**Todays Task** 

Hi Everyone,

Just let let you know about today's task. We were paged out at 10:00 this morning to do a body recovery at Christina Lake, 7 NSAR member responded, 4 South Columbia and 1 Penticton SAR member. The team went to check to location and found the subject was a White Tail Deer floating in the back eddy. We were stood down, I would like to thank eveyone who took time away on this holiday weekend.

Please send you time and mileage to Murray.

Any questions please call me.

Thanks Darcy
