Hi Kathie:

Staff have confirmed with Lewis Coughlin (Canadian Consul, Seattle) that there will be a speaking opportunity for MBR at the CIN MOU signing in Seattle.

Lewis advises that the program for the event hasn't been finalized yet but his suggestion is to have Carl Anderson, CEO of BCIC, introduce the Minister at approx. 9:00 am. The Minister would then have 10-25 minutes to offer remarks. If that does not work the Minister's schedule, they are happy to accommodate. The morning program will be from 9:00 – 11:30 am.

Can you advise if the timing of this works for MBR? If so, I can have staff confirm with Lewis.

Thanks,

Monica.

Who's the constit assistant? Can you or Meghan call him/her to see if they can be there to sign for it when it arrives? The courier only has the constit office phone number unfortunately. Or is there something else we can do? It should be there around 3pm so we just need someone waiting out front to sign for it and pick it up.

Cheers,

We are arranging for a courier to pick up the proclamation at the Consul General's office in Vancouver and delivering it to Minister's constit office in Surrey this afternoon. Can one of you let the constit office know that its coming today? Minister will want to pick it up for the event on Sunday to present it to the congregation.

Hi Kathie,

MBR would like to take the 6am flight on the 8th so he doesn't have to miss the year end consular event.

He's asked me to ask to follow up with Amanda and see if there is an earlier flight back than the 2:50pm. Something Harbour to Harbour? He'll have to come back from Victoria to Vancouver but he's indicated that if there is an opportunity to come back earlier he'd like to take it.

Thanks!

Hi all,

Jordan Turner at EMBC advises Red Cross will either 1) publish their NR about the small biz program on Monday or 2) participate in an event on Weds Nov 29.

Please let me know your Ministers' preference ASAP. I think we need all three in the "yes" column for this to happen.

I can hold time for an event on Weds but I need to know by noon tomorrow if this is a go.

Copying Rick for his info, too.

Subject: DMO Update

Good afternoon:

It has been a busy and exciting fall and I want to thank you all for your continued efforts at advancing government's vision for JTT. During this period of transition and reorganization, we've identified that the DMO needs to have a stronger Vancouver presence to better support me, engage with our key stakeholders and deliver on our priorities. As such, effective November 20, 2017 the Director of Operations position will be headquartered in Vancouver.

In line with this shift, I am pleased to announce that Monica Jang will be joining my office as the Director, Executive Operations working out of Canada Place, Vancouver. Most recently, Monica led the Trade and Technology Secretariat as the Director, Strategic Liaison, and prior to that she led the Deputy Minister's Office with the former Ministry of Small Business and Red Tape Reduction. I know that she is looking forward to working with everyone in the Ministry and helping us expand our Vancouver presence. Monica will be working closely with her team in Vancouver and Victoria and over the next few weeks we will work to integrate her current Secretariat responsibilities into the DMO.

I am also pleased to announce that Pam Shatzko will be joining the Management Services Division as Director, Strategic Priorities, reporting to Tracy Campbell, ADM and EFO Management Services. In this role, Pam will be supporting sector engagement efforts, including internal communications and strategic planning and assisting with issue management. I would like to thank Pam for all her work in the DMO and in particular, her contributions to help establish and support the DMO during a very hectic period.

Please join me in welcoming Monica to the DMO team and wishing Pam all the best in her new role!

If you have any questions, please do not hesitate to reach out.

Thank you,

Fazil

Monica,

Thanks again for meeting with Minister Ralston, and arranging a tour of Kabam. It was good to learn of Kabam's continued growth in Vancouver, and the plan to hire another -100 people over the next year, as well as expand your office space.

As discussed, Minister Ralston will be in Seoul in mid - January 2018 and it would be appreciated if he could perhaps meet with Netmarble and tour its studio. I'll send additional details and dates asap.

Thanks again. Your insights on Kabam and issues such as talent attraction were helpful and appreciated.

Hi Kathie, Meghan and Jacquie:

I was chatting with Tasha and we were thinking it would be really helpful if we could arrange a regular scheduling meeting with you so we can get a head of things when it comes to scheduling events and announcements for the Minister.

On this call we would discuss upcoming events and announcements and identify dates that work in the minister's calendar.

Kathie, Meghan – you wouldn't both need to be on it, only one is necessary if need be.

Please let me know if you're amenable to this and if there is an ideal day and time during the week that works with your schedules.

Thanks,

Courtney

Dear Hon. Minister Ralston,

I would like to invite you to tour the Tantalus Labs ACMPR approved production premises located in Maple Ridge, BC. We are the largest cannabis production facility in the province today, and would relish the opportunity to demonstrate our elite security, quality assurance and supply chain transparency infrastructure and technology.

My team believes an understanding of how these facilities operate would be a valuable perspective when considering British Columbia's new legislation. We can be available for a tour at your convenience.

Subject: Mr. Gong Meeting

Hi Monica,

Minister Chow is wondering if it's possible to pull together a meeting for this Friday Nov 3 10am at the trade office with the following people:

Ms. Galina, Mayor of Stewart
Mr. Gong, Jialong, CEO of Canada Stewart Energy
Mr. David Zhang, Executive Vice President, Canada Stewart Energy
Mr. James Wang, Councillor, City of Burnaby

Minister Chow has already spoken with Minister Ralston about the meeting, been in contact with Councillor James Wang, and I believe has confirmed the availability of the other guests. He would need staff, as well as a Mandarin translator. The topics for discussion would be the LNG project in Stewart and a rail project from Stewart to Kitwanga.

I realize this is last minute—please let me know what ministry staff are able to pull together.

Thanks,

Jacqueline Louie
