Hello Lynne,

It has been awhile since we chatted and exchanged the emails below.

I certainly s.22  
that time is tight for you just now.

I know

I simply wanted to check in to enquire as to how the appointment process is going. I remain enthusiastic about serving the new government in some fashion.

Will your office be dealing with the appointments to the Emerging Economy Task Force and the and Innovation Commission? These come under the mandate of Minister Ralston I believe.

Attached is a re-focused set of my credentials. In particular, it gives more information on what my partners and I were up to with s.22

I look forward to hearing from you.

Best regards,
