Hi Chris,

I just had a call with the Minister s.12

this afternoon. MRK mentioned to

s.22 about ensuring businesses that will be impacted by a requirement to prove vaccination have a clear process and clear requirements – noting the needs of multi-cultural businesses, language etc.s.13

s.13

s.13 I know that you are working on this. Perhaps we can connect later this week and follow up with the MO when you have more from MoH, especially the guide that I understand MoH is working on.

Kyla – please could you find form time for Chris and I to touch base.

Thanks.

James.

Hi Ravi – My apologies. Here are the materials for IET.

I followed up with Stephen Brown's office on Friday and the response back was that he likely could attend the first 30 minutes but he has a briefing he must do at 10:30. Peter Pokorny from Health I believe will be attending as well however we do not have a spot on the agenda after Dr. Henry.

Let me know what I can do to help.

Hi Chandler,

Lori shared the note from Meghan Harris yesterday indicating the announcement was a go for Monday afternoon... I just want to double/triple check that's a firm date now, and then we will send out invites for the Industry Engagement Table at 10am on Monday. We've currently got time in Dr. Henry and our Minister's calendar's held for that.

If you could confirm, that would be great.

Thanks,

Chris

On a another note can I ask for you to hold tomorrow from 12 – 1 for this meeting as well (provided DM Brown is available). There seems to be a bit of movement and uncertainty on a potential announcement but I'm hoping to have confirmation later today when and if this meeting will go forward.

If this lands at 12 – 1 tomorrow, Dr. Bonnie Henry will be in attendance.

Hi Sara – The IET is the Industry Engagement Table, led by Minister Kahlon and typically Dr. Bonnie Henry. This committee was established in response^{s.13} the business community when restrictions were put in place early on during COVID. DMs and Ministers from HLTH, LBR and TACS are all provided an opportunity to attend along with staff from the Premier's office so they can be available to answer questions members may have and if interested Ministries can request time on the agenda to address the business community on specific items that may be part of the announcement. Attached is an attendee list as of early yesterday afternoon, there may be a few additions out of discussions late yesterday and early today.

Hi Christine,

Apologies for asking but trying to figure out what this meeting is about.

What does IET stand for?

Do you have a list of participants?

Does Steve have a role at this meeting: ie providing any update of any kind or merely a participant?

Will there be any material in prep for this meeting?

Thank you in advance Christine for providing some clarification. Much appreciated.

Good afternoon, we are scheduling an IET meeting for either Friday, August 20 from 9:00am to 10:00am or Monday, August 23 from 10:00am to 11:00am – the confirmed time will depend on when an announcement is scheduled; however it seems to be leaning towards Friday. My apologies for the short notice. Can you please advise if Stephen is available? Also if Minister Dix would like to attend and if he would like time on the agenda?

The meeting will follow a similar format to previous meetings; however Dr. Reka Gustafson, Deputy Provincial Health Officer will likely attend obo Dr Henry to give an update and answers any questions from members. MRK to give opening and closing remarks.
