Sorry Stephanie, we've just had something shift in our calendar Wednesday morning. Would 11:00 to 11:30 still work for you?

Appreciate your flexibility!

Best,
Meghan

Hi Stephanie,

Thanks for reaching out to me, I just got your message passed along. It's that finicky 'h' in my name that caused your email to bounce.

My colleague John Michael McColl (cc'd here) and I would be happy to meet you on 18th of April. During the time when the Minister is in Cabinet would be great – how about 10:30am?

If that works for you, we'd be happy to host you here in the office, s.15

Let me know if this works for you.

Best,
Meghan

PS – your email signature at the bottom of your email still links to Nimmi Takkar’s Stratcom email when you click, just in case you didn’t know!

Subject: Meeting with Stratcom, Wednesday April 18

Dear Megan,

Our CEO, Bob Penner, spoke with the Minister on Friday. The Minister asked that we follow up directly with you to talk about how Stratcom can support your agenda through the Research Vendor of Record.

We will again be in Victoria next Wednesday, April 18. Are there times that morning or afternoon that would work for you? Given that Cabinet meets that morning, we'd be happy to meet with you while the Minister is busy if that's better for your schedule!

Best,

Stephanie

Dear Friends,

Below is a link to an article I wrote that appeared in The Tyee, offering some advice to our friends in the new BCNDP government. Of course this advice could be applied to any level of government when progressives are elected. I hope you would find it interesting, and of course feel free to share. I'd also be interested in any comments you might have. The piece is also available in French on our blog, link below.

Regards,
Bob

Chères amies, chers amis,

Vous trouverez ci-dessous un lien vers la traduction d'un article que j'ai écrit et qui est paru dans The Tyee. J'y propose quelques conseils à nos camarades du nouveau gouvernement NPD de la Colombie-Britannique. En fait, ces conseils pourraient être utiles à des gouvernements de n'importe quel niveau, quand des progressistes sont portés au pouvoir. J'espère que vous les trouverez intéressants, et bien sûr, je vous invite à les partager. Je suis aussi curieux de lire tout commentaire que cet article vous inspirera. La version originale en anglais du texte est aussi disponible sur notre blog, lien ci-dessous.

Salutations
Bob
