Dear Olga,
It was my pleasure of meeting you at today's event! Thank you for the kind words and no worry about not recognizing me for two reasons- I am a rookie provincially and I am not controversial!
As said, thank you for your work in the community and the generosity of the Ilich families. We have lots of work ahead of us. Looking forward to breaking ground on Richmond Hospital!

1. Please replace the first sentence in the 2nd paragraph with the following:

Currently B.C. has 17 overseas offices, including ones in Hong Kong, Guangzhou, Shanghai, and Beijing, that are staffed by trade and investment representatives who regularly work in partnership with industry associations to support two-way trade and investment activities.

2. Please replace the last sentence in the 3rd paragraph with the following:
Given our current program, we are unable to consider funding local trade associations to attend international trade events at this time.

Okay to provide statement?

Deadline @ end of day March 29, 2018

Media: Business in Vancouver

Reporter: Chuck Chiang, 604 399-8956, chchiang@postmedia.com

Topic: Provincial Funding for Trade Associations to Attend Overseas Trade Shows

Background: Reporter would like an Interview or statement.

On Jan. 9, 2018, Sing Tao Daily published an article about the North America Investment Association's plans to send a delegation to the First Belt and Road International Food Expo in Hong Kong in June 2018. The article stated that Minister of State for Trade George Chow had promised Provincial financial support for the delegation.

On Jan. 13, Sing Tao Daily published a follow-up article, stating that Minister Chow had clarified that the funding "is still being looked at and it's 'too early to say' that the government will provide the funding". He also stated that he will "look at the role [intermediary organizations] can play in promoting B.C. products to companies' countries of origin.

Questions: Minister Chow has commented on looking at funding for local trade associations to attend trade shows. Can Minister Ralston/Chow or anyone at the ministry expand on whether more funding may be coming?

Chuck is working on a story regarding a few local trade associations asking for government funding to go abroad to attend trade shows, noting they need to be on-the-ground there to be competitive. He has spoken to the North American Investment Association, which recently held a forum at the Richmond golf and country club where many umbrella groups support ministry funding trips overseas to attend trade shows. They haven't specified what kind of funding.

In January, Sing Tao wrote a story and then corrected it with the title: "George Chow: Funding to help businesses on overseas trade show not confirmed"

The relevant paragraph reads: On an earlier report saying that he had committed to provide funding for a certain group to take part in an overseas trade show, he clarified that this is only being looked into and it's "too early to talk about providing funding"

Suggested Response:

Statement from Minister of State for Trade, George Chow:

"The model our government has put in place to support B.C. exports and investments focuses on expanding our overseas trade and investment infrastructure while also supporting export-related programs here, to help B.C. businesses increase their export capacity.

B.C.'s trade and investment representatives regularly work in partnership with industry associations to support two-way trade and investment delegations. They work together to identify business opportunities, help put together delegations of B.C. companies, and facilitate introductions and meetings for those companies on-the-ground in market.

In 2017, total B.C. goods exported worldwide were almost $44 billion, up 13% from 2016. We're moving in the right direction and will continue to support trade and investment for B.C. businesses, here and around the world. We are not considering directly funding local trade associations to attend international trade events at this time."

Hi Teresa,

Lucy asked me to get in touch with you regarding expectations for the Govt. MLAs for the upcoming Governor General's visit. As you are aware, there will be the Official Welcome Ceremony at 2pm on March 20th on the outside at the Parliament Buildings**. For this, there will be an opportunity for MLAs to view the ceremony from a designated area in front of the buildings**. There is a possibility that the Governor General may stop to shake hands, but it would be at her discretion. If MLAs do choose to attend, we would like them to come to the front of the East Breezeway no later than 1:45 p.m. and staff will escort them to the designated area. The outside portion of the event should be concluded by 2:20 p.m.

You may also know that all Govt. MLAs received an invitation to the Stand-Up Dinner Reception co-hosted by the Lieutenant Governor and the Premier that evening, March 20th at Government House. The reception starts at 5:30 p.m., but guests have been told to arrive by 5:00 p.m. The reception will likely conclude by 7:00 p.m. The dress code is Business Attire (with decorations – medals, etc. if they have them). The outline program for the reception is:

- O' Canada
- First Nations Welcome Song
- LG Remarks
- Premier's Remarks
- Governor General's Remarks
- Reception continues
- At end of reception, youth choir performs two songs

I am also including the latest program rollout and site diagrams for your information.

Let me know if you require anything further?

This review will help us develop a more equitable and sustainable funding model that improves outcomes for students and provides a stable funding platform to all Boards of Education. Our goal is to ensure equal access to educational programs and services for students throughout the province-no matter where they live.

Our government increased operating funding for schools by $1.1 billion and we have introduced the largest capital budget in generations - investing $1.8 billion in our kids over the next three years. This includes funds specifically targeted at reducing portables after years of inaction by the previous government.

School Trustees represented by the BC School Trustees Association (BCSTA) are a key part of this review, as are other education partners and stakeholders. As co-governors of the education system, the Ministry of Education and the BCSTA initiated this review, and the BCSTA helped develop the shared principles for the future funding model. This review is guided by an independent panel comprised of education experts from across the province.

Hello Jinny, Bruce and Harry,

Could you please call or email back your response to the following concerns?

I'm doing a story on the school funding formula review panel, and Surrey trustee Terry Allen said he's amazed the review is going ahead, and is very concerned any shift away from a per-pupil funding formula will be dramatic in Surrey.

He wonders why the NDP continued with the Liberal initiative and is curious why MLAs aren't standing up to question it.

He also notes B.C.'s two largest districts aren't represented on the panel that are reviewing the formula.

Surrey Board of Education vice-chair Terry Allen has a message for the committee reviewing the way B.C.'s schools are funded: "Leave per pupil funding alone."

Allen, who is the chair of the district's budget committee, said a shift away from per-student funding allocation would "hugely disadvantage" B.C.'s largest school district.

"If it's not broken, don't fix it," he added. "Once you change the formula away from per pupil finding it's going to be a negative for larger districts."

Restaurant. The GVTCA event is in your calendar as a FYI but Ward says tickets haven't been procured for it as you have the physical invitations.

Did you want to spend the evening at SUCCESS or split time to arrive late to the GVTCA event? I'll likely be parked by Vancouver City Hall so logistically we'd be fine. Let me know!

You have a Vancouver Chinese Merchants Association event at 6:30 pm. Dinner at 7 and remarks at roughly 7:30. MLAs Simpson, Chow and Yap will also be attending. 300-350 expected attendees.

You also have the SFU Surrey President's Gala from 6-9 pm. Premier Horgan speaks at 7 and Mayor Hepner will also be speaking. Dinner is at 7:30 pm. 330 expected attendees. Surrey City Orchestra will be performing at 6:30. Given the significance of the event and that it's in your riding, I think it would be best to go there at a reasonable time, if not at the start.

Given travel time, you will have to choose between the two. You could have Shane or George give remarks on behalf of the gov for the VCMA event. They didn't purchase a ticket for staff for the SFU Surrey Gala given the price. So you would be solo for that one.

What do you think?

Subject: FW: Updated Program - Upcoming Governor General's Official Welcome Ceremony

Hi Teresa,

Lucy asked me to get in touch with you regarding expectations for the Govt. MLAs for the upcoming Governor General's visit. As you are aware, there will be the Official Welcome Ceremony at 2pm on March 20th on the outside at the Parliament Buildings**. For this, there will be an opportunity for MLAs to view the ceremony from a designated area in front of the buildings**. There is a possibility that the Governor General may stop to shake hands, but it would be at her discretion. If MLAs do choose to attend, we would like them to come to the front of the East Breezeway no later than 1:45 p.m. and staff will escort them to the designated area. The outside portion of the event should be concluded by 2:20 p.m.

You may also know that all Govt. MLAs received an invitation to the Stand-Up Dinner Reception co-hosted by the Lieutenant Governor and the Premier that evening, March 20th at Government House. The reception starts at 5:30 p.m., but guests have been told to arrive by 5:00 p.m. The reception will likely conclude by 7:00 p.m. The dress code is Business Attire (with decorations – medals, etc. if they have them). The outline program for the reception is:

- O' Canada
- First Nations Welcome Song
- LG Remarks
- Premier's Remarks
- Governor General's Remarks
- Reception continues
- At end of reception, youth choir performs two songs

I am also including the latest program rollout and site diagrams for your information.

Let me know if you require anything further?

Hi Ramesh,

At 3pm, there is a performance in French of stories being read to the public. s.13 s.13 1. But at 4:30 p.m. until the end it will be in French and English.

Minister Harry Bains is saying a few words and my speech will be in French and English. If Minister Ralston would like to say a few words, he's more than welcome, just let me know ahead of time so we can introduce him.

Afterwards, the Black History Month presentation will be in French and English and will be followed by musical performances.

So arriving around maybe 4:30 should give you some time to mingle before everything starts.

Hope this helps. Let me know if you have any more questions. See you on Sunday!

Hi Ramesh, you are invited to our celebration!

I kept you in mind when we organised this event. Obviously, Minister Bruce Ralston and his family are invited or course, and I'd love for you to bring your family if you're free that day.

The event is called "Célébrons la Francophonie", and is held on March 18th and starts at 3pm, at the École Gabrielle-Roy school (6887 132 Street, Surrey).

It begins with the unveiling of the book "Le Bonheur est dans le Jardin" (Happiness is in the Garden), a collection of stories written by our group of elders. Stories will be read out loud by specially chosen performers (Wanda Jemly, Jean-Pierre Makosso et Maurice Guibord).

It will be followed by musical performances by
- Brunny Alaka'i Ainoii
- Jean-Pierre Makosso
- Korine Kakule et Neyssah Gilkes

There will be
- A presentation for "Black History Month"
- The vote for the best art work for "Black History Month"
- A multicultural buffet (many cultural communities are contributing to the assortment)
- Activities for children

(Our celebration for Black History Month was rescheduled due to the snow storm at the end of last month.)

You are very warmly invited, and please invite your friends you feel would be interested.

The buffet will be large, but we'd love to run out of food, due to having too many friends!

So arriving around maybe 4:30 should give you some time to mingle before everything starts.

Hope this helps. Let me know if you have any more questions. See you on Sunday!

Hey Sebastien,

Just a couple questions for you: Is there a rough timeline for event? I see it starts at 3. What time will the musical performances be at roughly and what time will the Black History Month presentations be at?

Thanks,
Ramesh

Hi Ramesh, you are invited to our celebration!

I kept you in mind when we organised this event. Obviously, Minister Bruce Ralston and his family are invited or course, and I'd love for you to bring your family if you're free that day.

The event is called "Célébrons la Francophonie", and is held on March 18th and starts at 3pm, at the École Gabrielle-Roy school (6887 132 Street, Surrey).

It begins with the unveiling of the book "Le Bonheur est dans le Jardin" (Happiness is in the Garden), a collection of stories written by our group of elders. Stories will be read out loud by specially chosen performers (Wanda Jemly, Jean-Pierre Makosso et Maurice Guibord).

It will be followed by musical performances by
- Brunny Alaka'i Ainoii
- Jean-Pierre Makosso
- Korine Kakule et Neyssah Gilkes

There will be

- A presentation for "Black History Month"
- The vote for the best art work for "Black History Month"
- A multicultural buffet (many cultural communities are contributing to the assortment)
- Activities for children

(Our celebration for Black History Month was rescheduled due to the snow storm at the end of last month.)

You are very warmly invited, and please invite your friends you feel would be interested.
The buffet will be large, but we'd love to run out of food, due to having too many friends!

Hope to see you March 18th,
