**Subject:** 424123 & 424166- To the cowards that let little kids get beaten up.

To all that are too cowardly to uphold the law.

The following has 2 explanations.

Its still operating because the rcmp have full knowledge and is getting a cut.. or.. information sharing is a closed door.. the start of a closed border to corruption.

If you have a third I'll be more than happy to consider it before I publish.

Throwing one of your own under the bus.. not good enough.. the no fly is still in play.

To save face the force could voluntarily disband. . Ill drop the issue with no comment.

Fair warning my patience wearing thin. The way things are progressing..I'm ahead of schedule. .I'm considering adding a clause.

No member of the force is to be employed in any occupation concocted to law enforcement..including mall cops.

Have a nice retirement.. well at least as nice as any child abuser can.
