I don't think it's necessary re: secretariat. We're having that discussion actively at Doug's mandate letter check-in.

We are starting. The next part of<sup>s.13; s.16</sup> today at 4. I don't think it will be a necessary part

And a/plan we cover there as well so I see this as a pretty high level check in at the weekly.

Doug may have efferent ideas - but don't feel the need to go too deep at the weekly as we have other time for that.

Hi,

Just touching in, will you be ready for a discussion on the secretariat next week at the regular MMR weekly mandate letter check in? Or should we hold off to the following/later meeting?

Right now the agenda is pretty packed, we have Alignment of laws, Action Plan (maybe?) and IGB's for next week.

Thanks,

Tania kindly called me about what to bring to the mandate letter check-in (Michelle is off today)

1. s.12; s.13; s.16

2. Re: Action Plan – I can send you a new version of the action plan later today ( tomorrow at the latest) that will have some significant colour coding. To read it properly – I would like to invite Sara/ Emily to that portion of the mandate check in as they will be able to answer technical questions regarding the draft.

Thanks Jessica, and I do know everyone is flat out. We need to plan for the next mandate meeting, so I'm looking for clarity:

• s.12; s.13

- I would like to discuss the next iteration of the action plan with the minister next week, meaning we send it to him in advance (Friday)

In addition, Shawna, Trish has the first draft of the section 7 guidance that I may include in the agenda (TBC once I review).s.16

Thanks
