Parliamentary Secretary,

Please find attached for your approval the revised draft PNWER statement on steel and aluminum tariffs that was discussed during yesterday's Executive Committee meeting. We have left the tracked changes in for ease of reference.

This revised version has now been reviewed and approved by our Assoc. DM, Pierrette Maranda. If you would like any additional edits made before I send it to Brandon Hardenbrook of PNWER, please let me know. As you will recall, PNWER requested feedback from each of the jurisdictions on this draft statement by end of business today.

If you have any questions, please let me know.

~Nicole
