54089	Briefing Note-Information	Rankin, Murray	2021-11-16	Regional Meetings with MJO • Started as a response to COVID-19 as an opportunity to connect with local governments on matters impacting them • They've been continuing on a monthly basis • Generally regional – there are 5 regions (i.e. five calls per month) • They are one hour • The current format of the calls is that the minister starts giving opening remarks and general updates and there may be a guest speaker (in January UBCM president Brian Frenkel joined the minister) who also will speak briefly. After that the minister will start a roll call (in alphabetical order) and each local government on the call gets an opportunity to speak. • A “reconciliation theme” meeting was considered with Minister Rankin (MIRR) as an invitee, but due to various conflicts was postponed.
