Good evening,

Re: First Nations Leaders Gathering in Vancouver, Sept 5-7

As in previous years, in preparation for these meetings, it is the responsibility of each ministry to prepare any briefing materials for their Minister (no template will be provided from ABR). Although we have not receive a list of meetings from MABR, you may wish to connect with your teams and proactively plan for meeting requests you anticipate will come in, and get a jump on preparing those BNs.

There is a block of rooms available at the Pan Pacific. Please scroll down for more info.

Sveah Hourston, DMO, is the JTT lead for the FNs Leaders Gathering. She will provide more information as it becomes available from ABR.

Key Dates:

Week of Aug 28: Pre-brief with Minister Ralston (and MoS/PS) Week of Aug 21: BNs requested in DMO (Sveah will confirm date)

Subject: First Nations Leaders Gathering Info

Colleagues,

We are quickly approaching the 4th annual BC Cabinet and First Nations Leaders' Gathering (the Gathering), scheduled for Wednesday, September 6th & Thursday, September 7th at the Vancouver Convention Centre. There will be a networking session and reception on September 5th. It is strongly recommended that Deputies attend the reception.

Planning is well underway. Below you will find information to aid your preparation.

Overview of the Gathering

The Gathering is an opportunity for First Nations Leaders and Cabinet Ministers to directly discuss key issues and opportunities at the community level. The primary focus of the gathering will be meetings between Ministers and First Nations Leaders. Cabinet Ministers, and in some cases Deputy Ministers, will host one-on-one meetings over the two days of the Gathering. The Gathering will also include a series of speakers along with remarks from the Premier, the MIRR Minister, and leadership of the First Nations Leadership Council.

Agenda discussions are underway with the First Nations Leadership Council. More information will be provided to your office later this summer. The Gathering will be discussed at a Cabinet meeting. We will provide materials to Deputies and Ministers for that meeting.

One-on-one Meetings

A "save-the-date" was sent to First Nations leaders in April with the opportunity to respond early with requests for one-on-one meetings. MIRR will schedule the one-on-one meetings based on requests from First Nations, and will frequently be in contact with your Ministry. We will provide you a schedule of meetings and topics as information becomes available. The completed list of meetings will be available prior to the gathering, but we anticipate that many meetings will be scheduled at the Gathering itself.

In situations where Ministers are oversubscribed, one-on-one meetings may be scheduled with the responsible Deputy Minister or Parliamentary Secretary. Similar to the UBCM convention, meetings will be 15- or 30-minute increments (depending on whether the topic needs to take up two time slots).

As in previous years, in preparation for these meetings, it will be the responsibility of your Ministry to prepare any briefing materials for your Minister (no template will be provided) and to identify a scribe from your Ministry to take detailed notes during the one-on-one meetings. It is important that each Ministry accurately capture any commitments made in these meetings, as they will form the basis of follow-up letters that your Ministry will be required to send out to each First Nation. These commitments will be tracked over the next year.

If you have questions regarding your meetings with a First Nation, staff from your Ministry are encouraged to call the First Nation directly. MIRR will prepare community background details

for all First Nations, but any other materials for meetings are the responsibility of your Ministry. Please feel free to touch base with Shawna French in my office if you require further information. Shawna can be reached at Shawna french@gov.bc.ca or 250-356-6330.

Follow up to 2016 meetings:

At regular intervals since last year's Gathering, MIRR has reached out to your ministries to update the status of commitments that were made during one-one-one meetings in 2016. We have received status updates from all ministries and we will continue to work with your offices to ensure any gaps are filled. The last status update has already been requested of your staff and is due to MIRR by August 1st.

Actions for you:

Please identify a lead contact from your Ministry and provide that name to Shawna French by August 3rd. Shawna will provide that person with information leading up to the Gathering as well as your Ministry's requested meetings to date. Before your office sends the updated commitments from last year, I ask that you review and approve your updates and ensure the outcomes are clearly articulated where possible.

Please also assign a staff member to take clear notes in the one-one-one meetings. Please provide Shawna with that person's name, title, and phone number so that they can be contacted and briefed on their responsibilities. Please also provide Shawna with the names of any other staff from your Ministry attending to support and your Ministers office staff attending. None of these people will need to register online, we will take care of that for you.

Please book your accommodation for the gathering, as September is a busy month for hotels in Vancouver. There is a hotel room block being held at the s.15 (across the street from the s.15) held until August 23rd on a first-come-first-serve basis. The reservation code and info are below:

Subject: JTT Mandate Tracking- input required

Hi all,

As discussed at JTT exec earlier this week, attached please find a mandate/commitment tracker for your review/input. Some things to note:

- We've made a guess as to which ADM is responsible this will need executive input;
- 2. We've included all references to JTT specifically, contained within other Ministers' Mandate letters for executive information;
- 3. We've also included key references to JTT-related work in other Ministers' Mandate Letters that do NOT specifically name the JTT ministry for executive information;
- 4. We've incorporated a summary of the confidence and supply agreement we did not include all the "Appendix" items please advise if more detail is preferred by executive.

We're in the process of establishing a JTT SharePoint site so in the interim, we're asking that all updates be emailed to Danine Leduc by the 2^{nd} of August, so that we can consolidate into one document.

Huge thanks to Nichola Wade and Angelo Cocco and their respective teams for their contribution! Very much appreciated.

As always, if you have any questions, please let me know

Thanks

What is a SharePoint site?

A SharePoint site is a Web site that provides a central storage and collaboration space for documents, information, and ideas. A SharePoint site is a tool for collaboration, just like a telephone is a tool for communication, or a meeting is a tool for decision making. A SharePoint site helps groups of people (whether work teams or social groups) share information and work together. For example, a SharePoint site can help you:

- * Coordinate projects, calendars, and schedules.
- * Discuss ideas and review documents or proposals.
- * Share information and keep in touch with other people.

SharePoint sites are dynamic and interactive -- members of the site can contribute their own ideas and content as well as comment on or contribute to other people's.

Good morning,

GCPE suggested consulting with both your ministries regarding this request. You can find Andrew Pratt's comments enclosed in the email.

To the Attention of:

- Ministry of Agriculture
- Ministry of Jobs, Trade, and Technology

An application to use the initials "B.C." (or words "British Columbia") has been received in connection with the registration of the above-cited name. Please see attached application for your reference.

A response is requested by August 11, 2017.

Kindly indicate by return e-mail, whether or not your Ministry has any concerns regarding the proposed name (refer to assessment criteria below), relevant to Section 2 of the "Symbols and Honours Act" (below):

"Representation of government authority:

- (1) No person or organization shall assume, display or use a name, title or device that indicates or that is reasonably susceptible of the interpretation that the person or organization has authority from the government to do so or is exercising a function of the government, if in fact the person or organization has no authority from or is not exercising a function of the government.
- (2) The registration, under an enactment, of a name of the nature described in subsection (1) is not a defence to a prosecution under this section."

Rejections must be substantiated with a detailed reasoning. GCPE has been copied on this e-mail as they are responsible for all branding and trade-mark concerns for government communications and will apply that lens to the application.

ASSESSMENT CRITERIA:

Ministries are to be concerned with the <u>name and possibility of the business/organization to be misconstrued as</u> <u>representing, or have authority from, the government</u>. The assessment criteria below has been provided to assist you in assessing applications and provide recommendations to the Office of Protocol:

		YES / NO
1.	Does the description of the purpose and activities of the society/company/organization conflict with your Ministry's mandates?

Subject: ACTION: Input on JTT - forecast items

Importance: High

Hi Pam,

I have a few questions for upcoming JTT forecast items. I've attached in a document. I know this is short timelines, but is there any way you can reply no later than Friday at 10 AM. I really need to confirm:

- 1. Correct ministry/ministries
- 2. Dates and committees okay? We have "parked" some items in December so we need to know if there are issues around timing.
- 3. Does the Issue succinctly describe the item—is it for information? For decision? This is for review by Elizabeth MacMillan and others who are setting upcoming agendas. Please complete the information for all items up to Sept 28 first.

Call me if you'd like to discuss.

Thank you so much!

I am based in Vancouver but, I am going to be in Victoria on Thursday September 7th (and possibly September 6th) and was wondering if Mr.. Morisho has some time in his calendar to meet with me.

Fazil,

As part of our stakeholder discussions, we are reaching out to the three key First Nations Organizations to get input. I believe it is key that we reach out and seek views and am planning to meet with officials recommended by MIRR. Could I quickly discuss the draft e-mail below with you today (perhaps just before or just after the FII meeting. I am at Canada Place all day).

Jamie

s.13

I am writing to advise you that Canada will soon enter into renegotiations with the United States and Mexico on the North American Free Trade Agreement (NAFTA).

While BC is not a party to the negotiations, the BC Ministry of Jobs, Trade, and Technology is leading the development of the Province's positions and interests to influence where possible, Canada's position in the NAFTA renegotiation. Due to the prolonged interregnum period British Columbia recently experienced, we are undertaking engagement on a compressed timeline.

It was recommended by officials at the Ministry of Indigenous Relations and Reconciliation that our team meet with you to hear about your organization's experience in and/or with the United States and Mexico, and any perspectives your organization may have on the upcoming NAFTA renegotiations. I personally look forward to the opportunity for this discussion at officials level and I know that your leadership will be meeting with all Ministers in early September.

If you would be interested in discussing further, please contact myself or my office (778-698-8774) by Wednesday, August 16th. Should these timelines not be convenient, we intend to continue to influence the Government of Canada's positions throughout the negotiations and would welcome your views at any time.

Please don't hesitate to get in touch if you have any questions.

Dear Colleagues,

It is now time to start planning our annual FPT Director Generals meeting on Foreign Direct Investment Attraction and I am pleased to confirm that our colleagues from Ontario have offered to host us. The meeting will take place in **Toronto** at the <u>Ontario</u> <u>Investment and Trade Centre</u> on September 19, 2017.

Please confirm your presence by sending your name, title and coordinates to Kimberly Rouleau (kimberly.rouleau@international.gc.ca) by Thursday, August 4, 2017, along with your suggestions for agenda items. If you are unable to attend the meeting, please inform us whether a replacement will be sent on your behalf.

To assist you in locating a hotel room, a block of rooms have been set aside for one night (September 18th) at the <u>Holiday Inn (Lombard street)</u>. These rooms will only be available (\$175) <u>until August 11th</u>, the rate will not be available after that date. We suggest that you reserve a room ASAP as September is a very busy month in Toronto and hotels rooms are limited.

To reserve a room, please contact s.22

s.22 at this email address:

S.22 <u>@whg.com</u>. Ask to book under the *Global Affairs Canada* Group for Sept. 18-19, 2017.

In the coming weeks, we will provide you with a draft agenda.

Thank you for your cooperation and we look forward to seeing everyone again in Toronto in September.

Please note that the Consider Canada City Alliance (CCCA) will also be holding its annual meeting in Toronto at the same building on September 18 and 19.

Sincerely,

Chers/chères collègues,

Il est temps à nouveau de commencer à planifier notre réunion annuelle FPT des directeurs généraux en attraction de l'investissement direct étranger et je suis heureuse de confirmer que nos collègues de l'Ontario ont offert de nous recevoir. La rencontre des DGs aura donc lieu à Toronto au <u>Centre ontarien des investissements et du commerce</u> le 19 septembre 2017.

Veuillez, svp, nous confirmer votre présence en envoyant votre nom, titre et coordonnées à Kimberly Rouleau (kimberly rouleau@international.gc.ca) d'ici le 4 août 2017 ainsi que vos suggestions quant aux points que vous aimeriez voir inscrits à l'ordre du jour. S'il

vous est impossible d'assister à la rencontre, veuillez, svp, nous informer si quelqu'un ira à votre place.

Afin de vous aider à trouver une chambre d'hôtel, nous avons réservé des chambres pour une nuit (le 18 septembre) au <u>Holiday Inn (rue Lombard)</u>. Les chambres (175 \$) seront disponibles <u>jusqu'au 11 août</u> seulement. Le tarif préférentiel ne sera plus disponible après cette date. Nous vous suggérons de réserver une chambre dès que possible car le mois de septembre est très occupé à Toronto ce qui pourrait réduire les disponibilités.

Pour réserver une chambre, svp contacter, \$.22 s.22 à l'adresse courriel suivante: \$.22 @whg.com. Veuillez faire votre réservation de chambre en indiquant que vous faites partie du groupe Global Affairs Canada pour les 18-19 septembre 2017.

Au cours des prochaines semaines, nous vous ferons parvenir un ordre du jour provisoire.

Nous vous remercions de votre coopération et nous nous réjouissons à l'idée de tous vous revoir à Toronto en septembre.

Prenez note que Canada-en-tête (CCCA) tiendra aussi sa réunion annuelle à Toronto dans la même édifice les 18 et 19 septembre.

The Table of Contents is located on the new JTT Estimates Sharepoint site <a href="https://example.com/here/beat-state-s

Please review the current early draft Table of Contents to better reflect your division's programs and Estimates priorities – please make your edits in the Sharepoint site, so all the Executive team will be able to view them.

Given the timelines, we will update the Table of Contents on the Estimates Débate Sharepoint site with your feedback as it is received; we will be sending out instructions and timelines today. We expect the Table of Contents will continue

to be updated until 9am on Monday August 28th – following which the table of contents will be locked for preparation of the first draft Minister's Binder.

Subject: JTT - Estimates Debate Binder - Materials Preparation - Important deadlines within

Hi all;

It is time for Estimates Debate Materials preparation. Here is an overview of the initial timelines and deliverables for this year's Estimates Debate process. We have updated the draft estimates notes that were prepared in the Spring, to reflect recent organizational changes. An updated Table of Contents along with the draft notes can be found on the new JTT Estimates Debate Binder SharePoint site here. (The Table of Contents is changing regularly as items are updated, please keep an eye on your division's notes listing for accuracy/completeness).

To avoid version control issues: it is critical that everyone involved in the materials preparation process work in the JTT Estimates Debate Binder SharePoint site here utilizing track changes for existing notes. If you are uploading a new note for the first time, please make all future edits to that note in the Sharepoint site. As timelines are tight, there will be multiple, concurrent review processes underway (Finance, GCPE, DMO and our team's editing (including for compliance with Indigenous Peoples guidelines, etc) in order to deliver a binder to the Minister for August 31. If programs continue to reupload revisions from their LAN, rather than working in the SP site, all the previous reviews/edits made by others will not be reflected in the most current note.

We are happy to assist your team members with their Estimates Materials preparation - Estimates notes are more factual and program-based than other types of Ministerial briefing notes - they describe what the program is/does, and the program results achieved with the funds allocated. Please feel free to contact us with questions or for support.

Timelines	Estimates Notes Activities
August 18 (9:30am)	 Programs are requested to begin drafting/revising Estimates Note content in the Sharepoint site
ADM Approval of Divisional Notes	 NEW: ADMs are asked to approve divisional notes as the notes are completed as follows: ADMO or Divisional contact uploads ADM approved note and will be prompted to write a "check in comment" – please type "Yes Minister" as the check in comment – this means MSD staff can provide this ADM-approved note to DMO for Minister's review right away. No content will move to minister without this note. This process change is to address the Minister's request to receive the notes as they are completed.
Final Content Deadline: Monday, August 28 (9 am – hard date)	 Program staff complete all revisions/edits to Estimates note content, and ADM approval is complete for each draft note MSD will prepare the draft binder for DM
August 29	DM review of final ADM-approved draft content
August 31	Draft estimates binder for the Minister

Feel free to contact Martha Wood or Jason Gabitous (or me) with any process or SharePoint questions. Thank you,

Danine

You have the full package now, but as I mentioned, it isn't absolutely the final. We will do another version based on today's inputs and send it to you early tomorrow. This will not/will not be the final. As discussed with Fazil and as I mentioned at the exec, we will still get inputs over the weekend (from Steve at the negotiations and from the 4 more stakeholder discussions on Monday). That should only affect the stakeholder annex and Minister's speaking points. All the rest is complete. We will then be able to go final before the meeting with the Minister. If he is happy and signs, that copy can go forward or if there are changes, we will fix them immediately before resending the package.

We will send you a copy prior, but I am also walking in a printed copy for Fazil at 11:00 tomorrow.

Hello everyone,

Please find attached the 'JTT Monthly Meetup' agenda for Wednesday, 10 AM, and circulate with your respective exec, as necessary.

It would be extremely helpful, as mentioned, if you could book a boardroom for your staff (and let them know) to watch all together b/c the number of participants that can join the lync meeting is restricted and, this would help to keep the Q&A portion more manageable (hoping for lots of good Q's 0!).

ADMs/Exec that have indicated they are in Victoria on Weds, please meet on the ^{s.15}—Sarah Wempe/Trade Policy staff can assist in directing exec to Boardroom 1. This is necessary for the on-camera portion as this boardroom and \$.15—will be the only ones video connected.

If there are any changes ex. LOCATION, or if you have any questions at all, please don't hesitate to ask.

Thank you!

Hi all

Whether it's Jamie or Nichola that goes to the meeting, attached the final FII SP with Tim's signature. One caveat to be aware, we are still awaiting for two more directors to approve (as of now, 6:00pm on Tues). Technically all directors must approve, even though we do now have quorum. I will update as I hear back from FII.

To recap from before, for Jamie's benefit, as this has been moving along \$.22

- Changes to the document overall have been minimal since it was last approved in January s.13
 s.13
- Strategic Direction has been updated to align with new gov direction FLNRO has reviewed as well.
- Goals and performance measures are as before, with a few tweaks to targets:
 - o PMZ: targets have been increased from the Feb version
 - o PM5: 2017/18 target has been increased from 126 to 130
 - o PM6: targets have been lowered due to revision to the methodology used to establish values
- · Financials are unchanged.

Program area, CPP, CFO, CARO, TBS and EFO have reviewed, and their suggested edits have been incorporated, Tim Sheldan has approved.

Regards, Maija

If Fazil is in Victoria tomorrow – would there be time for he and I to meet at 1803 for 15 mins and then do a walkabout to meet people on the floor? If so, I would recommend a delay to 1:1.

Good afternoon everyone,

Further to Francois' note below and Fazil's communication to staff earlier today, I will be circulating the final Project Charter around for executive signatures. To obtain the five signatures, electronic would be easiest and most efficient however, if everyone would prefer to sign a hard copy I am happy to circulate.

Can you please check in with your executive member and advise me of the preferred method of signing and will begin circulating asap.

Good afternoon:

Thank you all for your input into the planning phase of this project.

The bulk of your feedback has been integrated into the project charter and DM memo, attached, with changes tracked since the last versions you reviewed. The documents have also been reviewed and approved by Fazil, with a view to ensuring alignment with direction from the Minister on scope.

We will move to coordinate final sign-offs and initiate information gathering drawing on the leads you identified. In the meantime, DMO will disseminate the memo to staff within the ISC, IBD and WDI divisions, likely tomorrow.

Happy to discuss if you have any outstanding concerns – my cell phone number is below.

Brian, thank you for your quick response and feedback.

I acknowledge there has already been quite a bit of work to look at the state of play with respect to the various organizations involved in investment attraction (e.g. who there is/what they do/what their budget is/what they've achieved). Our intent is not to duplicate or recreate this work, but rather to review what has already been done to see if there are gaps and then to fill them if necessary – I anticipate this will be quick, but \$.13

s.13

You are correct that this project needs to be forward looking. We have also been given direction to ensure that recommendations are incremental – highlighting what is working well, what can be tweaked and what we can do differently over time in order to deliver the best possible outcomes. At the same time, we need to address challenges and opportunities you and others have raised (around coordination/accountability/responsibility, for example).

Francois will add the above forward looking nuance to the project scope before coordinating sign-off, along with feedback others have supplied. Can I ask that you look at the project charter with the above lens, and offer constructive feedback and changes that we can consider? If you have concerns about approach and scope, these will need to be reviewed with Fazil as we have reviewed the project charter with him and he is supportive in terms of scope and approach.

s.13

s.22 but Francois is here as A/ADM if you wish to discuss further. If you have specific concerns that you want to discuss with me directly s.22 I can be available via e-mail or phone – please send me a message.

As I have said, I believe this needs to be a collaborative process with you, Rob, Jamie, CJ, Hayden, Tracy and Fazil. We have an opportunity with all of the economic development levers and resources under one umbrella and I look forward to working with all of you on an approach that works.

Hi all – as you know Fazil has asked me to take the lead in looking at BC's approach to international investment attraction. In my initial conversations with all of you and once I'd had the opportunity to confirm scope and approach with Fazil, I committed to providing a copy of the draft project charter and draft e-mail to selected JTT staff advising them of the project. Could you please have a look through the documents and let me know if you have any comments, questions or concerns. In particular, should the e-mail go to any additional groups (e.g. CJ – assume from the tech perspective that perhaps to some of your team? Hayden – not sure about you?) I'd like to get the e-mail out on Monday to staff so if you could get back to me by end of day tomorrow that would be great. Please include Francois in your response as he will be A/ADM until August 29th.

Francois and Kevin Watt will be supporting me in this project, we'd also like to have an Executive Director level contact from each of you to help us as we go through the information gathering and options development process. If you could send the name of your ED to Francois and myself and soon as you can, that would be great.

Once we get comments back we'll finalize the project charter and then circulate back for formal sign off.

Dear Colleagues,

It is now time to start planning our annual FPT Director Generals meeting on Foreign Direct Investment Attraction and I am pleased to confirm that our colleagues from Ontario have offered to host us. The meeting will take place in **Toronto** at the **Ontario Investment and Trade Centre on September 19, 2017**.

Please confirm your presence by sending your name, title and coordinates to Kimberly Rouleau (kimberly.rouleau@international.gc.ca) by Thursday.August 4, 2017, along with your suggestions for agenda items. If you are unable to attend the meeting, please inform us whether a replacement will be sent on your behalf.

To assist you in locating a hotel room, a block of rooms have been set aside for one night (September 18th) at the <u>Holiday Inn (Lombard street)</u>. These rooms will only be available (\$175) <u>until August 11th</u>, the rate will not be available after that date. We suggest that you reserve a room ASAP as September is a very busy month in Toronto and hotels rooms are limited.

To reserve a room, please contact s.22 at this email address: s.22 <u>@whg.com</u>. Ask to book under the *Global Affairs Canada* Group for Sept. 18-19, 2017.

In the coming weeks, we will provide you with a draft agenda.

Thank you for your cooperation and we look forward to seeing everyone again in Toronto in September.

Please note that the Consider Canada City Alliance (CCCA) will also be holding its annual meeting in Toronto at the same building on September 18 and 19.

Sincerely,

Chers/chères collègues,

Il est temps à nouveau de commencer à planifier notre réunion annuelle FPT des directeurs généraux en attraction de l'investissement direct étranger et je suis heureuse de confirmer que nos collègues de l'Ontario ont offert de nous recevoir. La rencontre des DGs aura donc lieu à **Toronto** au <u>Centre ontarien des investissements et du commerce</u> le 19 septembre 2017.

Veuillez, svp, nous confirmer votre présence en envoyant votre nom, titre et coordonnées à Kimberly Rouleau (kimberly.rouleau@international.gc.ca) d'ici <u>le 4 août 2017</u> ainsi que vos suggestions quant aux points que vous aimeriez voir inscrits à l'ordre du jour. S'il vous est impossible d'assister à la rencontre, veuillez, svp, nous informer si quelqu'un ira à votre place.

Afin de vous aider à trouver une chambre d'hôtel, nous avons réservé des chambres pour une nuit (le 18 septembre) au Holiday Inn (rue Lombard). Les chambres (175 \$) seront disponibles <u>jusqu'au 11 août</u> seulement. Le tarif préférentiel ne sera plus disponible après cette date. Nous vous suggérons de réserver une chambre dès que possible car le mois de septembre est très occupé à Toronto ce qui pourrait réduire les disponibilités.

Pour réserver une chambre, svp contacter, s.22 à l'adresse courriel suivante: s.22 <u>@whg.com</u>. Veuillez faire votre réservation de chambre en indiquant que vous faites partie du groupe *Global Affairs Canada* pour les 18-19 septembre 2017.

Au cours des prochaines semaines, nous vous ferons parvenir un ordre du jour provisoire.

Nous vous remercions de votre coopération et nous nous réjouissons à l'idée de tous vous revoir à Toronto en septembre.

Prenez note que Canada-en-tête (CCCA) tiendra aussi sa réunion annuelle à Toronto dans la même édifice les 18 et 19 septembre.

Cordialement,

Nathalie Béchamp

Attached is a personal invitation to Premier Horgan to participate in the Grand Opening of the Fairview Terminal Expansion in Prince Rupert on August 28 and 29. The letter provides more detail regarding the potential benefits with the provincial government's strategic direction, as well as more details regarding the event logistics and its audience (as does the formal event invitation below, which can also be accessed at http://celebrate-rupertport.com/invite).

Please note that the letter is also being c.c.'d to other relevant members of the new cabinet, as their attendance would be welcomed as well.

If you have any questions or need further clarification, please do not hesitate to contact me as per below. We look forward to the Premier's response.

I ran into Fazil and the Muji grand opening in Metrotown came up as MBR is attending. He asked to flip over the event details and will consider attending if his schedule permits. If you could pass this on it would be appreciated.

It would be an opportunity to meet both Mr. Satoru Matsuzaki, President of Ryohin Keikaku (MUJI parent company) and Mr. Toru Akita, President of MUJI Canada.

Let me know if you or Fazil would like to attend and we will have invitations issued.

Hi Joyce,					
I haven't been given a clear end	date for you. It seems they need you for the time being. Will ask again in a few days.				
I asked Cathi to cancel my flights	for tomorrow. Maybe you can confirm with her it's done.				
Thanks,

Good morning Brian,					
I will follow-up with the printer to	oday. Do you know how much longer I still need to be at PVO?				
Are you still travelling to Victoria	tomorrow? If not, I will need to cancel your HA flights.				
Thanks.
