Hi Sam and Greg,

Apologies for the delay. We will set it up from the DMO for week of the 7th as Karen has indicated.

Erin, Trade is a broad request, so we should have both Arif and James attend as it could be wine related (James) or related to another commodity or marketing (Arif).

Thanks,
Georgina

Just looking at this more closely - Agri estimates are already done – so this is perhaps for JTT? But why would he want a briefing from Ag staff for a different Ministry's estimates? I'm confused.

Hi Monica and Tracy,

For this potential briefing on May 7, it would be MLA Stewart and likely, MLA Thomson.

Will also loop Jamie and Brian once a time is set. Looks like May 7th, afternoon, works best.

Best,

Alyson

Hi all,

Below is a request for an estimates briefing for MLA Stewart. Amanda/Tracy—could we set something up for Monday May 7th?

I think it's best we wait until JM is back to have the briefing, but I will defer to Meghan if she thinks otherwise.

Thanks,
Jacqueline

I've been advised that the MA has requested that the meeting get rescheduled for a larger room. You'll see the change in your calendars as soon as a date and location is found.

Thanks,

Monica.

Hi Sam, Jess and Greg,

This has evolved and I think we've landed on a better approach.

- I spoke with Karen Bill. She clarified that MLA Stewart will be focussed on aspects of agriculture trade related to marketing and export – which would be Arif's bailiwick.
- I spoke to my counterpart in the DMO at JTT (Monica Jang). She advised that JTT Executive already have an Estimates pre-brief with MLA Stewart booked on May 7th at 11:15am.

- The agreed upon approach between our DMO and the JTT DMO is that a member of our Exec team (Arif and potentially Wes Boyd), should attend the already scheduled pre-brief with JTT, in a supporting role. Arif and Wes can provide fact-based answers on the Agriculture budget if asked, or reiterate answers already provided by Minister Popham during the Agriculture Estimates debate.
- Any other specific questions on Trade as it relates to Agriculture will be noted by Arif, and I will work with my counterpart at JTT to ensure their Exec team has all the necessary KM's/information to support Minister Chow during the JTT Estimates Debate.

As there is a conflict in the your calendars during this scheduled time on Monday (BC Dairy Members), I've had the JTT office send the meeting invite to Jessica, however I will leave it to you to work out who is best suited to attend.

Please let me know if you have any concerns about this approach.

Thanks!
Georgina
