.

Hi Jolleen,

I'm reaching out on behalf of the Fireside Adventures program. It's a leadership program for high school aged Indigenous women to learn traditional ways of knowing from elders, stem skills, wilderness skills and other important lessons.

If you know of any funding opportunities for this program, they've reached out to enquire, looking for ways to fund more students to participate in their program. Any information would be useful.

Thank you!

Hi Andrea and Scott

I have gathered a few of the events happening in the constituency for Indigenous Peoples Day, these are in no particular order and I am still working on seeing what other nations are doing. I've also included the Nanoose Gas Station invite as you had indicated interest, Scott.

I don't think we would be able to attend any West Coast events due to travel and timing. We should consider writing a letter of greeting for these.

The Hon. Scott Fraser, Minister of Indigenous Relations and Reconciliation,

On behalf of the Day Scholar Certified Class Action Executive I would like to extend our gratitude and appreciation to you for taking the time to meet our request that MLA Peter Milobar had shared during the Debates of the Legislative Assembly on Tuesday, April 30, 2019, Morning Sitting
CSC-20190430 AM 009/PML/1125.

As MLA Peter Milobar- Kamloops Region, stated our day scholar class action is currently loaded with no resolution and restitution and that we are not being treated equitably by the federal government. As the Minister of Indigenous Relations and Reconciliation and I as the Chair of our Day Scholar Executive, formally request a face to face meeting with you to discuss possible provincial support.

Needless to say, our day scholars are dying and many are senior citizens that are suffering holistically which the majority of their pain was caused by residential schools. In addition, our day scholars deserve reconciliation and the opportunity to move forward with healing journeys.

For your convenience I have attached some documents that may assist you better understand our Certified Day Scholar class action.

I would also request that we meet as soon as possible as our day scholar class action will be moving toward trial.

Thank you and I look forward to your response.

I can't remember if we said MSF wanted to go to this or not. Looks like he is in Vancouver anyways.

Hello Cindy

I hope you are doing well. I am currently collecting information on all the events happening in the Mid Island Pacific Rim for Indigenous People's day.

I see the Port Alberni Friendship Centre is hosting an event from 11:00am-2:30, I am curious what the agenda looks like for this event? Hoping you can let me know 😊

Thanks,

Subject: Call for Records IRR-2019-93322 Due June 12, 2019 Analyst Ken MacNeil

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

Records of any and all emails, text messages, BBMs, slack messages, and WhatsApp messages - excluding attachments - sent from Minister/Minister of State's Executive Assistant(s) - where such a position existed and was staffed. (Date Range for Record Search: From 04/01/2018 To 04/30/2018) – Date Format: MM/DD/YYYY

The following public bodies have also received this FOI request: TRA, TAC, MSD, PSS, MAH, MHA, LBR, JTT, HTH, FNR, FIN, MOE, EMP, EDU, CTZ, CFD, AGR, AED.

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** sections 1 & 2 of the Call for Records form as we may be in a position to issue a fee estimate. Return the form to IAO by June 4, 2019. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process.
- **If no fees apply** then complete the attached Call for Records form and return it to IAO by June 12, 2019
- Send records via email in **PDF format**. Before you turn emails into PDFs, ensure that you have included all attachments. If email is not possible, please put the records on the **File Share** and notify IAO that the records are available.

You should be aware that *FOIPPA* obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that your Ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Please do not hesitate to contact IAO to discuss: whether the records may be routinely releasable; whether the information is being prepared for public release or is already publicly available; ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or any other questions or concerns relating to this request.

Thank you for your assistance,

Resource Team
