Good evening Richard. I just recently got off the phone with Paul Corrado, s.15 and s.15 regarding Penticton. I asked them to capture headlines and highlights for us which are outlined below.

It appears that in spite of the risk assessment performed that indicates a s.15 s.15,s. s.15,s.16

s.15,s.16 Complicating this is that Dean Purdy of the BCGEU is in the area and tweeting about the risk to sheriffs with regards to the alleged 3 individuals. Paul's team has expedited another review through s.15 s.15

Paul is trying to connect with s.15,s.16 and waiting for a call back. Staffing a search gate is the real challenge and of course, there are implications to doing this. s.15

I just wanted to make sure you were linked in as I suspect that this will be coming in your direction s.16

I'm just waiting for Paul to get back to me with the s.15,s.16 but staffing will be an issue and we'll need to s.15 Even short term, there are implications around staffing and messaging. I'm available for a call if this is something you'd like. I'll keep you posted.
