Honourable Shirley Bond
Minister of Jobs, Tourism and Skills Training

Dear Minister Bond,

The BC Construction Association's (BCCA) mandate is to provide leadership and excellence in the representation of and service to British Columbia's construction industry. Our Board of Directors represent over 2,000 employers in BC's integrated construction associations.

Our next Board of Directors meeting is on Friday, November 27th, starting at 7:30am to 2:00pm at our office in Victoria. BCCA has a long standing working relationship with you and your ministry in mutual pursuit of workforce development initiatives geared to the best outcomes for BC residents. This meeting would be a wonderful opportunity to discuss the objectives and priorities of your ministry and to enable alignment with BCCA's priorities.

I would like to take this opportunity to personally invite you to meet the board and have you join us as our VIP guest. My office would be pleased to work with your scheduling team to find a half hour block of time within the day that would work for you. It would be appreciated if your office could confirm your availability on or before Friday, November 6, 2015.

Sincerely,

Manley McLachlan
President
