Hello,

I am reaching out to request a meeting between MLA Olsen and Minister Fraser in order to discuss the relationship between Tseycum First Nation and the Province of British Columbia. Please find attached a letter from Tseycum First Nation which details some of the concerns surrounding the relationship.

MLA Olsen has discussed these issues with the Mayor for North Saanich, Mr. Geoff Orr, as well as with Tysecum leadership and would appreciate the opportunity to brief Minister Fraser personally. Please let me know if this is acceptable and we will work to find a mutually agreeable date and time.

Best wishes,

BULLETS

DATE: June 4, 2020

PREPARED FOR: Honourable Scott Fraser, Minister of Indigenous Relations and Reconciliation

REGARDING: Tseycum First Nation's interest in the Sandown Lands

SUMMARY:

- In 2017 the Sandown Agricultural Land (83 acres in the ALT), formerly part of Sandown Racetrack was gifted to the North Saanich Regional District for long term agricultural use.
- April 30, 2020 Tseycum sent a letter to MLA Olsen and the Mayor of North Saanich, with a cc to Minister Fraser, expressing an interest in acquiring an interest in the Sandown Lands located near their community in the Sidney area.
- North Saanich has indicated to our negotiator that they are not interested in divesting themselves of the property. They have undertaken extensive community consultation and intend to use the land for sustainable food production for the benefit of the region. A district appraisal estimated that the Sandown property would provide \$3.9 to \$4.7 million to the district over the first 10 years of new agricultural uses.
- The district has indicated that they would be prepared to partner with Tseycum on ways in which the property could be used to benefit the First Nation. Eg. cultural use opportunities and employment initiatives.

KEY MESSAGES:

- Thank you for making the time to talk today, I recognize that you and your community have a lot on their plate right now responding to the COVID-19 pandemic.
- I understand the interest of the Tseycum First Nation in the development of the Sandown property and the potential for associated cultural and employment opportunities for their members.
- While the District of North Saanich is not interested in selling the property, I understand that they are interested in developing partnerships with Tseycum that could result in cultural and employment opportunities for the First Nation.
- I encourage Tseycum to continue working with the District in order that all parties can benefit from development of the Sandown lands.

Hi Donna,

As discussed, I'd like to propose we reschedule next Thursday's meeting between Min. Fraser, Min. Farnworth and MLA Olsen to instead happen next Monday before 5pm. I've also discussed with Celia from MIRR.

For scheduling purposes, I've copied our admin assistant Charlotte to help find a new proposed time that will work for Min. Farnworth, DM Mark Sieben, and ADM Brenda Butterworth-Carr. Charlotte, could you please share a few times that would work on our end?

Celia, you may want to loop in your admin staff as well?

Please let me know if you need anything further.

Thanks,

I replied a couple weeks ago and said that we needed some ministry support because there will be reps from tseycum there. Can we ensure someone from the ministry will be available. My apologies, I got confused about next steps.

Connie- can we set up a time next week if possible for this meeting?

Thanks,

Hello Connie and Judy: Further to a recent conversation between Minister Fraser and MLA Olsen, this email is to request a change in scheduling of their regular meetings (phone calls).

We are now seeking a 30 minute phone call every 2 weeks instead of a one hour call every 4 weeks. As agreed by Scott and Adam, we will check in prior to every 2nd meeting to determine if there are agenda items - if not, we can cancel.

Green Caucus is requesting the next phone call to be during week of April 13th, with the subsequent call during the week of April 27, etc.

Connie - that would mean cancelling the current 1 hour meeting scheduled for April 22. Could you please start by proposing some days/times during the weeks of April 13 and April 27 that could work for Minister Fraser?

Please let me know if you have any questions or if I can help.

Thank you,
Donna

Hello Connie and Judy: Further to a recent conversation between Minister Fraser and MLA Olsen, this email is to request a change in scheduling of their regular meetings (phone calls).

We are now seeking a 30 minute phone call every 2 weeks instead of a one hour call every 4 weeks. As agreed by Scott and Adam, we will check in prior to every 2nd meeting to determine if there are agenda items - if not, we can cancel.

Green Caucus is requesting the next phone call to be during week of April 13th, with the subsequent call during the week of April 27, etc.

Connie - that would mean cancelling the current 1 hour meeting scheduled for April 22. Could you please start by proposing some days/times during the weeks of April 13 and April 27 that could work for Minister Fraser?

Please let me know if you have any questions or if I can help.

Hello Connie and Judy: Further to a recent conversation between Minister Fraser and MLA Olsen, this email is to request a change in scheduling of their regular meetings (phone calls).

We are now seeking a 30 minute phone call every 2 weeks instead of a one hour call every 4 weeks. As agreed by Scott and Adam, we will check in prior to every 2nd meeting to determine if there are agenda items - if not, we can cancel.

Green Caucus is requesting the next phone call to be during week of April 13th, with the subsequent call during the week of April 27, etc.

Connie - that would mean cancelling the current 1 hour meeting scheduled for April 22. Could you please start by proposing some days/times during the weeks of April 13 and April 27 that could work for Minister Fraser?

Please let me know if you have any questions or if I can help.

Thank you,
Donna

Subject: Minister Fraser/MLA Olsen meetings going forward

Hello Connie and Judy: Further to a recent conversation between Minister Fraser and MLA Olsen, this email is to request a change in scheduling of their regular meetings (phone calls).

We are now seeking a 30 minute phone call every 2 weeks instead of a one hour call every 4 weeks. As agreed by Scott and Adam, we will check in prior to every 2nd meeting to determine if there are agenda items - if not, we can cancel.

Green Caucus is requesting the next phone call to be during week of April 13th, with the subsequent call during the week of April 27, etc.

Connie - that would mean cancelling the current 1 hour meeting scheduled for April 22. Could you please start by proposing some days/times during the weeks of April 13 and April 27 that could work for Minister Fraser?

Please let me know if you have any questions or if I can help.

Thank you,

Donna
