Warren

I received the same letter and have advised that I will sit on the committee. I would suspect that all of the Chiefs received the same letter?

Forwarding on behalf of Kimberley McLean:

Hello Expert Committee on Police Finance and Structure:

Attached please find a confidential draft summary paper that is intended to describe the process we undertook with you all last year, and reflect the input and messages that the Province received through the committee sessions. It is in draft form you will see – we will be updating data to the most current year, and fact checking with other provinces and territories the information that was obtained from public sources, formatting, etc.

This paper will inform broad policy work being undertaken by the Ministry, and options that may be developed in the future respecting police structure, finance, service delivery and governance. We would appreciate you taking the time to review the document and provide any feedback by redlining the document by May 31, 2015. The part describing the feedback and what we heard at the sessions is from about page 31 to 40.

Thank you again for all of your energy and commitment to this process. We learned a great deal and your support and input has been greatly appreciated.

Regards,

Cassandra Graber
