Hi Bob,

Thanks to you, Simon and Kathy for your time on Thursday. As discussed, I'm following up with a high level summary of some of the currently proposed NAFTA changes<sup>s.13</sup>

s.13

I've also included some context which I hope will answer some of the questions that were raised in our meeting. Feel free to distribute this to Vicki, Ed and Dirk but let me know if you feel it should be shared with someone not on the NDA because I will first need to have them added. Any feedback on these measures is welcomed; please keep in mind they are still just proposals. We can meet in the new year and discuss in detail if that would help.

Cheers,  
Ben
