Chief Tanya Jimmy
Tseycum First Nation
1210 Totem Lane
North Saanich BC V8L 5S4

Dear Chief Tanya Jimmy:

We are writing you in your capacity as chief of the Tseycum First Nation, to commence consultation on a proposed transfer of the lands commonly known as the Woodwynn Farms Property as shown on the map attached to this letter as Schedule "A" (the "Property") from the Provincial Rental Housing Corporation (the "Vendor") on behalf of the British Columbia Housing Management Commission ("BC Housing") and the Crown in Right of the Province of British Columbia to Tsartlip First Nation.

As a part of reconciliation discussions, the Province has negotiated an agreement with Tsartlip First Nation under which Tsartlip First Nation will take steps to acquire the Property from the Vendor by December 31, 2020. The Property is located within the area covered by your protective writ filed in the BC Supreme Court.

BC Housing and the Vendor acquired the Property from its former owners in 2018. It was subsequently determined that the Property was surplus to BC Housing needs and a decision was made to offer to sell it to Tsartlip First Nation who have long expressed an interest in the Property. When the transfer is completed, fee simple title to the Property will be transferred to a company owned by Tsartlip First Nation and registered in the Land Title Office.

The Province recognizes and is committed to fulfilling its legal duty to consult, and where required, accommodate Indigenous Nations whose rights under section 35 of the *Constitution Act*, 1982, including rights set out in historic Treaties such as the Douglas Treaty, may be adversely impacted by proposed actions of the provincial Crown.

.../2

As part of this process, we respectfully request that Tseycum First Nation consider the proposed transfer of the Property and communicate any concerns regarding the impacts of the proposed transfer on section 35 rights. We would appreciate hearing from you by October 9, 2020 including as much detail as possible on the potential impacts. Please note that this letter and enclosed maps are provided to you in confidence and with the consent of Tsartlip First Nation. We request that this information be used only for the purposes of this consultation process and not be distributed beyond Tseycum First Nation and your advisors without the express permission of Tsartlip First Nation and the Province.

We appreciate your attention to this matter, and encourage you to direct any questions, concerns, or comments regarding any of the information contained in this letter or enclosed maps to Wisty Chaytor, Negotiator, Ministry of Indigenous Relations and Reconciliation at (250) 818-6392 or at wisty.chaytor@gov.bc.ca.

Dear Chief George Harry:

This letter is in follow up to our letter of September 11, 2020 regarding consultation on a proposed transfer of the lands commonly known as the Woodwynn Farms Property (the "Property") from the Provincial Rental Housing Corporation on behalf of the British Columbia Housing Management Commission and the Crown in Right of the Province of British Columbia to Tsartlip First Nation.

We would like to thank you for your letter on October 8, 2020 in which you expressed support for the Property transfer. By way of this letter, we would like to now provide you notice that the Province is proceeding with the transfer of the Property to Tsartlip First Nation.

Yours truly,

Mark Lofthouse,
Chief Negotiator

Hi Murray,
s.22

Very good news on the change of new owners of course.

I thought it might of ended up a therapeutic farm for women.

I cannot image a subdivision but imagine a therapeutic community for First Nations there - so much that could be accomplished supporting their right culture and helping those that have suffered due to our involvement- it could be a Canadian

reconciliation model that could be set up in every province across our country.

Thoughts?

Best,

Dear Rob Reid:

Thank you for your email of December 18, 2020 regarding the return of the former Woodwynn Farm property from BC Housing to Tsartlip First Nation.

I share your enthusiasm for the good news of the property being returned to Tsartlip First Nation and I commend all those who worked hard to support this reconciliation initiative. It is a tremendous step forward in advancing reconciliation between the provincial government and Tsartlip First Nation.

Thank you also for providing your thoughts on potential future uses of the property. Tsartlip First Nation now owns the property in fee simple. My understanding is that the Nation's leadership will engage their community members to determine the best use of the land going forward.

I appreciate your interest in this reconciliation initiative and I hope you are having a safe start to the new year.

Sincerely,

Murray Rankin, QC
Minister of Indigenous Relations and Reconciliation

Dear Minister Rankin:

**Re Request Letter of Support regarding addition of MÁWUEĆ
(former Woodwynn Farm property) to WJOŁŁP (Tsartlip) Reserve**

As you know, WJOŁŁP (Tsartlip First Nation), took possession of the former Woodwynn Farm property adjacent to South Saanich Indian Reserve #1, on December 16, 2020. Its civic address is 7779 West Saanich Road, Saanichton, BC. This land is called MÁWUEĆ in the SENĆOTEN language.

We have since applied to Indigenous Services Canada (ISC) to add MÁWUEĆ to our reserve. ISC has accepted our application and has informed us that they will be consulting with neighbouring First Nations, the District of Central Saanich, and the Province of British Columbia. I write to request that you provide a letter of support, on behalf of the Province, to ISC indicating that the Province supports our application to add MÁWUEĆ to our reserve.

We made our application to add MÁWUEĆ to reserve pursuant to the “Community Additions” category of ISC’s Addition to Reserve/Reserve Creation policy. This category is related to accommodating community growth and protecting culturally significant places. WJOŁŁP struggles with insufficient housing for our members because of the lack of reserve land. Our limited reserve land also restricts our cultural spaces and economic development opportunities.

The social and spiritual effect of adding this land to the reserve is immeasurable. From time immemorial until our ancestors were removed from it, MÁWUEĆ was used for hunting, farming, fishing, harvesting cedar, gathering medicines, and ceremony. WJOŁŁP recognizes the importance of stewardship to ensure the land is sustainable, and wants to reawaken MÁWUEĆ, heal the land, and bring the sacredness back.

The land is currently zoned as part of the Agricultural Land Reserve. Currently, we intend to continue some agricultural activities. Our plans also include providing much-needed member

housing, creating community infrastructure, developing economic activities, and restoring fish to Hagan Creek. We are currently undertaking environmental remediation following a 2018 environmental site assessment.

The *United Nations Declaration on the Rights of Indigenous Peoples* (“UNDRIP”), which has been enshrined in British Columbia legislation, provides that Indigenous peoples are entitled to redress for lands that were taken from us. Furthermore, UNDRIP states that we have rights to land we traditionally owned, occupied and used, and that we have rights to use, control and develop those lands. We want to have control and jurisdiction over our land. Adding MÁWUEĆ to reserve is one of the mechanisms we can assert that control. We respectfully request your support in enabling WJOLELP to exercise these rights by adding MÁWUEĆ to our reserve lands.

As part of Canada’s consultation process under the Additions to Reserve/Reserve Creation Policy, ISC will notify the Province of our application and request any comments. Should you have any questions or concerns, we would like to discuss them as soon as possible so that we may resolve them together.

If you support our application, we kindly ask that you express that support through a letter to:

Wanda Röttcher, Land Management and Leasing Officer
Lands and Economic Development, BC Region
Indigenous Services Canada / Government of Canada
600-1138 Melville Street
Vancouver, British Columbia V6E 4S3
wanda.rottcher@sac-isc.gc.ca

I am available to answer any questions or concerns that you may have. Thank you in advance for your time and support regarding this powerful step for our First Nation.

HÍSWKE,

Dear Minister Rankin:

**Re Request Letter of Support regarding addition of MÁWUEĆ
(former Woodwynn Farm property) to WJOŁŁP (Tsartlip) Reserve**

As you know, WJOŁŁP (Tsartlip First Nation), took possession of the former Woodwynn Farm property adjacent to South Saanich Indian Reserve #1, on December 16, 2020. Its civic address is 7779 West Saanich Road, Saanichton, BC. This land is called MÁWUEĆ in the SENĆOTEN language.

We have since applied to Indigenous Services Canada (ISC) to add MÁWUEĆ to our reserve. ISC has accepted our application and has informed us that they will be consulting with neighbouring First Nations, the District of Central Saanich, and the Province of British Columbia. I write to request that you provide a letter of support, on behalf of the Province, to ISC indicating that the Province supports our application to add MÁWUEĆ to our reserve.

We made our application to add MÁWUEĆ to reserve pursuant to the “Community Additions” category of ISC’s Addition to Reserve/Reserve Creation policy. This category is related to accommodating community growth and protecting culturally significant places. WJOŁŁP struggles with insufficient housing for our members because of the lack of reserve land. Our limited reserve land also restricts our cultural spaces and economic development opportunities.

The social and spiritual effect of adding this land to the reserve is immeasurable. From time immemorial until our ancestors were removed from it, MÁWUEĆ was used for hunting, farming, fishing, harvesting cedar, gathering medicines, and ceremony. WJOŁŁP recognizes the importance of stewardship to ensure the land is sustainable, and wants to reawaken MÁWUEĆ, heal the land, and bring the sacredness back.

The land is currently zoned as part of the Agricultural Land Reserve. Currently, we intend to continue some agricultural activities. Our plans also include providing much-needed member

housing, creating community infrastructure, developing economic activities, and restoring fish to Hagan Creek. We are currently undertaking environmental remediation following a 2018 environmental site assessment.

The *United Nations Declaration on the Rights of Indigenous Peoples* (“UNDRIP”), which has been enshrined in British Columbia legislation, provides that Indigenous peoples are entitled to redress for lands that were taken from us. Furthermore, UNDRIP states that we have rights to land we traditionally owned, occupied and used, and that we have rights to use, control and develop those lands. We want to have control and jurisdiction over our land. Adding MÁWUEĆ to reserve is one of the mechanisms we can assert that control. We respectfully request your support in enabling WJOLELP to exercise these rights by adding MÁWUEĆ to our reserve lands.

As part of Canada’s consultation process under the Additions to Reserve/Reserve Creation Policy, ISC will notify the Province of our application and request any comments. Should you have any questions or concerns, we would like to discuss them as soon as possible so that we may resolve them together.

If you support our application, we kindly ask that you express that support through a letter to:

I am available to answer any questions or concerns that you may have. Thank you in advance for your time and support regarding this powerful step for our First Nation.

HÍSWKE,

Chief Don Tom

Dear Chief Don Tom:

Thank you for your letter of February 7, 2022 requesting support for addition of MÁWUEĆ, the former Woodwynn Farm property, to WJOŁŁEP (Tsartlip) Reserve.

First, I would like to acknowledge the close work and cooperation between Tsartlip First Nation and the Province in the acquisition by Tsartlip of MÁWUEĆ.

I am in support for your application to Indigenous Services Canada to add MÁWUEĆ to WJOŁŁEP Reserve to accommodate the growing community and to protect culturally significant places. Given the history of the WSÁNEĆ Peoples and impacts to the Douglas Treaties, I believe this is an important, positive step towards reconciliation.

I encourage you to work with the municipality of Central Saanich to discuss and find agreement for use of municipal services to support this addition to reserve.

Sincerely,

Murray Rankin, QC

INFORMATION BULLETS

DATE: September 9, 2022

PREPARED FOR: Honourable Murray Rankin, Minister of Indigenous Relations and Reconciliation, acting Attorney General and Minister Responsible for Housing

REGARDING: Meeting with Tsartlip Chief Don Tom and MLA Adam Olsen regarding additional environmental contamination at Woodwynn Farm.

SUMMARY:

- Tsartlip First Nation (Tsartlip) is looking for a financial commitment to address its claim of additional contamination on Woodwynn Farm.
- Negotiators understand that Tsartlip has new information to share on contamination, which will assist in determining next steps moving forward.

KEY MESSAGES

- I understand there were a number of environmental assessments done on the property prior to the transfer of land to Tsartlip. I am disappointed to hear that additional contamination was found.
- I appreciate Tsartlip's concern at these findings and understand the challenges that can be posed by contamination.
- I understand you have an assessment of these findings; ourselves and BC Housing would like to review them to help us in these conversations.
- Based on the information shared, we could then look at next steps in these conversations. The MIRR lead for this is Matthew Butterfield, Regional Director, and he can coordinate with BC Housing.

BACKGROUND:

- In July 2018, BC Housing purchased the Woodwynn Farm property from a private landowner.
- Prior to closing on the purchase of this property, and as part of due diligence, BC Housing commissioned a phase I and phase II environmental assessment of the property.
- These assessments found low levels of environmental contaminants such as lead paint, dust suppressants, and vehicle or machinery maintenance residuals were found on the property; all consistent with what would be expected on a small-scale working farm.
- In 2019, BC Housing commissioned an additional environmental assessment to further understand and confirm the scope of the contamination, the potential remediation options and to provide a cost estimate associated with each remediation option.
- All three environmental reports were provided to Tsartlip, along with time for them to do their own due diligence prior to concluding the purchase and sale agreement with BC Housing.

- In April 2020, MIRR provided Tsartlip a grant of \$7.77M to acquire the Woodwynn Farm property from BC Housing. This included funding for the purchase, legal fees, property transfer tax, operations, professional costs, and \$800,000 for environmental remediation.
- In December 2020, Tsartlip and BC Housing signed a purchase and sale agreement for the transfer of the Woodwynn Farm property. The agreement also secured assurances and releases from Tsartlip addressing potential legal and environmental risk associated with any environmental contamination of the property.
- In March 2022, Tsartlip contacted BC Housing and MIRR to advise that an additional source of contamination was uncovered during the initial remediation activities and requested a meeting to discuss their revised remediation plans and an additional funding request. Tsartlip agreed to forward a revised environmental assessment report, inclusive of a cost estimate. To date, no information or report has been received by BC Housing or MIRR.
- The *Environmental Management Act* (EMA) is applicable to fee simple properties and provides a landowner with the ability to seek recovery of investigation and remediation costs from a party found, by the court, to be a responsible person as defined in EMA.

Dear Chief Don Tom:

I am writing to thank you for meeting with me at the 2022 BC Cabinet and First Nations Leaders' Gathering (the Gathering) in the territories of the X^wməθk^wəyəm (Musqueam), Sk̓wx̓wú7mesh (Squamish) and səl' ilwətaʔl/sel' ilwitulh (Tsleil-Waututh) First Nations. After more than two years without being able to gather, I could feel the energy and excitement as we renewed acquaintances and tackled critical issues together. I was inspired by that energy, and by the generous sharing of stories and wisdom I witnessed during the gathering.

At the Gathering, First Nations leaders, Cabinet ministers, deputy ministers, and ministry staff had the possibility to directly engage on opportunities and challenges facing Indigenous communities. It was an honour to be able to meet with you.

During our meeting, we discussed the remediation funding requested by Tsartlip First Nation (Tsartlip) to bring Máwuec to the standards needed by Indigenous Services Canada (ISC) for its Addition to Reserve program. Please be assured that our negotiations team is seeking funding to support this request. I also offered to speak to the Honourable Patty Hajdu, Minister of Indigenous Services, about Máwuec's Addition to Reserve issues with ISC representatives. I was happy to learn that after our meeting at the Gathering, Tsartlip received an encouraging letter from ISC on this topic.

Dear Patrick Murphy, Gorka Zabala, Andrew Leach, and Alana DeGrave:

This is to confirm that, further to the Contract of Purchase and Sale dated October 30, 2020 (the “Purchase and Sales Agreement”) between the Provincial Rental Housing Corporation (the “Housing Corporation”) and Tsartlip First Nation, the Ministry of Indigenous Relations and Reconciliation on behalf of Her Majesty the Queen in Right of the Province of British Columbia (the “Province”) has completed consultation with the relevant Indigenous Nations regarding the proposed sale of the Lands in accordance with applicable Provincial policy. The Ministry of Indigenous Relations and Reconciliation is of the view that the Province has fulfilled any obligations it may have to consult and, if appropriate, accommodate First Nations other than Tsartlip First Nation with respect to the potential adverse impact of the proposed transfer on any Aboriginal or treaty rights recognized and affirmed under section 35 of the Constitution Act, 1982.

Hopefully this confirmation will allow the Housing Corporation to waive condition 10.1 under the Purchase and Sales Agreement on or before December 1, 2020 in order that the sale can proceed in accordance with its terms.

Sincerely,

Mark Lofthouse

The

Province is continually working to try to find ways to support nations in Crown land scarce areas, similar to the support for Tsartlip in the purchase of MAWUEC.

Background:

Woodwynn Farm / MAWUEC

- In April 2020, MIRR provided Tsartlip a grant of \$7.77M to acquire the Woodwynn Farm property from BC Housing, which included \$800,000 for environmental remediation. Tsartlip's intention was to work with Indigenous Services Canada (ISC) to add the land to its reserve. In March 2022 Tsartlip uncovered an additional source of contamination.
- Tsartlip would like to have MAWUEC added to its reserve within two years.
- On September 20, 2022, Minister Rankin and Deputy Minister Doug Caul met with Tsartlip Chief Don Tom and MLA Adam Olsen, also a Tsartlip member, and committed to look into requested funding to support a risk-based approach to the newly discovered contamination to assist Tsartlip with the addition to reserve requirements.

Tsartlip was able to purchase the farm from BC Housing through a \$7.77-million grant from the Province. The Province provided funds for environmental remediation, and in the course of that work an additional and unanticipated source of contamination was recently uncovered. Tsartlip is seeking additional financial support to address the newly discovered contamination.

Tsartlip First Nation

Other/Completed Negotiations

- Tsartlip First Nation has Douglas Treaty rights to hunt "on unoccupied land" and fish "as formerly" within areas where its community traditionally hunted or fished. Tsartlip members are likely descended from the South or North Saanich groups that signed Douglas Treaties in 1852.
- Tsartlip and the Province signed an Interim Reconciliation Agreement (IRA) in March 2017.
- The IRA was a two year-agreement that contemplates negotiating protocol agreements, a management plan for parks, and a potential long-term reconciliation agreement.
- The IRA also establishes other areas of interest including geographic naming, boat waste management in the Saanich Inlet (derelict boats), economic interests, and concerns regarding asserted breaches of the Douglas Treaty.

Issues/Opportunities:

- Tsartlip is seeking additional financial support to address recently uncovered additional contamination at MAWUEC (also known as Woodwynn farm).
- As a result of litigation and negotiation, the Tsartlip Nation's Douglas treaty right to hunt also includes the right to hunt at night with lighting.

Hi Celia and Hailey,

I can block off that time for Chief Tom September 20th 4-5pm, virtual meeting works as well if that is easiest.

Good afternoon,

My apologies for not responding sooner, this email went to my junk mail. Unfortunately, Chief Don Tom is unavailable and out of office for the Month of August.

Would it be possible to look at dates for start of September and that way we can potentially do this meeting in person?

Thanks,

Hi Lucinda,

Apologies for my delayed response, I'm traveling with the MLAs this week and have been out of cell service. Adam will be traveling during those days so a virtual meeting would be preferred.

He has availability between 11-12 both days, or between 1-4.

Good morning Hailey and Yetsa,

We are looking at Thursday, August 4 or Friday, August 5 as potential dates for this meeting. How does 9:00 am work for Chief Tom and MLA Olsen?

Where will Adam and Chief be on these two days? I can plan for a virtual meeting – or, depending on where they will be – arrange for a hybrid format.

With warmth and appreciation,
Lucinda

Hi Hailey,

Thanks for the chat on Tuesday! Yetsa, pleased to make your acquaintance.

I wanted to provide assurance that we are seeking near opportunities for this meeting in early August, and hope to be in touch soon with a couple of options.

Please feel welcome reach out if we can be of further assistance. Also, Devon Black is no longer working in our office. In her stead is Celia Pinette (copied here), whom you'll find just as great to work with.

Lucinda

Hi Erica,

This meeting request came from MLA Adam Olsen's office. As you'll see below, I've expressed that we are looking at early August, and I will let you know if Yetsa responds with information about Chief's schedule.

Meeting attendees include: MLA Olsen and Chief Don Tom (of Tsartlip FN). TBD is whether Adam will bring staff or Chief will be accompanied by councilors.

I've given Tom an early heads up, but can you action in formal process by letting Matt know and choosing a date/time near the end of first week August? (Maybe the 4 or 5).

We will seek materials (info/briefing note); and likely (as per Tom's suggestion) a pre-brief in day ahead of this scheduled meeting.

Thank you,

Lucinda
